JUNIOR TEAMS CLASH TO-DAY

Victorias and Circle-Six Meet in Third Game of Junior O.B.A.A. Series.

This evening at the Cricket Field the Victorias and Circle Six meet for the third time and that there will be a 11 baseball for those fans who turn out for this game goes without saying.

score on Mat Coyne's ball tossers. This evening's result is an unknown quantity just as much as though the teams were meeting for the first time.

Hewitt Smith and "Yummy" Jamieson will be the opposing pitchers to-day and right here alone is a twenty-five cents worth and then some.

SPORTING NOTES AND COMMENT

Don't miss to-day's junior game at the Cricket Field at 6.15 sharp. It will be well worth seeing.

To-morrow's fracas between the Nationals and the Kingston team will be a real senior engagement of merit. The stands will be crowded if the weather is at all fine for baseball.

Wagers are already being laid on the result of the Supremes vs. Treasures softball game to be played on the 11th of this month.

The Petes don't seem to be making very much progress this season against Belleville or Kingston. "Josh" Craig puts it down as lack of punch when hits are needed.

An Eastern Canada Basketball Association has been formed to govern basketball in Eastern Ontario, Quebec and the Maritimes.

The splendid victory of the Varsity lacrosse team over the Yale team last Saturday has been much commented upon. Yale is reputed to go in strong for this particular sport and the fact that Varsity defeated such a squad, playing under different arrangements and without substitute players, speaks volumes for what the Blue and White accomplished.

Quinte City Outfit Bent on Taking Daley's Crew into Camp To-morrow.

Walter Garow's Belleville sluggers will parade into the stadium tomorrow evening to hook up with Joe Daley's million-dollar outfit and from the time they start away on their nine innings battle till the last man is out, the fans are due to see some real honest-to-goodness baseball.

That 4-3 battle up in Belleville on the 24th, was a sizzling affair and the Quinte City is talking about it yet. Up Belleville way it's hard to make them believe that Kingston is a better team than their own outfit and they expect to see their favorites a little higher up in the world after Wednesday's game.

Van Young had great success against the Nationals in Belleville on the holiday and it would not be a surprise if Manager Daley sent him back into the lineup again tomorrow evening, although it might be the logical plan to try Cairns out against them. However, no matter which boy does the twirling, there will be real baseball all the time.

The game will start at six o'clock sharp and if the weather is half-way decent, there will be a big crowd out. The first game here went flat as far as attendance goes, because of the dull dreary weather and because it was played on a Saturday afternoon but tomorrow will be the first real opener and every fan will be

Pete is under the management of Paddy Mullins, who also looks after Harry Willis' interests. He's a great favorite throughout Pennsylvania where he's affectionately referred to as "Pete, the miner boy." From now on, however, his admirers are certain to call him, "Pete, the champion." And why shouldn't they?

Re-enact Any Music

The new Orthophonic Victrola has been doing it since December 2nd.

The music of great orchestras, of famous artists, of that almost endless and ever growing host of Victor entertainers keeps its true beauty when heard upon the Orthophonic Victrola.

You hear the giant anger of the storming kettledrums, the amorous cooing of the clarinets, the soft and sunny laughter of the piccolo. You close your eyes and wonder where will wonder cease. Your first query will be, "How soon can I have one?"

A demonstration is a remarkable experience. So truthful is this performance that at first you will disbelieve your ears—until you have become accustomed to the miracle.

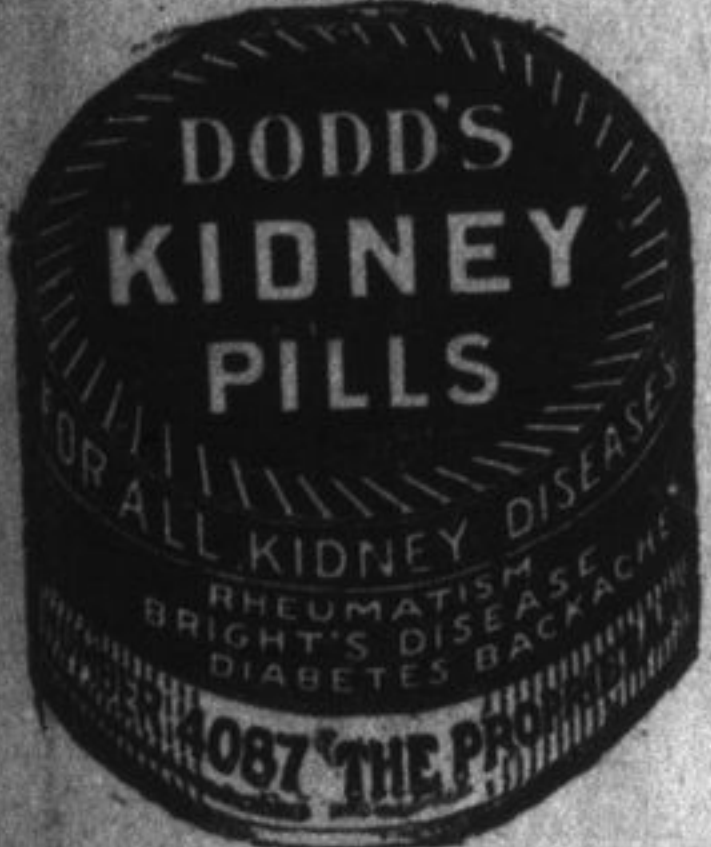

Any "His Master's Voice" dealer will do his best to give you delivery as early as the present supply permits him.
