BATTERSEA LOSES A WORTHY FAMILY

Presentations Made to Mr. and Mrs. J. E. Anglin and Their Daughters.

Battersea, May 25.—On Monday evening, May 24th, the numerous friends of Battersea and Keelerville and neighbors of Mr. and Mrs. J. E. Anglin and family gathered at their home for a farewell party. There were about one hundred and twenty present. Mr. and Mrs. J. E. Anglin are moving to their new home in Belleville. A very enjoyable evening was spent by young and old. The Battersea orchestra supplied the music for the evening, which was very much appreciated. Mr. and Mrs. Anglin and family will be greatly missed by all.

At 10.30 o'clock Mr. Samuel Jamieson, reeve of the township of Storrington, requested Mr. and Mrs. Anglin and the daughters, Mildred and Pauline to come forward. Mr. James Boal was called upon to read the following address: "Mr. and Mrs. J. E. Anglin: "Dear Friends,—On this the eve of your departure from our neighborhood, we, a few of your friends, have gathered to spend a social hour together. During your thirty-one years residence in our midst you and your family have done much for the uplifting of the community, always ready to lend a helping hand to those in need and showing your hospitality at every available opportunity to stranger and friend alike. Your contributions to church, school, and state, which were always most generous, have been greatly appreciated.

"We sincerely regret your departure from amongst us and feel we cannot let you leave without showing in some small way the esteem in which you are held. We ask you to accept these gifts as tokens of our appreciation of your never failing unselfishness and kindness to us. What is a loss to this community is a gain to another and we heartily wish you and your family, health, happiness and success in your new home.

"Signed on behalf of the community, Mrs. George McFarlane and Mrs. James Boal."

At the close of the address, Mrs. Anglin was presented with a beautiful electric lamp by Mrs. McFarlane, and Mr. Anglin was presented by Mrs. James Boal with a leather club-bag, initials engraved, and a purse of money enclosed.

Miss Mary Jane Sleeth, one of the scholars of Keelerville public school, came forward and read the following address:

"Miss Pauline Anglin,— "Beloved Teacher,—We, the pupils of S.S. No. 14, Storrington, having learned with regret that you are about to leave this district to take up residence in another part of the fair Dominion, wish to express our earnest appreciation of your faithful services as our teacher during the five years ending June 1925.

"The golden seeds of love and devotion to duty, sown by you in our young hearts, have already produced most abundantly, and we believe, will continue to do so as long as S.S. No. 14 may exist. Your untiring efforts and ability enabled us to carry home to S.S. No. 14 the highest prize awarded by both the township and county of which we form a part.

"You will please accept this gift in remembrance of the time you have spent among us, and in presenting it, we wish to convey to you our most sincere wishes for your future welfare and happiness.

"Signed on behalf of the pupils of Keelerville school, Mary J. Sleeth and William Dixon."

At the close, Master Willie Dixon presented Pauline with a silver pie knife, butter knife, sugar shell and pickle fork with pearl handles, "Keelerville" engraved on each.

Dr. N. V. Freeman, superintendent of Battersea Sunday school, read the following address:

"The members of the Battersea United Sunday school wish to express to you their deep appreciation of your past services. Your regularity in attendance, faithfulness to duty and readiness to serve in all ways possible have ever been a

A Friend's Advice Made a New Man

Brooklyn, Mr. E. A. Schumacher writes:—"For years I was suffering from indigestion and constipation. One day a friend of mine advised me to try Carter's Little Liver Pills. They have made a new man of me. I certainly can recommend them to anyone suffering in the same manner."

Carter's Little Liver Pills are a purely vegetable laxative. They do not contain calomel, mercury, mineral salts or any injurious habit forming drugs. They are perfectly safe for every member of the family. Drugists, 25¢ a 75¢ red box.

worthy example to the children and a source of help and inspiration to your fellow workers. The fruits of your efforts in our school shall, we pray, manifest themselves in this community for years to come. In bidding you God speed we trust that what is our loss may be your gain, and in the larger community to which you go you may fill your place as admirably as you have in our Sunday school. These small gifts we would ask you to accept as a kindly remembrance of the high esteem in which our school holds you.

"Signed on behalf of the Sunday school, N. V. Freeman, superintendent."

At the close Miss Gladys Robb and Miss Beatrice Hanley presented the girls with silver cheese and cracker servers.

After this Miss Bernice Sutherland on behalf of the Women's Institute presented Pauline with a pair of silver candle sticks and candeliers.

Both Mr. and Mrs. Anglin were deeply affected and Mr. Anglin on behalf of himself and wife made a very feeling reply and assured them that no matter where their home may be they would always cherish fond memories of their Keelerville and Battersea friends.

The girls expressed their appreciation for the lovely remembrances given them, by a few well chosen words.

Mr. S. Jamieson expressed regret at losing such valued friends but wished them happiness in their new home.

Refreshments were served and the time passed all too quickly until it was time to depart. Before leaving they all joined in singing "For He's a Jolly Good Fellow."

BELL ROCK TO HAVE A NEW GRIST MILL

Has Been Without One 28 Years—Wilson Campsall Erecting One.

The farmers in the Bell Rock district, who for about twenty-eight years, have been minus the service of a first class saw and grist mill, will in the very near future have an up-to-date one in their midst.

Wilson Campsall, of Harrowsmith, some time ago purchased property in the village, and he has had a gang of men working erecting the saw mill and harnessing the power which will be developed on the river which passes through his property. Alfred Smith, carpenter, has been in charge of construction work. The dam has been erected on what is known as the Depot waters, and it is expected that when the power wheels are put in place, about eighty horse power will be developed which will certainly be a great thing for the village.

The large timbers which will be used in the construction of the mill, have been all cut, and are ready to be put in place any day. It is expected that the mill will be in operation around June 18th.

For about one hundred years a mill was operated at this point, but twenty-eight years ago, due to a great ice jam, the mill was carried away, and since that time the farmers have had to travel many miles to have their grist ground, as well as to have their timbers cut up. The Whig is informed that the mill, which was better known as the Pomeroy mill, was first started by Jake Huffman; then it passed into the hands of a man by the name of Asselstine, then to William Pomeroy, and last to Douglas Hooper, who owned it at the time that the ice carried it away.

Mr. Campsall has also realized the need of an up-to-date store in Bell Rock, and is having a new building erected, and is going to have it stocked with the best of provisions.

DEATH OF MRS. SMITH.

She Was a Veteran Resident of Charleston.

Charleston, May 24.—Mrs. Leonard Halliday and Mrs. W. G. Crozier are both on the sick list. Mrs. Margaret Smith, widow of Justus B. Smith, passed away after a long illness at the home of Mr. and Mrs. W. G. Crozier, on Monday, the 22nd inst. Deceased was a daughter of the late Mr. and Mrs. William Johnson, who passed away some thirty years ago. The funeral was held on Tuesday afternoon from the residence of Mr. and Mrs. Crozier to Trinity church, Oak Leaf, where the service was conducted by the rector, Rev. A. B. Payne, and where interment was made. Deceased leaves one sister, Mrs. Howard, Halifax, N.S., and a number of cousins in this locality.

Mrs. W. B. Beale was called to Jones' Falls last week by the illness and death of her aunt, Mrs. Virtue, who passed away on Saturday, the 22nd inst. The funeral was held on Sunday at 10 o'clock to St. John's church, Leeds, and interment was made in the cemetery adjoining.

Mrs. J. McKeeney and children, Frankville, were visitors over the holiday at T. Hudson's. We are having an evening mail service now instead of the afternoon which gives us the Daily British Whig the same day it is published. A number of Athenians and others came to their cottages on Saturday and remained over the holiday.

Mr. Pritchard, Wilstead, is spending a few days with his daughter, Mrs. H. Webster. George Smith, Brantford, an old Charleston boy and son of the late Justus B. Smith, in company with his brother, W. C. Smith, Athens, is spending the holiday renewing old friendships here.

The MacKay Bread Company's safe at Windsor was looted by rogues. The loss is \$1,422.

GANANOQUE

Gananoque, May 25.—Angus Macdonald, a war hero, who served in both the South Africa and Great War, is dangerously ill at the home of his sister Mrs. Daniel Bishop. He was a German prisoner for a long period, and has an excellent record, having won many medals and other distinctive honors.

Louis Lambert was a victim of a serious accident on the 24th. He was, with several other boys, setting off fireworks when he tripped, and got the whole charge of one of them in his face. He was immediately rushed to the General Hospital, Kingston, and until late yesterday it was greatly feared that he might lose the sight of both of his eyes. More encouraging tidings were telephoned yesterday afternoon to the effect that he could see, and it is now hoped that both eyes may be saved. His mother is with him at the hospital.

Mr. and Mrs. Fred Gratton and daughter Miss Ernie spent the week here with Mr. and Mrs. Ward Val-leau.

Mr. and Mrs. Fred Laughton were in Brockville at the week-end.

Mrs. M. Stack, Brockville, was in town at the week-end on her return from New York City, where she has spent the past few weeks.

There was a fine turnout of members of Lodge Cambria Sons of England last Sunday when they held their annual church parade to Christ Church. The procession was led by the Bugle Band of the Boy Scouts. Fourteen members from Lodge Leicester, Kingston, were guest members in the parade, and were much impressed by the excellent sermon preached by the Rev. Louis Barber. Another very pleasing feature of the service was the lovely solo by Miss Rhea Haynes, and the special music rendered by the choir under their able organist and director, Mrs. F. B. Cowan.

William and Edward McLaughlin, Kingston, Kingston, were the guests of Mr. and Mrs. Bert Child over the holiday.

Mrs. S. Bates, Brock street, has returned from an extended visit with her mother in Kitchener.

Congratulations are very much in order to Miss Mary Jeroy of the Hotel Dieu staff who will be among the graduates at the exercises on the 3rd of June, and who will receive the medal for general proficiency and also the prize offered by Dr. Charles E. O'Connor, eye, ear, nose and throat specialist.

Mr. and Mrs. George Gibson and little Ann spent the week-end in Brockville with the former's mother and brother, Dr. W. Gibson.

All the kiddies of the public school had the novel sensation of a thrill in going to school after the holiday; but like most unusual things of this order "there's a reason"—it was their first day in the new Linklater school. In the afternoon parents and friends were invited to go and inspect the school, and last evening the formal opening was held.

Mrs. Trieste, New York City, who has been spending the past week here with her father, Dr. Macdonald, Whak Bonnie, leaves to-day for Brockville where she will be the guest of Mrs. Thomas Brough.

Wally Jones spent the holiday at his home in Toronto.

On Tuesday last, at Syracuse, N.Y., occurred the marriage of James Stanley Webber and Miss Clara Belle Marlowe, Watertown, N.Y. The young couple were former residents of Cape Vincent.

Aaron Sweet, M.P.P., is offering another silver cup for competition among the cheesemakers of Dundas county.
