### Symonski Released From Penitentiary

Victo Symonski, a prisoner who was very much in the limelight, was released on Friday. He was sent to the penitentiary for an offense before his trial, but was apprehended in Toronto and given a term in the Portsmouth penitentiary. In 1918, he made an assault on two of the guards at the penitentiary, Richard Dowseley and John Tatton, at the upper prison farm, and made his escape.

While under the influence of liquor, he was apprehended in New Ontario and again lodged in the penitentiary. Symonski, while drunk, boasted of his exploits. When arrested this time, he was given an extra sentence. Symonski left here for Toronto.

### The Family Market Basket

At Saturday's market strawberries were plentiful at 25 cents a box. Eggs sold generally for 45 cents, and chickens from \$1.35 to \$1.50 each. Potatoes were rather scarce, and were bought up early in the morning at \$3.00 per bag. Green peas were offered at 20c a quart. Many gardeners had flowers for sale, asking 15 and 20 cents a bunch. Geraniums sold for 20c a pot. Green onions, beets, rhubarb, etc., were the same as last week. Twenty cents a dozen was being asked for cabbage plants. The market was a very busy place all morning, and many farmers reported having sold their entire load.

### KINGSTON BOY SCOUTS

**Will Hold Their Camp at Brown's Bay, Aug. 16th to 26th.**  
At a special meeting of the Court-of-Honor of the First Kingston Boy Scouts, the camp dates were set at August 16th to the 26th. The camp will be held at Brown's Bay, Brophy's Point. After a good deal of discussion, the rate per boy was set at \$2.50 for a week. This price is very low, especially as the troop has very little finances at present. It was also announced at the meeting that the Scoutmaster and the Cubmaster of the 52nd Toronto Troop and Pack will be in the city for a short stay about July 12th.

Magistrate J. W. Bradshaw heard an O.T.A. case at Sharbot Lake on Friday, but the charge was dismissed.
