TREASURES WON THE CHAMPIONSHIP OF THE GIRLS' SOFTBALL LEAGUE

Great Crowd Saw Teams in Action in Final Game Monday Evening at the Cricket Field—Treasures Presented With Oddfellows' Trophy—Splendid Fielding by Both Teams—Supremes Good Losers.

Mainly by good fielding and fine team work, Treasures defeated the Supremes in the final game of the Ladies' Softball League, last evening, to the tune of twelve to six, thereby winning the championship. The main trouble with the Supremes was in their fumbles and bad judgment of the flight of the ball.

The Treasures started out well by getting a run in the first inning for luck, but the Supremes followed up with the same. In the second the Supremes slackened and allowed three runs. They attempted to catch up but succeeded in getting only two.

In the third Beck knocked out a three-bagger bringing in two. In the fifth and sixth the Supremes got one and two runs respectively, and then their side of the scoring stopped. F. Connolly, catcher for the Treasures hit a homer in the eighth and two more runs came in. D. Allen who had been delivering some home ones,

weakened and M. Powell was sent in in the eighth, but it was too late. The pick-ups of Sinclair in the field were exceptionally fine. The work of the batteries of both teams was real good, especially that of Connolly, catcher for Treasures, who picked off some hot fouls. Before the game, the Oddfellows Trophy, won by the Treasures at the Oddfellows picnic, was presented to them by K. N. H. McCullagh, chairman of the picnic committee. Many remarked on the good sportsmanship shown when, the game over, the Supremes gave three cheers for the winners, and the Treasures cheered the good losers.

KINGSTON WON THE FIRST ONE

Defeated Syracuse Elks Last Evening in Great Game by 5-4 Score.

The Kingston seniors pulled through with a five to four victory over the Syracuse Elks in the first of the two-game series at the George Richardson Stadium on Monday evening. The second game is scheduled for six o'clock to-day. Yesterday's game was considered by many to be the best ball game of the season. As far as play in some spots went it was, but it was not the best game of the season but even at that it was real live baseball and the fans were highly pleased with the game.

Sensational fielding by Halbert and good efforts by Teepell, coupled with the pitching of Young and the fine back-stopping of Tetro, were the main features of the work of the Kingston team. Teepell in right field made a valiant effort to capture a fly ball that went foul by several feet. He nearly made the catch but missed by inches. He was awarded a great hand for all the try. Teepell was right on his toes all the time and turned in a neat performance. Van Young was picked for mound duty and allowed the visitors but six hits, striking out four. He passed two and hit one. Tommy Halbert made a sensational catch of a drive by Elsmann. It had all the big league catches skinned to a frazzle and it was a real thriller.

Slake in left field made a dandy trio of catches and was nift in his work. The weak spot on the visiting team was at short where three bad errors gave the locals a big advantage. The teams are about as evenly matched as the score indicates but to-day's game promises to have even more thrills, spills and frills than yesterday's contest.

Kingston suffered hard luck with men on the paths. Harry Batstone had two great chances to make a hero of himself but he went down both times. Batstone has not done so well lately in his hitting and last evening he struck out twice again. Britton also batted twice in yesterday's game and Tetro did likewise.

The Elks scored their first three runs in the second inning. With one out Draggett took first when he was hit by a pitched ball. Isaacks singled and the ball went to right field. Draggett kept on going and Teepell's wild throw to third allowed Draggett to keep on going to score. Burst fled to Cherry. On Britton's error, Elsmann reached first and Isaacks tallied. Morgan drew a ticket and Pounce flied out for two bases scoring Elsmann. Slake, the last man was thrown at first by Britton.

Their next and last run came in the fifth frame. Morgan singled and advanced to second on Pounce's sacrifice. He stole third and scored on Batstone's error. Dear grounded to short and Slake was thrown at second on the play by Britton. Burns was thrown at first on a fast bit of fielding by Teepell. Burns sent a hard grounder to right and Teepell scooped it up and caught Burns at first by several feet. It was fast work on Teepell's part.

Kingston scored two runs in the first inning. Teepell drew a walk went to second on Morgans wild pitch and stole third. Thompson walked. Halbert's hit scored Teepell. Batstone struck out and Thompson scored on a hit by Cherry. Britton closed by striking out.

In the third frame one was scored. Teepell, Thompson and Halbert contributed singles in a row. In three on, atstone struck out. Cherry grounded to short and Halbert was thrown at second. Teepell scored

Adolphustown tied it up in the ninth. Odessa scored again in the tenth and again it was tied up. That ended the scoring until the last half of the twelfth when Kilgannon weakened and Davenport, first man up hit a two-bagger. HE WAS MISQUOTED.

Hagen Did Not Say British Golfers Were Lazy. New York, July 6.—Just what Walter Hagen told British golfers about the trouble with their game is to be explained soon in an official statement. The former British and United States open and present professional champion, who returned on the Aquitania took pains to assert that he did not say what he is said to have said in an interview with the London Evening News—something to the effect that British golfers are "too lazy."

"You couldn't express their troubles in two words," Hagen declared. "I don't want to say anything now because I am always being misquoted. We were asked for some information by the newspaper boys over there and I tried to convey the impression that they paid too little attention to the short game and should try to eliminate some strokes."

Bobby Jones joined Hagen in saying that the professional had been misquoted by the British press.
