BATECOURT SCHOOL HARRY DINE OPENS CLOSING EXERCISES FINE NEW STATION

A Splendid Concert by the Pupils—Prizes Won During the Term.

The closing exercises of Batecourt school were held on Friday afternoon, the parents of the pupils and friends gathered in the school room to enjoy a splendid concert given by the youngsters. The programme consisted of a number of songs rendered very well by the pupils and many recitations, including "Fairies" offered by little Violet Miller with wonderful expression and clearness. A short sketch taken from a scene from "Uncle Tom's Cabin" was presented in a very creditable manner. The cast being composed of Clara Miller as "Miss Ophelia," Ciri Self as "Topsy" and Audrey Lawson as "Eva." Each little girl enacted her part exceptionally well, young Ciri Self provoking much laughter in her presentation. Those present were really surprised at the ability shown by the little tots and warm rounds of applause rewarded the efforts of the pupils.

Archdeacon Dobbs gave a short address to the children, complimenting them on their work and also adding his praise to the teaching staff. The prizes won during the term were presented to the winners as follows:

Proficiency—Senior, Lilah Keyes; senior III, Murray Keyes; junior III, Ciri Self; 1st class, Julia Angrove; primary, Jimmie Alexander. Sewing—Lilah Keyes, Geraldine Howard, Clara Miller, Julia Angrove. Drawing—Lilah Keyes, Geraldine Howard, Audrey Lawson.

Two prizes for sewing were donated by Mrs. Day and one by Mrs. Constantine. The prize for good conduct and attendance was won by Lilah Keyes, who had a perfect record during the school term. The senior class wore the dresses which they made during the sewing instructions.

The programme was as follows: Recitations, Virginia Day, Ita May Doyle, Joan Fortt, Julia Bridger, Violet Miller, Doonie Constantine, Ciri Self, Rae Keyes; piano solo, Lilah Keyes. The following songs were rendered by the pupils, O Canada, Engine Song, Down Among the Sugar Cane, Parade of the Wooden Soldiers, Come Follow Me, Turn Again Whittington and May God Preserve Thee Canada. A duet by Clara Miller and Julia Angrove was also very much enjoyed.

Dr. J. I. Robinson Makes Record Fish Catch.

To Dr. John I. Robinson, 598 Watching Road, Bound Brook, N.J., U.S.A., a guest at Wah-Kon Camp, Temagami falls the proud honor of making the record fish catch for 1925. The story is so good we will let the Doctor tell it in his own words:

"On July 27th we set out. On the third day as we troiled near Sandy Inlet my reel suddenly began to sing and the tackle nearly went overboard. I thought I had caught on the rocks—but the canoe was already moving backward at a lively rate. I let the fish have his way for about half an hour—then we got down to business.

"After what seemed a day he broke water—my guide's eyes bulged. His teeth began to chatter and he absolutely refused to attempt and land such a fish in a canoe. So we headed for shore, soon we were wading and had my wish where we could get him by his gills and have him ashore. Then only did I realize that I had caught the king of hordes of fish in Lake Temagami. He measured 46 inches and weighed 42 pounds, 3 ounces."

Fishing is but one of the vacation enjoyments in Temagami. It has everything that any vacationist could desire, including excellent hotels, cottages, colonies, cabins and tents. For full information apply city office, Canadian National Railways, corner Johnston and Ontario streets, Kingston, Ont., phones 99 or 2837.

The official opening of Harry Dine's new tire and gasoline service station at the corner of Queen and Bagot streets took place to-day after thorough renovations had been made to the building now occupied by Mr. Dine. The new station is opposite Cook's garage and is therefore very centrally located. Everything has been put into the best shape and Mr. Dine and his capable staff are now ready to tender to the needs of automobile owners.

Mr. Dine was a former member of the firm of Attwood & Dine, which firm dissolved partnership a short time ago. He has taken over the business completely and removed from the stand formerly occupied by Attwood & Dine, the new hotel site being on the property where that building was situated. Mr. Dine's new station, while off the route of congested traffic, is ideally situated and convenient and the best service and attention that can be given is assured those who visit the station for tire repairs or to secure accessories. A splendid equipment of tires, K. & S. Supreme Balloon Cord Tires and high pressure truck and bus cord tires as well as a complete supply of tubes has been placed on hand and these are available at prices that are right. Here too, repairs to tires that require attention are assured to be of the best obtainable, all work being thoroughly tested and inspected.

In addition to this, motorists are able to secure British American super-power gas and British American Peerless, none but the best being retained at this station. Mr. Dine is well known in auto repair circles, especially in connection with tires and he has established a splendid reputation for his workmanship and business practice. Every courtesy will be extended to patrons of Mr. Dine's new station and they will be assured of prompt attention, the best work and prices that will be as reasonable as can be found anywhere.

AT CITY COUNCIL MEETING.

Checker Taxi Service Ask Permission to Transfer Pump.

At the special meeting of the City Council held on Friday night, an application was received from the Checker Taxi Service to transfer their gasoline pump from their present premises on Clergy street, to their new building at the corner of Brock and Bagot streets.

On motion of Ald. Kent and J. E. Johnston, the request was granted, subject to the supervision and approval of the city engineer.

Ald. Laturney said there was a by-law that no more pumps be allowed on the streets, and he had no objection, so long as the pump was not allowed on the street, as others had asked for this privilege, and had been turned down.

NEW REO BUS.

Has Been Placed on Kingston-Gananoque Route.

R. S. Walker, the well-known motor bus man, of Kingston, has purchased from Boyd's garage, a new Reo motor bus for the Kingston-Gananoque route. This is the only real chase bus running out or into Kingston.

The bus is modern in every respect, upholstered in brown leather and the seats are very comfortable and roomy. The bus is equipped with an excellent heating system when required. Those desiring comfort when travelling, will certainly have it in this bus. Mr. Walker's business with his other bus on this route has grown to such extent, he saw the need of this new bus. The two will be operated when needed.

The new bus carries over twenty passengers, and made her maiden trip to Gananoque to-day.

RED RASH ON FACE AND NECK
 Formed Eruptions, Suffered Much at Night. Cuticura Heals.

"I was troubled with a rash that broke out on my face and neck. It was very red, and the irritation caused me to scratch it in my sleep. After scratching, little, sore eruptions formed. I suffered much at night, and my sleep was broken. I looked hopeless until I began using Cuticura Soap and Ointment. After a few days the eruptions started to heal, and after using five boxes of Soap and five or six boxes of Ointment I was healed." (Signed) G. Harding, 2233 Florian St., Montreal, Que.

Daily use of Cuticura Soap, with touches of Cuticura Ointment now and then, keeps the skin fresh, smooth and clear. Cuticura Talcum also is ideal for the skin.
