START TENNIS CLUB UP AT WELLINGTON

With a Good Executive—Little Girl is Run Over by Auto.

Wellington, May 25.—The Wellington Tennis Club has been organized for the season. The following officers were elected at a meeting at the home of Everett Hubbs: President, E. L. Hubbs; vice-president, Stanley Howarth; secretary, Grace Sanders; executive, Mr. Cleminson, B. Wiltsie, W. King, Lena Hendry, Miss Stinson and Miss Pearce. Mr. McNeill was hired as caretaker of the courts.

The Canada Girls in Training of the United Church, on Friday evening, entertained girls from the Friends and Anglican churches at their regular meeting. Miss Florence Nash conducted the business period and Miss Helen Green led in a worship service based on "Wanted, a Girl." This was followed by an address by Mrs. M. E. Lowe, the Women's Institute speaker, on "Wanted, a Girl." This was listened to with much interest by the girls. A light lunch was served and a sing-song enjoyed at the close of the meeting. Alexander Ward, who was drawing gravel for the roads, had his left foot badly injured last week, owing to an iron bar falling on it. W. G. Collier, storekeeper, has been ill during the past three or four weeks and is still in a weak condition. David Bryant, from Frankford, visited Mr. and Mrs. Wallace Garratt over the week-end. The Conservative Friends have re-opened the meeting for worship, which is now held on Sunday at 10 a.m. On Sunday morning Mr. and Mrs. John Free and three sons from Frankford were

present, then afterwards had lunch at Wallace Garratt's.

Mrs. E. A. Titus has been ill but is somewhat better. Her sister, Miss Ella Terry, is nursing her. Cleveland Blakely, who has been in Toronto for some time, is now working his farm at Gilead. Dr. O. A. Bradley, dentist, now has his office over McKinnon's machine shop. He also goes to Concession every Friday, where he has an office at Eaton's furniture store. Miss Mary McNeill has graduated from the Ontario Business College, Belleville.

Miss Della Philipps went to Toronto to visit her brother and family; she will go with them on a motor trip to Detroit. Mr. and Mrs. N. S. Harrington visited at Toronto. Miss Margaret Wooten, B.A., Napanee Collegiate, was a recent visitor at the home of Mr. and Mrs. R. A. Fanning. Dr. McCulloch has had his barn renovated.

Wellington storekeepers have arranged to have a holiday on Wednesday afternoons during the months of June, July, August and September. Mr. and Mrs. Jonathan Hutchins went to Detroit to see the graduation of their daughter, Lillian, who has been nurse-in-training at Grace Hospital. They returned home on Wednesday. There was lots of work being done near the corner, at East Wellington, on Friday. Oliver Calman, J. U. Warden and Gordon Baird were doing cement work at Mrs. Boster's house occupied by William Wood.

Howard Arkett, Abe Brant and James Dewetta were decorating and plastering at J. Wild's home. William Fox and David Lambert were fixing Mrs. Vandervoort's barn. Two of Fitzgerald's men, Messrs. Platt and Jackson, were at Mills Emma Wilder's putting a new ceiling on the sitting-room. Then there were the busy fishermen and about twenty workmen are employed at the brick plant.

Dr. and Mrs. McCulloch started on a motor trip to Western Ontario, Mrs. M. E. Lowe, who addressed the Women's Institute and C.G.I.T. last week, was the guest of Mrs. Broad over the week-end. Mr. and Mrs. John Shepherd and sons, John and Harold, spent Victoria Day at Belleville, visiting Mr. and Mrs. Garfield Shepherd.

Word reached Wellington on Tuesday morning that Barbara Shepherd, the five-year-old daughter of Mr. and Mrs. Garfield Shepherd, was run over by an auto on Monday night, and was taken to the Belleville Hospital.

Mr. Ewart Jones, Picton, was soloist at the Wellington United Church on Sunday evening. Mrs. David Vandervoort spent the week-end at Mr. and Mrs. David Lambert's at Picton.

SO NOW BILLY CAN KEEP HIM
Billy Warhurst, two, of Alameda, Calif., found a stray dog on the street. He named him "Sport" and took him home, but his parents didn't know whether they'd let him stay. But that night the house caught fire and "Sport's" barking saved nine lives. So Billy can keep him.

Good management always has concern for the needs of tomorrow. The key to success doesn't look anything like a night key.
