**AT THE CAPITOL**

"The Bandit's Baby" a Laugh and Thrill Show.

Swinging along in his rollicking comedy-melodrama, with another crackjack story to back up the great popularity of rider and horse, Fred Thomson and Silver King climb to new heights of merriment, speed and suspense in "The Bandit's Baby," which comes to the Capitol theatre to-day, where it enjoys its opening engagement in this community. It will continue for a three day run. A plot with more than the usual amount of intense action, jammed from first to last with hearty laughs, furnishes Thomson and his mount with a great opportunity, of which they avail themselves to the full.

**Belleville Defeats Peterboro.**

Belleville, June 17.—Grand Trunks broke the streak of bad luck which has been dogging them in the past few games and won from Peterboro here Wednesday by a score of 6 to 4 in the Central Ontario League. The home team outbit the visitors, the hits being well scattered. Hoagber for Belleville made the longest hit of the game, a three-bagger. Weir also turned in a fine game at short for the Trunks.

The feature play of the day was a one-handed stab by Rose, Peterboro's second baseman, who had to jump for a swift one which turned him around, but which he held.

**What C. D. Tice Says.**

Working in the Belleville Ontario, C. D. Tice, Sporting Editor of The Ontario says:

"The Kingston Whig partly admits that the home umpire system is all wrong but what can be suggested better with only three teams in the league? The finance they say has to be considered. In this respect Belleville is no better off than the other teams, but for the good of the game it would be better to cut down the profits and give each team a good run for their money. It must also be understood that the writer of this column is not throwing mud on the honesty nor the squareness of the umpire in question. That is farthest from the thought. Both are personal friends of the writer and in his opinion neither of the officials would intentionally foul a misplay. What was said that both calls were wrong, one on Rose and the other on Britton and had they been called as they should have been the play might have been altogether different. The Belleville team seldom make a kick in the dirt at the best of times but they do like to get a fair break at home as well as away. We are not saying either that Gibson did not
