**KIWANIS CONVENTION DELEGATES REPORT**

**President Columbus Hanley and W. Moore Speakers—Miss Wright Sings.**

The members of the Kiwanis Club who attended Monday's noon meeting at the Frontenac Hotel were accorded a rare musical treat when Miss Catherine Wright, well known Kingston singer, who has just returned from a tour of Europe, sang three numbers. Miss Wright's beautiful contralto voice was heard to splendid advantage and she was accorded rapturous applause for her splendid singing. The thanks of the Club was extended to Miss Wright for her numbers. She was accompanied by Mrs. A. R. B. Williamson.

The booster for the day was Dr. G. W. Bell and the prize winners were Kiwanians Reg. Crawford, Dr. Howard Folger, W. Y. Mills, Dr. Ernie Sparks and Marky Oberndorfer.

Kiwanian Dave Tamblin, who has been away from the Club for some time, was welcomed back and was heartily received by the members.

President Hanley announced that the executive had granted the sum of \$100 to the motor camp and \$100 to Eagle Camp.

Announcement was also made that an executive meeting had been held with the officials of the Bob Morton Circus and several matters that were not quite clear were straightened out very satisfactorily. Kiwanian Alf Fair is chairman of the general committee in connection with the circus, representing the Kiwanis Club.

President Columbus Hanley and District Trustee W. Moore, who represented the local Club at the Montreal convention of International Kiwanis, reviewed some of the activities in highest terms of their trip. Both stated that only by attending one could the real significance of such a convention be fully appreciated. They told of the meetings and the social activities and both declared that they had greatly benefited from what they had seen and heard.

**A CLEVER YOUNG ARTIST**

Frederick O'Hara of the Boston School of Art.

Kingstonians will hear with interest of the progress in art made by Frederick O'Hara of Newport News, Virginia, a son of Mr. and Mrs. Walter O'Hara and a grandson of Mrs. Robert O'Hara, William street, Kingston. Mr. O'Hara, a bright looking young lad, has recently graduated from the Boston School of Art. Speaking of his success the New Port News press says: "The bachelor degree he received was probably the least of the honors with which he was greeted by his school. For instance there were the two exemplary canvases entitled 'Samson and Delilah' and 'Leper Village', which were displayed this month at the school's public exhibition of the work of its pupils on which were showered the unstinted praises of artists of national worth: Then there was the medal of pure gold, presented to him for unusual work in the drawing and painting department. A scholarship, the fourth consecutive one he has carried off in competition with students from all parts of the country, was also awarded him". Three column reproductions of the paintings of this young artist have appeared in the Boston papers. He hopes in two years to obtain a Master's degree in Art and then go to Paris.

The portraits will be sent by the city to Toronto, where the work will be carried out at this price, the recommendation of the committee, accepting Mr. Rawbon's figure for the work, having been passed at the special meeting of the council held on Monday night.

The chairman, Ald. J. E. Johnston, presided at the meeting, and the other members present were Aids. Reid, McCartney, Allan and Bennett.
