ADVENTURES OF THE TWINS by Olive Roberts Barto

The Gazookums and the Candy. The next place that Mister Tingaling and the Twins went to collect rents, was Mister Owl's house. "Tap, tap, tap!" they went on the door of Mister Owl's apartment in the Maple Tree. Mister Owl opened the door himself and blinked and blinked. "I can see so very well in the daytime," he said. "Who are you?" "We're the rent collectors," said Nick. "Who?" screamed Mister Owl. "Rent collectors," repeated Nick. "This is Mister Tingaling, your landlord. This is the thirty-second day of the month in Fairyland, and your rent is due, Mister Owl. It's fifty cents in fairy money."

Still Well and Able To Do His Work

Saskatchewan Man Used Dodd's Kidney Pills Twelve Years Ago.

Mr. Sydney Bent Suffered With His Back and Kidneys.

Shamrock, Sask., May 21. (Special)—In our Almanac published in 1919 the following testimonial from Mr. Sydney Bent appeared: "Six years ago I suffered a lot from my back and kidneys. I tried a lot of medicines and drugs, but kept getting worse, till some of my friends said I would not live long. Four years ago I decided to give Dodd's Kidney Pills a trial. After taking the first box I felt so much better, I decided to continue the treatment. The result is I have been able to do my household duty for the last three winters. Would advise anyone suffering from kidney trouble to take Dodd's Kidney Pills."

We have just received word from Mr. Bent that he is still well and living on his 160 acres, doing his own work. He has not needed to take any Dodd's Kidney Pills for a long time, but always keeps a box of them in his house. This is further proof that Dodd's Kidney Pills make you well and keep you well.
