GYPSIES ARE BLAMED FOR OTHER ROBBERIES

Felt Band Should Have Been Held at Brockville Till Cases Cleared Up.

The two gypsy women who robbed the Bank of Toronto at Sealey's Bay, a few days ago, were allowed to go by the police magistrate in Brockville, after they had paid over the sum of \$200, the amount stolen from the bank, and also paying the costs of the court, amounting to about \$100.

Now complaints are being received by the police, in which this band of gypsies are blamed for other thefts. Word was received in Kingston on Tuesday forenoon, that a store at Cannifton had been robbed of goods to the value of \$300, and the gypsies are blamed for this.

It is stated that the gypsies are also blamed for other thefts and it is felt that the band should have been held in Brockville, for a time, until other thefts had been cleared up.

TWO UNDER ARREST FOR THEFT OF AUTO

Alleged They Made Off With Car From a Garage in Brockville.

At the request of the police at Brockville, the local police on Monday night took into custody Raymond Carr and Charles Lawson, on a charge of stealing an automobile from a garage at Brockville on Monday morning.

The men were taken into custody early in the evening by Detective Thomas Mullinger and Constable William McKee. The officers had received word from Brockville, giving the number of the car wanted, and when they "spotted" the car on Brock street, the officers took the men and the car in charge, pending the arrival of an officer from Brockville. The car alleged to have been stolen is a McLaughlin Six, and it was placed in a local garage.

ACID STOMACH IS DANGEROUS

Sufferers From Indigestion or Stomach Trouble CUT THIS OUT

"Stomach trouble, dyspepsia, indigestion, sourness, gas, heartburn, food fermentation, etc., are caused nine times out of ten by chronic acid stomach," says a well known authority.

Burning hydrochloric acid develops in the stomach at an alarming rate. The acid irritates and inflames the delicate stomach lining and often leads to gastritis accompanied by dangerous stomach ulcers. Don't dose an acid stomach with peppy or artificial digestants that only give temporary relief from pain by driving the sour, fermenting food out of the stomach into the intestines.

Instead, neutralize or sweeten your acid stomach after meals with a little hot water and Bismarck Magnesia and not only will the pain vanish but your meals will digest naturally. There is nothing better than Bismarck Magnesia to sweeten and settle an acid stomach. It soaks up the harmful excess acid much as a sponge or blotting paper might and your stomach acts as a filter in just a few minutes.

Bismarck Magnesia can be obtained from any reliable druggist in either powder or tablet form. It is safe, reliable, easy and pleasant to use, is not laxative and is not at all expensive.
