Some disabilities, such as deafness, are said to be associated with the color of the eyes.

WANT HYDRO POWER TO BE RETAINED

(Continued from Page 1.)
the chair and after expressing his appreciation of the honor done him introduced the Power Resolution quoted above, which was sponsored by the delegates from the town of Deseronto. It was moved by Mr. Harper and seconded by Mr. E. A. Rixon of that town.

The Power Question Discussed.
The discussion was opened by Mr. F. L. Mason, of Oshawa. Oshawa, he said, was on the tag end of the system. He did not think the municipalities in the eastern part of the province would ever be treated the same as those in the west, until they adopted the same system of distribution. In Western Ontario, said the speaker, the Hydro sells the power to the municipalities, and the municipalities look after the distribution. He thought the government should write off the difference between what the government paid for the power and what it was appraised at. There was a difference of two million dollars. This large amount, he thought, should be charged against the whole province, rather than against the Eastern Ontario municipalities only. There was at present no stability to the system, he said, and urged the executive to try and get better service.

A. S. Armstrong, of Peterboro, thought the first thing for the municipalities to do that don't own their systems, was to purchase them. Those that own them in Western Ontario will soon have them paid for and will be able to reduce rates.

Rates Increased at Smith's Falls.
Mr. Murphy, of Smith's Falls, said he sometimes thought that the municipalities that bought power from the Hydro Commission were in the better position. They were told the Rideau System would cost half a million. It has cost to-day over a million dollars. Smith's Falls has also added on to them the debenture debt of the two plants that were taken over, which was \$135,000. In Smith's Falls the rates are charged by the Commission from year to year. The power users never know what they will have to pay. The speaker thought there must be something wrong with the books of the commission. The rate was originally \$28 per horsepower. Then it was raised to \$40 and the municipality has just received notice that next year it will be \$60. The speaker also objected to the Hydro continually changing the system of billing. He believed there should be a uniform system all over the province. There was, he thought, no chance of any municipality in Eastern Ontario having as cheap power as Western Ontario, because there was not the consumption. Something should be done to bring all the municipalities in Ontario into one system and equalize the rates.

Kingston Delegates Enter Protest.
Mr. T. G. Bishop, President of the Kingston Board of Trade, felt that there was no doubt but that the Hydro administration was open to question, but the important question was the larger one "What are the prospects for power for Eastern Ontario?" He had listened last Friday night to an address by Commissioner Maguire of the Hydro Commission in Brockville. The address lasted one hour and ten minutes, during which time Mr. Maguire reviewed the history of Hydro, told how the Commission had reduced rates and many more things, but he carefully refrained from telling Eastern Ontario why \$20,000 horsepower from the Gattineau River was being taken right past our doors to Toronto and Hamilton. Mr. Maguire had told the meeting they should get behind the St. Lawrence development. If we have to wait for power until the St. Lawrence is developed, said Mr. Bishop, I see no prospect for much development in Eastern Ontario during the next ten years. Mr. Maguire told Eastern Ontario to get the industries and then they would find them the power. Mr. Bishop said it was about as sensible as a man opening a shoe store with no shoes, and telling people to come in when they wanted shoes and tell him what they wanted and he would get them for them. "How many customers do you think that man would have?" asked Mr. Bishop. How, he asked, are we go-

ing to get industries for Eastern Ontario if we can't offer them cheap power and point to its source. He thought the meeting should go on record in favor of the Gattineau power line being tapped along the route, so that Eastern Ontario should be guaranteed power. The committee should put the matter as strongly as possible, said Mr. Bishop, and urge that Eastern Ontario be guaranteed power in as large quantities as needed.

Mr. J. M. Campbell also referred to the Brockville meeting. He was amused at a Hamilton gentleman who addressed the meeting and said that Western Ontario was also interested in the development of the St. Lawrence, because they had used up all their power there, and needed some from Eastern Ontario. Mr. Campbell said that the contract with the International Paper Co. at the Gattineau was for \$10,000 h.p. It would be added to from time to time, as there was practically a million horsepower available there. He did not think the power line could be tapped further east than Oshawa, as the power at the Gattineau was being developed at 25 cycle while Eastern Ontario was working on 50 cycle.

Mr. Metcalfe, reeve of Deseronto, thought it was time we got busy in Eastern Ontario. Western Ontario municipalities were paying for their plants, and it would soon be hard to compete with them in the matter of rates, than it is at present. He thought the eastern municipalities would have to arrange to take over and operate their own plants. The government would supply the money if the municipalities would obligate themselves. The power question was the biggest question in Eastern Ontario to-day and he urged every municipality to get behind the scheme to get more power. He also thought all out on same basis.

Mayor Graham, of Belleville, strongly backed up the previous speakers. He thought Eastern Ontario should demand as much consideration as Western Ontario, but he did not think it would get it until the municipalities owned their own plants. In reply to a question Mr. Herby said there were only 13 plants owned on the Trent system.

An additional resolution was carried touching on the matter as follows:

Moved by H. W. Ackerman, of Belleville, and seconded by Charles E. Hanna—

WHEREAS the Province of Ontario has contracted for the delivery of an extensive development of power, covering a period of years, from the Province of Quebec;

AND WHEREAS it has been announced that the said power is to be transmitted by a direct line from the Gattineau River to the City of Toronto;

AND WHEREAS the electric current that is generated and used in Eastern Ontario is of sixty-cycle frequency and that used in Toronto is only 25-cycle frequency;

THEREFORE be it resolved that this convention of municipal representatives of Eastern Ontario request and strongly urge the Hydro Electric Power Commission to reserve a sufficient amount of power to fill the electric requirements of Eastern Ontario until such time as the St. Lawrence power shall be made fully available.

AND FURTHERMORE BE IT RESOLVED that request be also made to have all purchases of power and all developments, in or passing through Eastern Ontario, made on the sixty-cycle basis.

Other matters considered were the St. Lawrence Development, Improvement of Highways, Mail Order House Taxation, Reforestation, Chicago Water Diversion, and Railway Transportation. The following resolutions were carried regarding them:

Moved by Jameson Bone, of Belleville, and seconded by Mayor Graham, of Lindsay; AND RESOLVED that this convention of the municipal representatives of Eastern Ontario express its appreciation of the persistent efforts by the Government of Ontario Hydro Electric Power Commission to secure the development of power from the St. Lawrence River.—Carried.

Moved by Mayor Graham, of Belleville, and seconded by Charles E. Hanna; AND RESOLVED that this convention of municipal representatives of Eastern Ontario express its hearty appreciation of the efforts that have been made by the Dominion Government, the Provincial Government of Ontario and the Hydro Electric Commission to make effective diversion of water from the Great Lakes by the City of Chicago.—Carried.

Moved by J. Bone, of Belleville, and seconded by F. S. Descont; AND RESOLVED that this convention of the municipal representatives of Eastern Ontario urge upon the Dominion Government to continue its efforts to reach an agreement with the United States whereby both power and deep-water navigation shall be developed along the St. Lawrence at the earliest possible date.—Carried.

Moved by Mayor Graham, of Belleville, and seconded by Mayor Graham, of Lindsay; AND RESOLVED that the government of Ontario be urged to construct such further provincial highways as are needed, to serve the eastern section of the province, and also such other action as is needed to improve the highways of the section of the province represented by this association.—Carried.

The next annual convention will be held in Peterboro.

Leaving for Winnipeg.
Mr. and Mrs. James D. Allan are leaving Perth for Winnipeg to reside for the summer with their son, Mr. Roy Allan, and should they like it there, will become permanent residents.

BAY OF QUINTE GIRLS SOFTBALL LEAGUE
Opens at Napanee—Deseronto Won First Game by 16 to 11.

Napanee, June 23.—The death occurred on Tuesday evening at 6.30 of Miss Mary A. Freix of Richmond in her 55th year. Deceased had only been ill two days. She was a woman of wonderful vitality, being able to do her own house work up till the time of her death. She leaves one brother, Frank A. Freix, who was with her at the end. The funeral will take place on Thursday afternoon to Riverside cemetery.

On Monday morning the work of oiling the streets was commenced. Practically all the streets in town are to be oiled, and John street paved.

Mr. and Mrs. Little are in town for a few days on their return from their honeymoon, and are with Mrs. Little's parents, Mr. and Mrs. C. H. Spencer.

Mr. and Mrs. E. J. Pollard returned on Tuesday afternoon from Quebec where they attended the press convention.

Dr. Franklyn Farnsworth who recently graduated at Toronto University is the guest of Mr. and Mrs. G. W. Gibbard. The many Napanee friends congratulate Dr. Farnsworth on his success, he being the son of Rev. and Mrs. Enos Farnsworth of Cammiton, and a former minister in this district.

On Tuesday afternoon a party of thirty-two farmers from Durham county, travelling in a large motor bus on a tour around Lake Ontario made a stop at Napanee, where they were shown through the Mills Chick Hatchery before continuing their journey east.

On Friday evening the choir of Grace Church gathered at the parsonage and presented Miss Katherine Terrill, who is leaving shortly with her parents for Pontypool, with an address and a beautiful purse. Miss Terrill has been a faithful member of Grace Church for the past five years. Immediately following Miss Vera Chase, also a member of the choir, who is leaving for her new home in Lindsay, was presented with an address and a purse.

Mrs. James S. Douglas attended the Rebekah Assembly of Ontario in Toronto last week, as the representative of Queen of Sheba Lodge No. 254.

On Wednesday evening of last week after the regular prayer meeting in Grace Church, Rev. Mr. Terrill, who has been pastor for the past five years, and who is leaving shortly for Pontypool, was presented with an address and a substantial purse of gold by the members of his congregation. The address spoke in high terms of his work here and particularly about his pastoral work, of which no minister could have been more faithful or successful. Mr. Terrill was also presented with a Chevrolet car by the members of his congregation. Mr. Terrill preaches his farewell sermon here on Sunday and the following Sunday will occupy the pulpit in his new charge at Pontypool.

Rev. A. W. and Mrs. Coone of Nanton, Alberta, are visiting relatives in Napanee after an absence of ten years.

Miss Diana Miller left yesterday to spend the summer in Muskoka.

Miss Helen Loyst who has been attending the Faculty of Education, Toronto, arrived home on Sunday.

BAY OF QUINTE GIRLS SOFTBALL LEAGUE

Opens at Napanee—Deseronto Won First Game by 16 to 11.

In the first league game of the Bay of Quinte girls' softball league, Deseronto defeated Napanee by the score of 16 to 11.

The new league was officially opened by Mayor Dr. Meng, who pitched the first ball. Reeve Mark E. Graham was at bat while Rev. Tanton did the receiving duties behind the plate. Reeve Graham ingloriously struck out. Dr. Meng's pitching type and there was altogether too much speed on the ball.

It was a well played game and there were several sparkling plays by both teams. K. Ungar in centre field for Napanee pulled off several difficult catches and was the star of the game. Her base running was a treat. Napanee had the best of the early part of the game, but the Deseronto girls started to clout the ball in the fourth innings and scored seven runs. The score was tied in the eighth innings at eleven all, but the visitors scored 5 runs in their last turn at bat and Napanee were blanked in the ninth, making the final score 16 to 11 for Deseronto.

The following is the line-up and score by innings:

Deseronto—V. Whittin, J. Generaux, A. Gaultin, L. Wagar, I. Normille, E. J. Harvey, I. Hoppings, M. Gesseroux, J. Perry.

Napanee—M. Embury, M. Grass, M. Stinson, K. Ungar, H. O'Neill, M. Rikley, R. Dixon, D. Johnston, D. Richardson, C. Taylor.

Deseronto001 702 915—16
Napanee213 250 005—11

The game was umpired by Messrs. M. Ostrander of Deseronto and Frank Bell of Napanee who gave complete satisfaction.

A crowd of about 200 witnessed the game and were well pleased at the exhibition of ball put up by both teams.

A buttonhole bouquet never ought to be taken as an indication of brains and superior intelligence.

As a rule, the more a man accumulates in houses and lands, the less anxious he is to pay taxes.

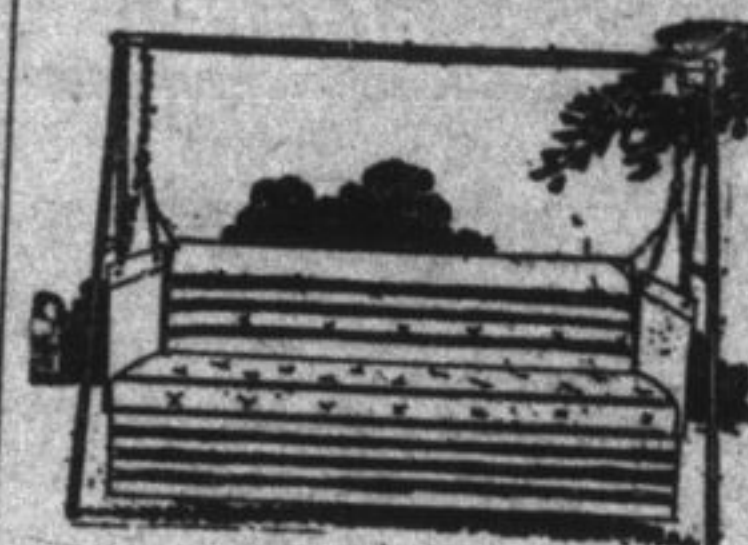

It is a foolish as well as painful pride that puts the number five foot in the number four shoe.

The Tremendous Popularity of

is indicated by the ever increasing demand.

A LITERARY TEA WAS HELD AT STELLA

Programme of Vocal and Instrumental Music Enjoyed by All Present.

Stella, June 22.—The Women's Auxiliary of the Anglican church held a literary tea in Victoria hall, on Friday evening last. It proved very successful and about \$50 was realized. Numbered tickets were sold to the gentlemen, and one had to find the lady holding a ticket with number corresponding. A programme was handed out containing twenty-four questions, the answers being something that could be eaten. It caused considerable amount of amusement. Three prizes were awarded for the nearest correct answers. After the contest was closed and the prizes given out, a programme of vocal and instrumental music and recitations were rendered, after which a dainty lunch was served by the W.A. to all present.

A large quantity of Willow Dale ice cream was also disposed of.

Work on the new telephone line is going along quite brisk. Quite a number of men are at work digging holes. The first raft of poles arrived on Saturday, and are being drawn away. Messrs. Pike and Perry, Jr., are engineering the work of construction. They installed a number of instruments in the North Shore circuit on Monday. If weather conditions are favorable, the line should be completed by August 1st.

Mrs. Herman Willard, who underwent an operation for appendicitis, in the Kingston General Hospital recently, is making favorable progress towards recovery. Mrs. S. L. Fringle and Mrs. George Bulah are in poor health at present.

Miss Dorothy Wemp, of the Kingston General Hospital staff, spent a few days recently at Alexander Reid's. Miss Ada Fringle, of Well-linley Hospital, Toronto, spent a few days here with her parents, Mr. and Mrs. S. L. Fringle. Mrs. (Capt.) Joseph Saunders, returned to Buffalo, N.Y., on Friday. Mrs. James Stevison left on Friday for Kingston, where she will join her husband on a trip to relatives in Chicago. Reeve Samuel Miller attended the June session of the county council in Napanee last week.

ad to arrive in town to-day to spend a couple of weeks holiday with friends.

J. A. Bullock left on Monday for Calgary to attend the Stampede festival. While out west he will also visit his ranch at Fincher Creek and spend some time there. Mr. Bullock has been asked to drive one of the four-in-hands at the Stampede in Calgary.

Cecil McIntyre was fortunate enough to land a good sized maskinonge a couple of days ago.

Mrs. Jack MacLellan and children, Montreal, arrived last night to spend the summer season with her mother, Mrs. J. B. Mooney.

There will be a dance at the Canoe Club this Thursday evening, and after the 1st the regular weekly dances start.

HARLOWE CROPS GOOD.

The Parks-Mills Nuptials at Fernleigh Last Week.

Harlowe, June 22.—Crops are looking real well and strawberries are beginning to ripen, with the prospect of a good yield.

W. Scott, who has been ill for some time, is very little better. Mr. and Mrs. T. Wood and family and Mrs. C. N. Bait are at J. White's.

Miss T. Mills, of Fernleigh, and Claud Parks, of Harlowe, were united in marriage on Wednesday, the 16th, at the bride's home. The happy couple have the best wishes of the community.

Miss Kathleen Gray, who has been working in Buffalo, N.Y., has returned home to spend her holidays. Miss Nellie Whittman, who has been working at Northbrook, is home. Mrs. J. White spent Friday at Mrs. R. Cuddy's.

Often times a man's sense of right and justice is governed by the par value of the almighty dollar.

Among those in the poor house may be found those who once were characterized as "easy spenders."

GANANOQUE

Gananoque, June 23.—Captain Herron of the Headquarters Staff, Kingston, was in town last week for the purpose of inspecting St. John's Cadet Corps, who were under command of Captain Claire Flood, assisted by Officers Hugo Lund and O'Gorman Cliffe. They were out in full force and made a most presentable appearance in their trim Khaki uniforms, and received hearty applause as they went through the different manoeuvres. Captain Herron said the officers and cadets high compliment for their splendid showing, and expressed the hope that since so much had been accomplished in such a short period that it would serve to encourage them to still bigger efforts in the future.

Father Hanley and Father Martin then addressed the Cadets, complimenting them, the latter taking the opportunity of thanking all who had assisted in any way to bring the Corps up to its present splendid standing. Master Edward Flood captured the prize awarded for the smartest appearance on parade. The inspection took place on the grounds adjoining St. John's Separate school.

Mrs. C. S. Lee, Oshawa, is expected to arrive in town to-day to spend a couple of weeks holiday with friends.
