ON SENIORS LOST TO PETES HOLIDAY FIXTURE BY 2-0 SCORE

Heckman, Peterboro Twirling Ace, Allowed Local Sluggers Only Two Hits—Not a Kingston Man Reached Second Base—Peterboro Played Brilliant Ball—Game Took Only One Hour and Twenty-five Minutes.

(Special to the British Whig.)

Peterboro, July 2.—Al Heckman was the master pitcher in the Dominion Day C.O.B.L. fixture here Thursday afternoon and the dean of the Peterboro twirling staff. He held the Kingston Ponties in complete submission, the Petes winning the best game of the season 2-0. The league leaders never had a chance against the Petes' masterly twirling as only four of them got to first and not a Pony spike touched second base during the pastime. Heckman allowed only two hits, a liner over Batton's head in the seventh by Halbert and a slow grounder just out of Rose's reach by Cairns in the ninth. Tespell walked in the first inning and Britton in the fifth and these were the only Ponies to get on the runways. The Petes played snappy ball and clearly deserved their win over Kingston. Bruce Cairns, suffering his first league loss of the year, pitched mighty nice ball too, allowing the Petes only six hits, several of them scratchy, but the Kingston attacks were completely tied up by the good work of Heckman.

It was a fast and snappy game while it lasted being over in an hour and twenty-five minutes and marked by splendid outfielding. Each team made a fast double play. Britton made a feature catch of a fly from Jimmie Hall's bat and both the infielders and the "gardeners" did some nice work. The Petes got the winning run in the second when Heckman boomed a long fly over Cherry's head and got a double when the centre fielder fell when going backward after the ball. Jimmie Hall sacrificed the pitcher to third and he went home on Harrison's hot single between short and third.

Their second counter came in the eighth when Hollman and Batton opened with singles and Hollman scored when Cherry made a nice catch of Rose's long fly and threw wild to third. The box score:

CONSERVATIVES TEAMS PLAY SOFTBALL

The Invincibles and Come Backs, both teams composed of prominent Conservatives of the city, played a snappy softball game to a tie score of 19 all at the Cricket Field on Thursday morning. The teams were very evenly matched and put up a brand of ball that would have shown up the New York Giants. Most of the players had signed up too late to go to the training camp in the south this spring and as a consequence were carrying a little weight but the strength of their batting made up for any lack of speed on the bases.

The pitching of both McGinnis and Ludlow impressed the big league scouts who were watching the game and it is likely that they will receive offers to participate in the world's series. Attorney-General W. F. Nickle showed himself quite as adept at baseball as at parliamentary debate and even refrained from arguing any of the decisions with the umpires.

Mr. John Sowards, who officiated behind the plate, and Mr. Groves, on the bases, gave satisfaction to both teams. Umpire Sowards had an especially keen eye for close ones that cut the corner of the plate. At one time when hard pressed the Invincibles secured the assistance of Mica Margery-Mooney, twirler for the Supremes. Miss Mooney retired the side in short order but when batting failed to beat out the throw to first.

The game was called in the eighth owing to the fact that the players were in a state of exhaustion but the fighting spirit of neither side was dampened and it is understood that

SPORTING NOTES AND COMMENT

The junior teams will have to come to life and play better ball than they did on the holiday morning. Eight errors for two teams like the Victorias and Circle-Six show just what kind of ball the boys were playing. They will both have to step faster than that to keep up their good reputations.

George Sullivan and Harold Nicholson umpired the junior game Thursday morning and there was a total absence of quibbling an arguing. They were the complete bosses of the game and let it be known at the start. The result was there wasn't a word from either side.

The Kingston Tennis Club is very grateful to Ald. Harry Agent, who presented the club with a very fine Union Jack for the clubhouse. The new flag and the club pennant are now flying from the clubhouse and look very natty.

A meeting of the Central Ontario Baseball League has been called for next Tuesday in the C.N.R. library building at Belleville. Matters requiring the attention of the league executive will be brought up at this meeting.

The tie game between the Victorias and Circle-Six, hanging over for some time, will be played next Wednesday evening at the Cricket Field. The teams will be at full strength and a win for the Circle-Six will tie the things up again. This contest should be a good one at all worth going to see.

Al Heckman certainly made the Kingston Seniors eat humble pie on the holiday by trouncing them 2-0. Heckman was going at top speed and allowed Kingston only two hits. This is a remarkable feat, because the Kingston team are famed for their hitting ability. The win for the Petes will make the Central Ontario League more interesting.

Of course there are many who will say that the locals that the game to Peterboro yesterday. The result was no sooner known than they made that remark. All one has to do is look over the box score and see whether it looks anything like it or not. It was certainly no lay-down. The Petes were too good for Kingston on yesterday's day.

RICHARDS DEFENDS THE FRENCH TENNIS STAR

Declares Suzanne's Sportsmanship Has Been Well Shown Many Times.

(By Vincent Richards). Wimbledon, June 30.—"Suzanne Lenglen is a wonderful tennis player, mechanically and mentally, but she is no part of a sportswoman." This indictment of the great French star appeared in one of the more brusque English sporting journals following her temperamental outburst a few days ago when she was more than an hour late for a match and then resisted all pressure of officials and friends to play. There was some gossip to the effect that Suzanne had cherished ambition to keep royalty waiting on her appearance. Such charges are without foundation, of course and would not be made by anyone who knows Suzanne. She has proved her sportsmanship many times. She demonstrated it in the Riviera early this spring when she withstood the heaviest assault of the American champion without a sign of nervousness, although it had been predicted by American writers that she would "blow" if pressed hard. No one can deny that she was hard pressed by Miss Willis, and it is history that she did not become demoralized.

Lenglen has long been called a front runner, a hard loser, a poor sport and numerous other uncomplimentary things. She is none of them. She is temperamental to be sure. It is a natural attribute not an affected one. What people do not realize is that Suzanne is an artist, in every sense of the word. She is not strong physically. She is highly nervous. The strain of a hard match upsets her more than any other player on the courts to-day.

As far as Suzanne's lateness for her recent match being a subtle affront of the British, Royalty I know her well enough to say the insinuation is without basis. Suzanne has always been surrounded by a circle of admirers, who seek to relieve her of routine worries. She is a tennis player. She depends on others to

HELPFUL GOLF HINTS

By Gene Sarazen. There are various opinions as to the proper way of conditioning oneself for a tournament. Some say you shouldn't play much golf, or more than is necessary. Others believe that the more one plays, the better prepared one is for the contest. I believe that you cannot play too much golf; that it is a game which requires constant practice in order to retain the touch. However, there is such a thing as over-doing practice just preceding a tournament. A champion fighter always watches his opponent in the ring if he can before he meets the challenger. Football coaches scout one another's teams all with the idea of getting an idea of the character of the opponent. A golfer's opponent in medal play is the course. If it were possible, one should visit the course where the championship is to be played at least a month in advance and put in a lot of practice. But the week preceding the tournament one should take things easy.

'Tis true that one but to brave deserve the fair but what did the good people of Boston do to deserve the Braves? Members of the Pittsburgh Pirates including Roger Peckinpaugh have been formally notified that they won the world championship last fall. And of course that Germi, the man who walked 2,000 yards in his hands just naturally won hands down.

"Well the joke certainly is on me," chuckled Mr. O'Gootty in his big, good-natured way, as he returned from the historic Carpenters' Hall in Philadelphia the other day. "I used to think that was where the French heavyweight trained."

VICTORIAS IN JUNIOR LEAD

Took Listless Holiday Contest at the Cricket Field by Score of 10-4.

Victorias jumped into the lead again in the junior league holiday game at the Cricket Field on Thursday morning. The Victorias, after looking like the weak sisters of the contest in the opening stages, came back strong with the willow and not only knocked Reid out of the box in the seventh but prospered under Hewitt Smith's reign in the box. Reid started off well and after allowing only one run in the first inning to the Vics, he held them scoreless for the next two frames. He would not take his time, however, and he was touched for three runs in the next frame, although the team behind him wasn't showing anything very wonderful in baseball either. The break came in the seventh inning when good clean hits and a series of errors by the Circle Six gave the Vics four runs.
