AMUSEMENTS

What the Press Agents Say About Coming Attractions

"OH! WHAT A NURSE."

In "Oh! What a Nurse!" Chaplin outshines his recent success in "The Man on the Box" and securely substantiates himself as the greatest female impersonator that stage or screen has ever known.

Beginning as a young news reporter on a San Francisco daily, Jerry (Syd Chaplin) is assigned to fill the place of Dolly Whipple of the "Advice to the Lovelorn" column, during her vacation. This assignment involves him in a wealth of highly humorous and unusually unenviable situations, drags him through the back door into politics and high bootleg finance.

As locale, "Oh! What a Nurse!" has a typical newspaper office, a "Gold Coast" mansion, a fast speedboat, a rum-running schooner beyond the twelve-mile limit and a bay ferryboat. Frolicking among this scenery we find Mr. Chaplin in three roles as Jerry, Dolly Whipple and the Nurse, Patsy Ruth Miller as June Harrison, Gayne Whitman, Mathew Betz, Edith York, Dave Torrance, Ed Kennedy, Eric Johnson, Raymond Wells and Henry Barrows. The pictures will be presented again to-day and Saturday at the Capitol Theatre.

Bishop-Elect of Ontario.

The Montreal Gazette says: Rev. C. A. Seager, M.A., D.D., Provost of Trinity College, Toronto, elected to the See of Ontario, has won for himself an enviable reputation as a theologian, both in parochial and academic work; a man of moderate views, yet of strong convictions and of proven force of character. The qualities revealed in his direction of college affairs, coupled with the practical work of the church, should amply fit him for success in the administration of the diocese to which he has been called.

THE WOLFE ISLANDER LEAVES THE DRY DOCK

Has Been Thoroughly Overhauled and Will Be on Route Saturday.

The steamer Wolfe Islander will leave the Davis dry dock this evening after having been in dock for about three weeks, receiving extensive repairs. About fifty new plates were placed on the steamer, new cheating was made over the planking and the hull was thoroughly re-caulked, and put in perfect condition.

The people residing on the island will be very much pleased over the fact that the Wolfe Islander will be able to resume her trips on Saturday, as during the time the steamer was in dock they were forced to make their trips to the city in gasoline launches, except on Saturday, when steamer Brookville took over the route. The traffic from Wolfe Island will be much heavier now with the steamer making the daily trips.

Blaze in a Barn.

The fireman received a call Thursday night to a blaze in a barn at the rear of 614 Princess street and soon extinguished the fire with little damage. Some children had been playing in the barn and started the fire by being careless with matches. The barn was owned by E. Luckin and the house adjoining was unoccupied. It was close to the rear of St. Luke's Church and if the fire had not been checked in time, the blaze would likely have spread to the church.

Failed to Appear.

Ottawa, June 4.—T. O. Chapman, C. R. Jenkins, C. J. Marois, A. G. Moore, and A. J. Bissonnette, five Rock Island merchants, whose names were called when the customs probe was resumed to-day, failed to answer. They will be served with summonses by the Royal Mounted Police.

C.L.C. MAKE CHALLENGE.

A baseball team has been formed at the Canadian Locomotive Works and they are issuing a challenge to any team in the Mercantile League for a game "anywhere, anytime, anywhere." The C. L. C. is reported to be harboring some real good players and they are anxious to take on a team for an exhibition game. This is a good opportunity for some Mercantile League team to stack up against some new stuff and the challenge will likely be accepted without delay. Any team wishing to accept the challenge should inform the sporting editor of the British Whig and the acceptance will be given into the hand of the C. L. C. "baseball magnates."
