HONORED A LADY ON HER BIRTHDAY

Mrs. C. R. Allison, Adolphustown, Reached Her Eighty-ninth Anniversary.

Adolphustown, June 14.—A very pleasing event occurred at the home of Mrs. C. R. Allison, last Thursday afternoon, when the Ladies' Aid and a number of outside friends met there in honor of her eighty-ninth birthday. A very interesting programme was rendered and Mrs. Allison was presented with a beautiful bouquet of carnations by the Society. At the close a dainty lunch was served. A birthday cake bearing candles was placed in front of Mrs. Allison, and as the president called their name the guests each lighted a candle and made a birthday wish for their hostess. The candles were extinguished by Rev. H. Stainton. Mrs. Allison then cut the cake which was passed by her great-granddaughter, Miss Gene Duffet. In spite of Mrs. Allison's advanced age she retains a lively interest in everything going on, is in her pew at church each Sunday morning, and is still the cheery friend who has always been so much loved by all who know her.

MAGNESIA BEST FOR GASSY STOMACH

Bisurated Magnesia Promptly Ends Gas, Sourness and Acid Indigestion.

If everything you eat turns to gas and your stomach is a constant ferment of sourness and Acid Indigestion, try taking a little pure Bisurated Magnesia after meals for a while and get the immediate relief from stomach trouble this simple prescription unfailingly gives.

It is a serious mistake to seek relief from indigestion or a bad stomach by using pepsin or other artificial digestants. You get relief but weaken the stomach and do not reach the cause which, nine times in ten, is simply "too much acid" in the stomach. Bisurated Magnesia, taken after meals, dissolves or neutralizes this acid, sweetens and cleans up the stomach, drives out gas and bloating and lets the stomach digest your food as nature intended without a particle of trouble.

Reliable druggists everywhere supply the genuine Bisurated Magnesia in both powder and tablets, in sealed packages. Do not confuse with ordinary citrate, Milk or Lumpy magnesia. Be sure to get Bisurated, which is not a laxative and is especially prepared for stomach trouble.

DR. F. CAHOON DEAD

He Was a Physician at Bloomfield For Years.

Bloomfield, June 16—Dr. Frank Cahoon, physician for upwards of thirty years here, died in Picton hospital on Monday evening, following an operation for appendicitis on Friday. Dr. Cahoon was in his sixty-fourth year, a graduate of Toronto University in medicine, and enjoyed the confidence and esteem of the community in which he labored.

Dr. Cahoon was a member of the United Church, of the Masonic Order, Canadian Order of Foresters and a Conservative. He is survived by his wife and four children also a number of brothers and sisters.

The funeral was held on Wednesday from his late residence to the United Church; interment in Glenwood cemetery, Picton. The Masonic order officiated at the funeral.

DRAGOONS FOUGHT FIRE

Two Residences and Barn Burned at Peterboro.

Peterboro, June 17.—Two residences and a barn were destroyed and a horse was burned to death in a blaze which originated in the home of E. Lynch, McGill street, here last evening. A troop of the Prince of Wales Dragoons, in training camp near the scene of the conflagration, was overcome while fighting the flames. The Dragoons formed bucket brigades and assisted materially in confining the fire to the three buildings. No estimate of the damage was available last night.
