GANANOQUE COUNCIL DOES MUCH BUSINESS

Los Angeles Lady Discovers Cousin—Road Not to Be Closed to Traffic.

Gananoque, June 2.—Tuesday night was a busy and interesting one for the Council, when many important matters were disposed of. The tax collector received instructions to clean up all arrears of taxes. Owners of property who are enjoying the privileges and opportunity of water-works will be notified by the chief of police to have all out-buildings on their property removed within fourteen days from 30th June. The sum of \$100 was voted to put the Tourist Park at foot of William Street in better sanitary condition. When this has been done the Canadian Club will take over the Park, pay caretaker to look after same and keep the grounds in good condition, this with the idea of trying to make things as comfortable as possible for tourists passing through, and having them leave the town with a favorable impression and a desire to come our way again. Means will be provided also for them to register. A by-law was passed by which a tax of \$100 will be required of peddlars and non-residents offering foreign fruits for sale in Gananoque.

Some little time ago Mayor Wilson was approached by the Ladies' Auxiliary who asked that a base be built around the Soldiers monument in the Park. The park trustees were consulted, and while they approved the idea, there was no money available for the work. The mayor took it up with the Standard Paving Company, with the result that they will build gratis a very substantial and attractive base with steps leading up from the east and west sides. A plan has been submitted to and approved by the park trustees.

The contractors for the road being repaired west of Gananoque has assured the mayor that the road will not be closed to traffic while under construction, provided the motorists obey instructions later and drive very carefully over the road while this work is going on.

The question of what was going to be done in regard to paving road east and west of the town up before the council, and a public meeting will be called by the mayor for next Monday night in the town hall. All ratepayers are expected to attend this meeting and discuss the matter with the Council.

An interesting visitor to our town last Tuesday was Miss Harriet C. Read of Los Angeles, Calif., who stopped off here with the idea of making enquiry in regard to citizens who might by chance have known her father, William Starr Reid, who was born here eighty years ago and left here when ten years of age. Mr. Reid died twenty-five years ago. Miss Read who was a guest at the Provincial, told her mission to the genial proprietor, W. C. McCarty, who immediately got in touch with Mayor Wilson, and pretty soon as can easily be guessed the Mayor followed up a clue which proved to be a happy one and united Miss Read with a cousin in the person of Mr. E. P. Wright, who remembered Miss Read's father. Miss Read remained in Gananoque until yesterday noon, and was the guest of Mr. and Mrs. E. P. Wright while here. Needless to say she was more than delighted with the result of her quest, and left Gananoque feeling that the native town of her father had given her a royal reception.

Next Saturday 50 tourists, including Kiwanis members and their wives, from Los Angeles, Calif., will stop off here on their way to Montreal to attend a convention there. They will reach here shortly after noon, in their special coach, spend a couple of hours on the river and then have dinner at Blinckbonnie. Some Canadian Club members and their wives will join the party at dinner at Blinckbonnie.

Mrs. R. E. Lewis and daughter Joy are guests at the rectory, Merrickville, and will be present at the Anderson-Hall wedding.

Miss Taft, Kingston, organist of Grace Church, will be in Gananoque permanently after June 5th.

Among those who attended the graduation exercises at Hotel Dieu hospital last evening were: Mayor and Mrs. Wilson, Mr. and Mrs. Frank O'Connor, Mr. and Mrs. Allan Jerry and family, Fred Mooney and his mother, Mrs. John Phillips, Mr. and Mrs. Frank Littlejohn and family, Miss Mary Bolger, Miss Mary Jerry, Gananoque, and Miss Mildred Norris, Howe Island, were among the graduates who held special interest for Gananoqueans.

Jerry Hughes is critically ill with pneumonia.

Dr. Bogart, Kingston, was in Gananoque yesterday afternoon.

An eighteen hole medal play handicap match is scheduled at the Golf Club links to-day for the T. Chambers Reid trophy, and promises

Easy to Gain With Yeast and Iron

New Combination of Yeast with Vegetable Iron Quick Way to Build Up Weight

This new combination of yeast, iron, and vitamins with vegetable iron, renews the action of sluggish blood cells, drives out dangerous body poisons, increases energy, and endures and supplies the system with the vitamins that build up weight.

For years yeast has been known as a rich vitamin food, but not until you are underweight, do not enjoy good health, lacking in energy and force, "ironized yeast" tablets will pick you right up, and if they fail, you get your money back.

Sold by James B. McDonald and all good druggists at \$1.00 for a large 60-tablet package or sent direct from laboratory on receipt of price. Ironized Yeast Co., Fort Erie, Ontario, Canada.

to be keenly contested if the weather is favorable

A LANSDOWNE COUPLE WEDDED FIFTY YEARS

Mr. and Mrs. Nelson Webster Celebrate Occasion and are Warmly Remembered.

Lansdowne, June 2.—On Monday, May 31st, there took place one of those rare and pleasing events that is always a pleasure to record, when Mr. and Mrs. Nelson Webster celebrated their golden wedding anniversary. There is no couple in the community more widely known and esteemed. Mr. Webster has always taken a keen interest in public affairs and has held many public positions. They were at home to their friends from 2 p.m. to 5 p.m., when they had a constant stream of visitors. In the evening their sons and daughters, with their families, gathered around them; three sons and nine daughters with twenty-seven grandchildren, excepting Mrs. George Bryan, whose home most unfortunately was under quarantine. All these children reside within a few miles of the old home and are comfortably settled and prosperous. The mother was presented with a beautiful gold-lined tea service, and the father with a gold clock, while flowers, gold coins and remembrances from friends were very numerous. During the afternoon, the township council (Mr. Webster being an ex-revee) visited them, and the Lansdowne orchestra serenaded them in the evening. Very few in this world of sorrow and trouble are privileged to have such a gathering of their own on their fiftieth wedding anniversary and it is the earnest wish of everyone that they may enjoy many more years of health and contentment.

The past week has been an anxious one for many people here, as during that time the following persons have been taken to hospital: To the Kingston General Hospital—Mrs. George E. McKay, Mrs. S. C. E. Diven, Mrs. Lawrence Laffner, Mr. George Laffner, John Smith, Samuel Copsland; to the Brockville General Hospital—Mrs. Robert Corbett.

Clayton Anderson, Wilstead, who underwent an operation in Toronto a short time ago, passed away on Friday last. The remains were taken to his former home at Cherry Valley, near Picton.

The other patients in hospitals are reported to be doing well. Charles McNeil, a well-known farmer, suffered a stroke on Monday and is in a serious condition. Miss Smith, Harrowsmith, is again engaged at Sheppard's garage. Ford Warren, Montreal, is home for his holidays. Mr. A. Lawson, of Ottawa, motored here on Saturday and was accompanied home on Monday by Mr. W. Senn.

The Lansdowne monthly meeting of the St. Matthew's church, Warburton, branch of the Women's Auxiliary, was held on Thursday evening at the home of Mrs. Wesley Warren, Rockford. The president, Mrs. R. J. Steacy, presided. Nearly all the members and several visitors were present. The diocese secretary, Mrs. Gordon Summers, reported having sent a bale of useful clothing from the branch to the Shingwauk Home, diocese of Algoma. Mrs. M. W. Steacy gave an interesting report of the annual diocese recently held in Brockville. Everyone was pleased to hear that their president, Mrs. R. J. Steacy, had become a life member in the W.A. The pastor, Rev. Cecil Winter, spoke some encouraging words to the members. Refreshments were served at the close of a profitable meeting.

JUNE WEDDINGS AT NAPANEE AND YARKER

The Little-Spencer and the Ross-Benjamin Nuptials on Wednesday.

Napanee, June 2.—A wedding of much interest to Napaneeans was solemnized on Wednesday morning at eleven o'clock at Lorne Terrace, the home of the bride's parents, Mr. and Mrs. C. H. Spencer, Napanee, when their youngest daughter, Buelah, became the bride of Mr. William Little, son of Mrs. J. and the late W. H. Little of Toronto, in the presence of only the immediate friends of the family. Rev. W. R. Tanton performed the wedding ceremony. The house was tastefully decorated with white lilies and lily-of-the-valley.

The bride, who was given away by her father, was unattended, and wore a gown of silver lace over orchid georgette, with hat to match, and carried a bouquet of lily-of-the-valleys and sweet-heart roses. Mrs. Perla Webb, sister of the bride, played the wedding march. After a dainty wedding breakfast Mr. and Mrs. Little left on the 12.30 train for Atlantic City and New York, the bride travelling in a dress of oyster and black satin, with black corded silk coat with caracal trimming. On their return from their honeymoon they will make their home at Pine-wood avenue, Toronto.

Mr. A. F. Stillman, superintendent of the Canadian National Express Company, of Belleville, was in town on business on Wednesday. Miss "Billy" Smith, star pitcher of the Sunnyside girls' softball league of Toronto, is slated to pitch for the Nationals against Napanee on Thursday evening.

Miss Annie Miller, another star player of the Toronto league, who has played on three Dominion championship teams, will also appear on the lineup against Napanee on Thursday evening.

The Standard Paving Company arrived in town yesterday with their equipment, and will start repairing the block on Main street, which did not come up to standard specification.

Miss Helen Benn, of the Robinson Company staff, left on Monday for Rochester, N.Y., where she has secured a position.

Miss Clara Deschamps left this week for Rochester, N.Y.

Mr. Repp, who has been spending the past week with his parents, Mr. and Mrs. Mel Taylor, returned to her home in New York City.

The half-holiday for the season started on Wednesday afternoon, and many motored to Kingston for the ball game between Belleville and Kingston, while others spent the day fishing at Beaver Lake and others patronized the opening dance at the Beaver Lake pavilion.

The high wind on Wednesday afternoon broke a large limb one of the trees on the lawn at the Canadian National station. Some electric wires were broken and the Hydro men were called out to repair the damage.

Ross-Benjamin Wedding.  
An event of social interest and importance was the wedding which took place this afternoon at 2.30 o'clock in St. Anthony's Church, Yarker, when two very popular young people were united in matrimony. The contracting parties were Miss Frances Isabel youngest daughter of Mr. Albert Benjamin, Yarker, and Henry Taylor Ross, Junior, son of Mr. and Mrs. Henry T. Ross, Toronto. The officiating clergyman was the Rev. Robert W. Spencer, rector of the parish of Camden.

The bride was given in marriage by her brother-in-law, Mr. B. S. Connolly, of Montreal. She looked charming in a handsome French frock of white chiffon, with rose point veil which was arranged with

A Pimply Face is Unsightly

Miss C. C. M. Smart, South Battleford, Sask., writes:—A while ago I was troubled with facial blemishes, especially pimples, and was really ashamed to go out with such a bad looking face.

I tried 2 or 3 different remedies, but they didn't help me any, so one day a friend, who had been troubled the same as I was, advised me to use

After I had taken two bottles there wasn't a pimple of any kind left on my face, and I now have a clear, smooth and velvety complexion.  
Put up only by The T. Milburn Co., Limited, Toronto, Ont.

The practice of skilled optometry calls for precise accuracy—our equipment, care, experience assures it.
