The financial statement was ordered to be printed and the congregational meetings were postponed until after conference. Thad Purvis is the delegate to conference.

The annual banquet of the Young People's League of the United church was held in the school room on Tuesday evening. The tables were tastefully decorated and a well arranged menu was provided. Trenton Tax Rate Struck. After several sessions, Trenton council has concluded the bringing down of the estimates and the striking of their tax rate for 1926. The rate for this year will be 48 mills or an increase of two over that of last year. GANANOQUE WILL OBSERVE MAY 24

Merchants Petition Council With Regard to the Hours of Business.

Gananoque, May 20.—The Council had a busy and interesting session on Tuesday evening and were in conclave until after midnight. Saturday was granted to the Salvation Army as Tag Day. Gordon Bishop gave notice of motion at the next meeting to provide a by-law which gas stations erected on the street will be compelled to pay a rental. Mayor Wilson also gave notice that he would propose a by-law by which peddlers of foreign fruit would be taxed.

There was a deputation of merchants complaining about the enforcement of the by-law affecting the hours of business. They claimed that the by-law provided that places of business should be closed from seven o'clock in the evening until five o'clock the next morning. The Council will take action in this regard provided there is no petition presented to them in the meantime bearing a majority of the names of the merchants asking that the by-law as it now stands be repealed.

Still another petition was presented in regard to the observing of the 24th May as a public holiday by citizens generally, and leaving it optional with them to treat the 3rd of June as a holiday or not as they saw fit. The Council decided in favor of the 24th as the public holiday, so that next Monday will be a holiday, and Thursday the 3rd of June is left to the individual to decide for or against.

It was agreed that the Council would pay their share for the school nurse for this year, the remainder of expense in this connection to be borne by the Government.

Residents on River street from Second street to the Northern limit of the former street petitioned the Council for extension of water works, which matter will be decided upon later.

Gananoque, May 20.—Dr. Carleton Mabee, his mother and Mrs. J. Arthur Jackson motored to Toronto on Monday. Mrs. Mabee will go on and join her husband, Dr. A. H. Mabee, who has been up on his farm near Simcoe for the past four or five weeks, and will also visit her daughter, Mrs. Black at Kingsville.

Mrs. Ovens, Kingston, is the guest of her mother, Mrs. W. Newberry. Thomas Tapping is visiting his granddaughter, Mrs. Wesley McNeil, at Ivy Lea.

Christopher Knight's condition was still reported as showing slight improvement yesterday. Dr. Phair, Toronto, who has charge of school health for the province, gave an interesting address in the board room of the New Linklater school last Friday evening.

Clayton Anderson, who has been associated with his brother Curtis Anderson, in a general store a couple of miles east of the town, was taken to Toronto on Tuesday for a serious operation.

Michael Macdonell, Kingston, was in town yesterday for the funeral of his cousin, Herbert McDonald, and is leaving today for New York to spend the next couple of months with his son Lawrence who is engaged in building and contracting in that city.

About twenty or more members of the local Canadian Club including Mayor Wilson, will go to Clayton this evening where they will be guests of the Chamber of Commerce at a banquet.

Be as generous as you can on Saturday and help along the good work of the Salvation Army.

Several friends from here attended the funeral of the late Arthur McCready in Mallorytown last Sunday.

A large number of Gananoqueans will spend the 24th in Kingston. A large number will also go up Sunday for the laying of the corner stone of Regiopolis College at which function the Papal Delegate will officiate.

Easy to Gain With Yeast and Iron

New Combination of Yeast with Vegetable Iron Quick Way to Build Up Weight

This new combination of yeast vitamins with vegetable iron, renews the action of sluggish blood cells, drives out dangerous body poisons, increases energy and endurance and supplies the system with the vitamins that build up weight. For years yeast has been known as a rich vitamin food, but "ironized yeast"—which comes in concentrated tablet form, was it possible to take yeast and iron in the right proportions to build up weight.

Vegetable "Iron" when combined with yeast is quite easy to digest, therefore better for the system. And "yeast" when ironized, becomes just as beneficial as ordinary fresh or cake yeast.

Ironized Yeast tablets are composed of concentrated food elements, therefore, they are pleasant to take and free from drug-like effects. If you are under weight, do not enjoy good health, lacking in energy and force, "ironized yeast" tablets will pick you right up, and if they fail, you get your money back.

Sold by James E. McLeod and all good druggists at \$1.00 for a large 60-tablet package. Harold F. Ritchie & Co. Ltd., Toronto, Canada.
