W. P. HUGHES ISSUES AN APPEAL TO SCHOOL BOY ATHLETES TO ENTER THE FALL TRIALS

Has Been Busy on Visits Through the District Organizing in the Schools—Boys Who Enter Will be Given Every Help—Summer Training for the Events Advocated by Ontario Athletic Commission Organizer.

W. P. Hughes, organizer for the Ontario Athletic Commission, who has been busy travelling throughout the district allotted to him, organizing the school boys for the Ontario Athletic Commission final meet to be held in Toronto in October, has issued an appeal for an active interest on the part of the school boys in the athletic campaign and urges that boys in the schools co-operate with the Commission in making this year's final meet at Toronto something well worth while.

While the meet at Toronto in which the championships are held is important, that is not the main idea that Mr. Hughes or the Commission have in mind. The athletic development of the school boys is the main object of these meets and Mr. Hughes is more than pleased with the response being shown in the different schools by the teachers and the boys in taking up training work and laying plans for an active preparative programme throughout the summer months with the final meet in October as the objective.

Mr. Hughes wishes it understood that the boys are assured of two things. They will have definite coaching from Mr. Walter Knox and himself, who will visit the different places during the summer and will give instructions to the boys who will take part in the October meet. There will also be plenty of opportunity for practice during the summer months so that the boys will be in good shape for the meet when the time comes for it. Owing to the fact that the meet is held so soon after the schools re-open in the Fall, there would be no chance to begin training then and be in any kind of shape for the meet and therefore, it is im-

perative that the boys should take up training seriously during the summer months and practise for the meets. One meet will be held in Kingston for the St. Lawrence district on Saturday, September 18th, and another in Ottawa on September 25th for the Ottawa Valley boys. The St. Lawrence district includes from Trenton east to Brockville and surrounding towns and all towns south of Perth. The Ottawa Valley includes from Ottawa northwest to Pembroke, south to Perth, Smith's Falls and Prescott, east to Cornwall and surrounding towns.

Mr. Hughes has already visited Trenton, Frankford, Stirling, Mar-mora, Deloro, Madoc, Tweed, Belleville, Deseronto, Napanee, Picton, Gananoque, Bloomfield, Lansdowne, Mallorytown, Brockville, Prescott, Cardinal, Iroquois, Morrisburg, Winchester, Belleville, Kemptonville, Spencerville, Cornwall, Hawkesbury, Vankeek Hill, Alexandria, Maxville, Avonmore, Finch, Chesterville, Smith's Falls, Perth, Carleton Place and Ottawa. He also visited the Collegiate Institute and Regiopolis College here yesterday afternoon in addition to several of the lower schools and is much pleased with the enthusiasm for co-operation being shown.

Mr. Hughes urges the boys to interest themselves in this work and if at least take part in the district meets at Ottawa or Kingston, to give their names to the principals of the schools, who will forward them to Mr. Hughes and he will get in touch with them during the summer months. There are different classes for different ages of boys and the competition therefore will be even all the way through.

LARGE FRAME BARN BURNED AT NAPANEE

John Street to be Paved—Late John P. Nolan, Aged Eighty-Seven.

Napanee, June 16—On Monday evening about nine o'clock fire completely destroyed a large frame barn belonging to Captain Ward, South Napanee. The fire alarm was sent in and responded to by the fire brigade, but as there is no water in South Napanee the firemen could do nothing but watch the flames lick up the buildings. The fire had gained great headway before it was discovered. On account of the wet night, the fire did not spread to other buildings.

At a special meeting of the town council on Monday evening the streets committee reported recommending that John street be paved. The report was adopted and the necessary by-law ordered prepared for next regular meeting of the council.

The death occurred on Friday evening of John P. Nolan an aged and well-known resident of Napanee, in his eighty-seventh year. Deceased had been in failing health for some time. The funeral was held on Sunday afternoon at St. Patrick's church where a solemn Mass was sung by the Rev. Father O'Connor. The church was filled for the service. Besides his widow he leaves one son Patrick of Hull, Que., and two daughters, Misses Mary and Margaret of Napanee.

Another old resident of Richmond township passed away on Sunday, June 13th, in the person of J. Bush, aged eighty-four years eight months and fifteen days. Deceased leaves a grown up family, Mrs. Earl Deline of Napanee is a daughter, and George Bush of Concession is his youngest brother.

BENNY LEONARD GETTING READY FOR A COMEBACK

Atlantic City, N.J., June 16.—Benny Leonard went through a spirited workout here against Georges Carpentier, French lightweight, and persons who witnessed the session wondered when the retired undefeated world's lightweight champion would officially announce his return to the ring. It has been reported from various quarters recently that Benny is about to resume boxing.

Leonard came over from Philadelphia for the express purpose of sparring with Carpentier, an appointment having been made previously. Carpentier was preparing for his bout on Thursday night in Philadelphia's Municipal Stadium against Tommy Loughran. The unbeaten lightweight champion went through four, three-minute rounds, while Al Jolson held the watch.

"I'm surprised that a young fellow at your time of life and in your present wonderful condition would forsake the ring," said Carpentier. "You should return to boxing, which can give you more money than the stage."

"I'm thinking seriously of doing so," was Leonard's comment.

Jolson was so impressed with Carpentier that he figured the odds at 1 to 4 on him to knock out Loughran.

DEBATE ON OATMEAL

Formed an Interesting Debate at Drummond Centre Recently.

At a recent meeting at the Drummond Centre town hall of the Women's Institute. A very interesting debate was given by the pupils of O.S. No. 12, Drummond. Miss K. O'Hara is the teacher. Frances Armour, who is ten years of age, very ably upheld the affirmative side. Her sister, Margaret, who is eleven years of age, also took part. The debate was "Resolved, that oatmeal has done more for the Scotch than Blarney has done for the Irish."

The negative side was taken by Stella McGarry, age ten years of age, and her sister, Onagh, who is eleven years of age. The judges were Rev. Mrs. Macrae, of Balderson; Mrs. Andrew Sheridan, of Lanark, and Fred Martin, of Innisville. The decision was in favor of the negative, but it was a very closely contested debate.

how they're kept free from corns..

"You don't win any medals, in athletic meets or walking a beat, when a toe is torturing you," writes Matthew J. McGrath, Olympic weight and hammer thrower and New York police lieutenant.

To athletes and policemen who are wise never tolerate corns. They get rid of them.

There is no substitute for good old Blue-jay. For more than 25 years it has been removing corns to the count of millions yearly. For Blue-jay first of all relieves the cause of corns—its cool, cushiony pad ends the pressure and pain at once. Then the medication loosens and ends the corn. Usually one plaster is sufficient. But even an "old offender" will seldom withstand a second Blue-jay plaster.
