NAPANEE

Napanee, May 29.—Miss Diana Miller entertained on Tuesday last at a bridge and tea in honor of Miss Buelah Spencer, whose marriage is to take place early in June. The hostess wore navy blue chiffon, and the bride-to-be was charmingly gowned in flowered chiffon over pink, with grey hat and grey shoes and stockings. Miss Isabel Benjamin was also a guest of honor, and was smartly gowned in a knitted suit of pale peach shade. Only a few intimate friends were present, and at five o'clock tea was served in the dining-room at a beautifully arranged table done in mauve and pink, with a profusion of violets and narcissi. A large wedding cake ornamented the centre of the table, and when Miss Spencer was asked to cut the cake, she discovered a number of lovely gifts concealed in it. Miss Benjamin was also presented with a guest prize.

GANANOQUE

Gananoque, May 29.—Mrs. Lawrence Martin and children, Ottawa, arrived here yesterday to take up residence. They will occupy the stone house on Stone street owned and being re-built by W. G. Rogers. C. S. McKenzie and F. V. Shiner, who have been in Chatham and other western points for the past week, are expected home to-day.

A very happy event will occur Monday, the 31st, when Mr. and Mrs. Nelson Webster, Tilley, celebrate their golden wedding. A very remarkable and unusual feature of the event is the fact that of the twelve children who have blessed this union all are living, and none is living a greater distance than about thirty miles of the homestead. There are nine girls and three boys. In the afternoon it has been arranged to hold a reception for all their friends, but the evening will be for the family only.

Used Them For Swollen Feet and Legs

Novia Scotia Man Praised Dodd's Kidney Pills. Mr. J. Flinn Also Had Rheumatism But Was Relieved After a Short Course of Dodd's Kidney Pills. Halifax, N. S., May 28 (Special).—That dropsy and rheumatism are caused by weak kidneys and that the right way to treat them is to use Dodd's Kidney Pills, is again shown by the experience of Mr. J. Flinn who resides at 1 Seed Street. He states: "I suffered with swollen feet and legs also rheumatism. Dodd's Kidney Pills relieved me of these troubles. I took about three boxes and have felt no pain since, neither do my limbs swell any more. I feel fine. I would not be without Dodd's Kidney Pills and advise anyone suffering from the same complaint to use them."

Mr. Flinn's ailments were caused by weak kidneys failing to do their work of straining the impurities out of the blood. With pure blood there is good health all over the body. Dodd's Kidney Pills have restored sound health to thousands of troubled women and men. Give them a trial at once.

DEBATE ON CHOOSING

(Continued from Page 1.) The session adjourned before a vote was taken.

Cataract Fund. The first business taken up at the Friday afternoon session was the report of the contingent fund presented by Rev. W. R. Archer. He said that this fund was in connection with the former Methodist church and that there was a deficit of \$1,500. He moved that the Conference expense fund take care of the deficit. Later Rev. Mr. Archer amended his motion to ask the Conference expense fund committee to make a recommendation on the matter.

Rev. D. A. Cowan, of Belleville, said he didn't think it would be fair to have it paid out of the conference expense fund as in that case many former Presbyterians would be helping to pay a debt which they did not incur and also that the Conference expense fund had made no provision to take care of the amount. Rev. Mr. Archer's amended motion carried.

Civic Welcome. Mayor Angrove then extended to the delegates to Conference the welcome of the city of Kingston and he congratulated Rev. G. A. Brown on the honor done him in electing him to the presidency. The mayor also said he wished to welcome Rev. Mr. Cliff to the city if he accepted the call to Cooke's church, which had been extended to him.

Memorials Presented. The report of the committee on memorials was presented by the secretary, Rev. S. E. Dixon. The memorials of importance were as follows: Kingston Presbytery—That a catechism be prepared so that there would be some short form of the fundamental doctrine of the United Church for use in instructing the young.

Belleville Presbytery—That this year in this conference all changes in pastoral relationships should be as from July 1st and that the charges be responsible for the minister's salary up to that date unless some other mutually agreeable arrangement was arrived at between the pastor and the charge concerned. Belleville Presbytery—That April 30th be the end of the fiscal year rather than March 31st as at present. The committee on memorials did not recommend this.

Renfrew Presbytery—That in view of the movement to have Renfrew Presbytery transferred from the Bay of Quinte Conference to the Ottawa and Montreal Conference that the General Council be asked that no action be taken for at least two years. Belleville Presbytery—That the Bay of Quinte Conference be enlarged to take in the present Ottawa and Montreal Conference.

During the afternoon, Miss K. Morton, Evangelist, Principal Baker, of Albert College, Belleville; Rev. F. H. Howard, of the Ontario Ladies College, Whitby, and Rev. G. I. Campbell of the Evangelistic and Social Service department of the church, and Rev. A. I. Terryberry, of the Lord's Day Alliance, addressed the conference briefly on their work.

Memorial Service. At four o'clock business was suspended for a while a memorial service was conducted for former members of the conference who had died during the year. The names of the men in whose remembrance the service was held were: J. Foster Hlekon, Whitevale; John W. Baird, Port Hope; W. H. Dafeo, Chatham; J. B. Saunders, Brockville; John Bedford, Fenelon Falls; William Pimlott, Guyon, Que.; Simon Crookshanks, Peterboro; Samuel G. Rorke, Brantford, and John C. Wilson, Toronto. Rev. G. A. Brown, president of Conference, conducted the service and Rev. Alfred Brown presented a short obituary of each of the deceased ministers.

Evening Session.

"Where we had one bootlegger under prohibition we have dozens under Government Control," declared Rev. W. W. Peck, Educational Secretary of the Prohibition Federation of Canada, speaking of conditions in the province of British Columbia, before the Bay of Quinte Conference in Sydenham street church on Friday evening.

"I have just received a copy of the Vancouver Province which tells of the arrest in the city of Vancouver last Saturday of 25 bootleggers," he continued. "A member of the liquor commission of British Columbia declared under oath that to the best of his knowledge there were over 700 bootleggers in the city of Vancouver."

Rev. Mr. Peck stated that Attorney-General Craig of Manitoba addressing a conference of the United Church in Winnipeg, recently, admitted that conditions were much worse in Manitoba under Government control than they had been under prohibition and the Attorney-General ascribed this to the fact that under Government control the boot-
