

BOARD OF EDUCATION REQUEST FOR GRANT

Referred to Civic Finance Committee—Legal Opinion Will Be Required.

At the meeting of the City Council, held on Wednesday night, the request from the Board of Education, for a grant of \$10,000 to carry on the work of alterations at Louise school, pending the sale of the old Rideau school, the money to be refunded to the council when the Rideau school is sold, was referred to the finance committee.

This matter will have to receive serious consideration and we will need legal opinion on it, remarked Mayor Angrove, as the request was sent on to the finance committee.

MARINE

The steamer Thunder Bay is in the harbor having her boilers washed. She will clear this evening.

The government steamer Concreta arrived in port from Prescott last night.

The schooner Hattie Hut arrived from Oswego with coal last night and is unloading.

The tug Revelle cleared for Montreal last night with two barges, loaded with grain, in tow.

Pilot records show following steamers passing Wednesday: Turret Cape, down at 12.30 p.m.; Stewart, up at 12.45 p.m.; Hart, down at 2.00 p.m.; Clement, up at 4.00 p.m.; Kenefick, up at 8.00 p.m. Thursday, Richards, down at 7.15 a.m.; Ram-macher, down at 7.20 a.m.

The steamer City of Kingston arrived here this morning for the presentation of flags.

School Teacher Resigns. Miss Thelma Dobson, of Uxbridge, teacher at Glenvale S.S. No. 16, has tendered her resignation, to take effect at the end of the present term, after three years of able service.

Miss Dobson has carried on splendid work at this school, and it is with sincere regret that the trustees part with her services. Miss Dobson had wonderful success at the school fair held at Cataract and also the Kingston fair.

OBITUARY

Nelrose W. Wright. Nelrose W. Wright, D.D.S., died at his home in Brushton, N.Y., on the morning of Wednesday, June 9th. He was born at Bath, Ont., and was well known in the nineties in Cataract and Glenvale. He attended the Collegiate Institute in Kingston, and the Dental Colleges at Toronto and Buffalo, N.Y. On his return from a sojourn of over a year in Florida, he succumbed to an illness of eight years' duration. He is survived by his wife and son, Maurice, by two brothers, E. W. Wright, M.D., of South Norwalk, Conn., and G. F. Wright, D.D.S., of Trenton, Ont., and Mrs. Ernest Cook of Cataract.

Mrs. Catherine Lawson. The death occurred in Kepler on June 16th, of Catherine Powley, widow of the late Joseph Lawson. Deceased was in her eighty-third year. She had resided at Kepler for many years and was well known throughout the entire district. The funeral will take place on Friday morning at 10.30 to Cataract cemetery.

TO WORK THE IRON.

Recalling the Operations Undertaken in Leeds County. At different times in different hands attempts have been made to operate the deposits of iron, iron pyrites, and lead which are contained in the rocks in Leeds county. It is not generally known that the first iron furnace set up in the province was erected about 1800 at Lyndhurst (then Furnace Falls) by a company composed of Ephraim Jones, Daniel Sherwood, Samuel Barlow and Wallace Sutherland. The ore, obtained in the township of Bastard, was of an inferior quality and after two years the enterprise was abandoned.

Greater success attended the development of a group of iron pyrites properties situated in the township of Elizabethtown not far from the town of Brockville. One of these deposits was opened before 1863 and was actively mined from 1863 to 1879, when work had to be abandoned on account of water and unsafe shafts. In 1869 a sulphuric acid plant was built near the property and this was operated, with more or less success, until 1884. Another property, known as the Sloan prospect, lies nearby and was developed by a Buffalo concern, while a third pyrite deposit, near Yonge Mills, was worked for some months, the ore being shipped on scows. In the township of Escott copper deposits were worked in the fifties, sixties and seventies. An English concern opened a plant at Long Point for the mining and treatment of lead, while the Chaffey iron mine in South-Croby and the Matthews iron mine in North-Croby were both at one time active shippers, the ore being conveyed by water to Cleveland and thence by rail to Pittsburgh.

Many of the rocks to be found in the county are of the same age as those of the Cobalt region of Northern Ontario with its now famous deposits of nickel, cobalt and silver. It is possible that if they were thoroughly investigated something of value might be discovered. The state of the market for some of the minerals concerned might justify greater attention being devoted to the rocks of Leeds than they have received.

And Still Another. If some person does not "spoil the beans," Kingston will get through with a record week in Police Court circles. For the fourth day this week there was no session of the Police Court on Thursday morning.

CAUGHT BIG SALMON AT SHARBOT LAKE

Two Cleveland Anglers Landed One That Weighed Twenty Pounds.

Sharbot Lake, June 17—Two American tourists, Mr. Neil Frerick and Mr. Russell Sanderson of Cleveland, Ohio, who are spending their vacation in "Villa Forze" one of R. F. Allens' cottages at Sharbot Lake, were successful after a battle lasting more than half an hour in landing the prize salmon of the season. The men were trolling using about one hundred and seventy-five feet of copper line and a bass-oreno, when one of the lines had a strike. Then the battle royal began, which was a test of skill and muscle, but at last after a struggle the big fellow was landed.

The salmon measured thirty-four inches in length and twenty-four inches in girth, weighed after being out of the water several hours twenty pounds. This is by far the largest salmon caught in Sharbot Lake for some years though salmon of ten or twelve pounds are common.

Needless to say Mr. Frerick and Mr. Sanderson were delighted with their catch and will have a fine story to tell when they return to Cleveland.

Learning to write shorthand is very easy. The difficult part is in learning to read it afterward.

ONE SURE WAY TO GOOD HEALTH

Is Keeping the Blood Rich and Red—Dr. Williams' Pink Pills Make Rich, Red Blood and Restore Health.

Thin, pale people lack the power of resistance to disease that rich, red blood gives. Nervous breakdown is the result of thin blood. So is anaemia, indigestion, rheumatism and many other troubles. People suffering from thin, impure blood need just the help Dr. Williams' Pink Pills can give. For more than a third of a century Dr. Williams' Pink Pills have been famous as a nerve restorer. Thousands upon thousands of letters from grateful people have proved the rare value of this medicine. The first effect of the pills is usually to stimulate the appetite; then the spirits revive and restlessness at night gives way to health-restoring sleep. For sufferers from anaemia, nervousness, general weakness, digestive troubles, rheumatism; or the after-effects of influenza or acute diseases, Dr. Williams' Pink Pills are a restorative of the utmost value. If you are weak or ailing give these pills a fair trial and the result is sure to be beneficial.

"Dr. Williams' Pink Pills have done wonders for me," writes Mrs. Russell Hill, Norwood, Ont. "I was run-down and could not eat or sleep and was very nervous. I was pale and would sometimes faint. I took a lot of doctor's medicine but it did not help me. It was a real trial to do any housework, or to go about, and I got so that I scarcely cared whether I lived or died. One day while reading a paper I saw an advertisement about Dr. Williams' Pink Pills. It described a case very much like my own and I decided to give the pills a trial. I had not been taking them long when I could feel a change for the better. I continued the pills until I had used eight boxes when I felt like a new woman. Every disagreeable symptom had vanished and I gained in weight, and a good color returned to my face. All this I owe to Dr. Williams' Pink Pills and I am now never without them in the house, and any time I feel out of sorts they are my first aid. I gladly bear this testimony in the hope that it will benefit some other sufferer."

Two useful books, "Building Up the Blood" and "What to Eat and How to Eat," will be sent free by The Dr. Williams' Medicine Co., Brockville, Ont., if you mention this paper.

Dr. Williams' Pink Pills are sold by all dealers in medicine or will be sent by mail, postpaid, on receipt of price, 50 cents per box.

Canadian Pacific City ticket office, 130 Wellington street, report the following arrivals of their steamships: Empress of Scotland, from Hamburg, Southampton, Cherbourg, due Quebec, June 19th. Empress of France, from Quebec, due Cherbourg and Southampton, June 16th, and Hamburg, June 18th. Montrose, from Liverpool, Belfast and Greenock, due Quebec, June 19th. Montclare, from Montreal, due Liverpool, June 18th. Empress of Australia, from Hong Kong, due Vancouver, June 30th. Empress of Canada, from Vancouver, due Hong Kong, June 28th. Empress of Russia, from Hong Kong and Yokohama, arrived Vancouver, June 14th. Empress of Asia, from Vancouver, due Hong Kong, June 21st.

National Council Offices, Vancouver, B.C., June 17—Officers of National Council of Women elected by acclamation are: President, Mrs. J. A. Wilson, Ottawa; corresponding secretary, Mrs. Horace Parsons, Toronto; recording secretary, Mrs. Charles H. Thorburn, Ottawa; treasurer, Mrs. S. C. Tweed, Waterloo.

WEDDINGS.

Kemp—Campbell.

St. James' Church was the scene of a very pretty wedding on Tuesday when Vera Campbell, eldest daughter of Mr. and Mrs. W. J. Campbell of this city, was united in marriage to Mr. Charles Wesley Kemp, only son of Mr. Charles Kemp, also of this city. The ceremony was performed by Rev. W. T. Savary. The newly-married couple left by motor for eastern points, taking with them the good wishes of their many friends in Kingston and district.

KINGSTON TEACHERS TO GO OVERSEAS

Miss McFarlane and Miss Walker Chosen Under the Exchange System.

Miss McFarlane and Miss Walker, of the Victoria school teaching staff, have been selected to make a trip overseas under the exchange of teachers system. Definite arrangements for the visit have not been completed, but it is expected that they will be completed in a short time. Two Glasgow teachers will come to Kingston under the exchange. The teachers cover the primary and first book work.

OFFICERS ELECTED.

By the Frontenac-Addington Conservative Association.

The officers of the Liberal-Conservative Association of Frontenac-Addington who were elected at the business meeting at the picnic on Wednesday were: Immediate Past President, C. G. McKnight, of Sydenham; President, Cyrus Edgar, of Yarker; 1st Vice-President, Fred Dennison, of Hartington; 2nd Vice-President, W. R. Aylesworth, of Cataract; 3rd Vice-President, J. N. Osborne, of Bath; treasurer, George Stewart, R. R. 1, Kingston; secretary, Harvey Shannon, of Sunbury; assistant secretary, Joseph Foster, of Moscow.

A letter from the Prohibition Union of Frontenac-Lennox was received but, as the prohibition question was considered by those present to be purely a provincial matter, no action on the request to nominate a dry candidate was taken.

A vote of thanks was tendered to Mr. McKnight, who has been president for the past three years, and he was added to the executive. The thanks of the gathering were also returned to Mr. Shannon, the secretary. It was decided on motion to carry out a suggestion made by Hon. Dr. J. W. Edwards and confirm all township officers in their present offices until December, 1927. The balance in the treasury was reported to be 90 cents with several bills outstanding. A collection was taken up and more than enough to pay the bills was realized.

BIG FIRE AT LINDSAY

\$100,000 Damage Suffered by Wood Companies. Lindsay, June 17—The Gull River Lumber Co., and the Lindsay Woodworker Ltd., suffered a \$100,000 fire at one o'clock this morning, the fire being of unknown origin. The blaze also threatened the Sylvester Manufacturing Co., in an adjacent factory. The loss includes a large warehouse, 40 by 100 feet, a new warehouse in course of construction, a large planing mill with all machinery and a large quantity of hardwood flooring, also two C.N.R. box cars, one of which was loaded with finished product.

An Embargo on Coal or International Strike?

London, June 17—A. J. Cook, secretary of the British miners federation, announced today that the International Miners Federation will meet in London on June 23, possibly to discuss either an embargo on coal or an international strike.

"Velvet Ice Cream Bricks," Gibson's.
