Summer Comfort in Winter in the Nursery
WINTER comfort is necessary to the health of growing children. Over-clad kiddies in chilly, drafty homes are subject to colds, and other childish ills.
 You get the comfort and healthfulness of the right kind of heat from McClary's Sunshine Furnace because the warm air is humidified in the furnace before it ascends to the rooms.
 Correctly installed by McClary's accredited dealer in your district the Sunshine Furnace is guaranteed to deliver heat uniformly to every room in your home, under all conditions at all times.
 The Sunshine Furnace by the simple operation of the drafts, without any structural alterations, burns hard or soft coal equally well and because it is an all Cast Iron Construction coils can be burned either alone or mixed with coal, without danger of cracking or burning out the furnace.
 Write your nearest McClary's Branch for free booklet: "Winter Comfort in Canadian Homes," that will give you much interesting information about heating, fuel and the proper installation of furnaces so necessary in solving the problem of comfort in winter.
 The patented Air Blast Ring in McClary's Sunshine Furnace mixes pre-heated air with the gases and volatiles (soot) in soft coal causing intense combustion with an intensely hot flame the heat of which is immediately felt in the rooms above.

Luckily They Didn't.
 Cobourg, June 16.—An unusual feat is reported from Rowden township, where an Ayshire cow, owned by a well-known farmer, recently gave birth to twin calves, attached to each other, but with their heads in opposition directions. The animals were born dead, but had they lived, they would have had their disadvantages. If both could not have headed the same way at once.

A POINT ANNE LADY FOUND DEAD IN BED

Mrs. Dennis Callaghan Formerly of Deseronto—Home and School Association.
 Deseronto, June 16.—Mrs. Dennis Callaghan, Point Anne, formerly a resident of Deseronto, was found dead in bed yesterday morning, having expired from an attack of heart failure. She was 64 years of age and is survived by her husband, two sons and six daughters. She was a member of the Roman Catholic Church. The meeting of the Home and School Association held on Friday, June 7th was very well attended. The routine business was gone through and the reports heard from the various committees. The four saw-saws have been repaired and four new balls and five bats purchased for the playgrounds, during the last month; these added to the other equipment together with the other athletic supplies afford plenty of pastime for the pupils. The reward of five dollars given to the room best represented by mothers, was won by room III the prize to provide a treat for the pupils.
 The association will give the prizes in each class to the pupils obtaining the highest marks in their examinations. The prizes will be awarded the winners as soon after the results are known.
