The lawn social which was held by the Presbyterian congregation of St. John's Church, Pittsburgh township, on Monday evening, on the church grounds, was well patronized. In addition to the refresh-

Camp at Brown's Bay.
Ten cadets from the local Sea Cadet Corps visited their camp site at Brown's Bay, near Brophy's Point, Saturday. They made the trip in one of their own boats and the time for the full four miles was one hour and forty minutes. This is very good time for a crew of boys, as the water was none too pleasant for rowing.

Here's A Real One!
Here is one of the questions put up to the Kingston entrance class at the examinations in arithmetic:

"A house costs \$6,000. The premium for one year's insurance is 3-5 per cent on 3-4 of the cost. A year's taxes are 30 mills on the dollar on 2-5 of the cost, and a year's repairs amount to \$53. At what rate per month must the owner rent the house so that the rent for one year may yield 6 per cent of the year's total outlay including the cost of the house?"

What do our readers think of this? And by the way the marks allowed for the answer are thirteen!

At 12.47 this afternoon, a rubbish fire occupied the attention of the firemen on a vacant lot on the rear of Albert street close to Alice street. A line of hose was run from Albert and Alice streets. Another fire at the other side of the stadium broke out and a line of hose was run from the hydrant in front of the residence of J. O. Hutton, on Albert street to the blaze. There was no damage done in either case.

The firemen are smoking cigars and eating chocolates these days, the gift of Grimm's, in appreciation for work done a week ago last Sunday at the fire which broke out there. Needless to say the firemen appreciate the gift very much.
