### SIXTEEN YEARS USE OF BABY'S OWN TABLETS

Has Shown One Mother There is Nothing to Equal Them.

A constant use of Baby's Own Tablets for their children has proven to thousands of mothers that they are without an equal for babyhood and childhood ailments. One mother, Mrs. C. W. Jackson, R.R. 1, Gifford, Ont., writes:—"We have used Baby's Own Tablets ever since our first baby was born sixteen years ago. We have seven fine healthy children and the Tablets is the only medicine they received in their early years. Our baby is one and a half years old, is walking and talking and weighs 25 pounds. Baby's Own Tablets is the only medicine he has ever had."

Baby's Own Tablets are guaranteed to be absolutely safe for even the newborn babe. They are free from opiates and narcotics; act as a gentle laxative on the stomach and bowels and thus relieve constipation and indigestion; break up colds and simple fevers and make baby healthy and strong.

You can get Baby's Own Tablets from your druggist or direct by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Spours Government Aid To Rid Lands of Beavers  
Renfrew, June 24.—Beaver are so plentiful on John Kiley's farm, in Adamston township, a few miles from here, that their damming operations have seriously interfered with agricultural pursuits, and the help of the Department of Game and Fisheries has been enlisted in an effort to "thin out" the dam-builders, and thereby permit nature to take its course.

R. R. Coburn, a provincial game warden, with an assistant and an ingenious net contrivance, is now on the spot. One beaver already has been taken alive, and has been pressed to the Eugenia Forest Reserve. It is planned to make similar "live" catches at each of the five dams on the Kiley place.

Harold Rothwell, Ferguson's Falls has been engaged on the teaching staff of the Carleton Place high school for the coming term.
