Strawberries for Canning. Two boxes for a quarter Wednesday morning and afternoon at Carnovsky's.

Dances at Ontario Park. Starting this week, the regular dances are to be held at Lake Ontario Park and should prove popular.

Joins Robb Staff. James Grimwood, lately of Toronto, has joined the staff of Robb's barber shop, Wellington street. He is a former Kingston young man.

Will Sell at 98c. We are taking one hundred Ladies' Hats from our regular stock and placing them on sale at 98c. each. —Corrigan's.

Have Become Naturalized. Kiro Miroff and his wife, Stonia Miroff, both of Kingston, appear in the latest issue of The Canada Gazette as having been granted naturalization.

Fruits From California. Crawford peaches, cantaloupes, Bartlett pears, blue plums, grape fruit, seedless lemons and the oranges we sell at 20c. dozen at Carnovsky's.

A Heavy Docket. Judge Madden was faced with a particularly heavy docket in the Division Court this morning there being 11 cases, 2 interpleader actions, and 18 judgment summonses.

Justice Logie to Preside. Mr. Justice Logie will preside at the Fall Assizes here on September 21st, and Mr. Justice Kelly will preside at the non-jury sessions of the Supreme Court to be held here on November 2th.

Successful Students. At the Toronto Conservatory of Music examinations, held in Belleville, the following pupils were successful: Elementary piano, Jennie Hill, honors; elementary piano, Mabel Hill, honors.

Flags Upside Down. It is considered patriotic to fly the Union Jack if you fly it correctly. Numerous flags have been noticed on Princess street that were being flown upside down. When a flag is thus flown it is a sign of distress, but in these local cases it was merely carelessness.

Presented With Silverware. At the regular meeting of the Daughters of Rebekah held on Monday night, Mrs. Percy Otten and Mrs. James Breen were presented with silverware. The presentations were made by Mrs. Davey, P.N.G., and suitable replies were made by both young brides.

Gatherings at the Park. Thousand Island Park is swarming this week with members of the Epworth League Institute of Central New York. The gathering will close on July 15th, after hearing Bishop Leonard preach on Sunday next. The Summer School of Theology is also in session at the Park this week.

Barn Dance. A barn dance will be held under the auspices of the Morton Women's Institute Friday evening, July 9th, in the large new barn of Harman McFadden, Brier Hill. One mile from Morton. Dancing from 8 p.m. good orchestra. Come along and have a read good time, \$1.00 per couple.

Two Motorists Fined. Two motorists appeared in Police Court this morning to answer to charges of infraction of the Motor Vehicles Act. One driver was charged with passing a standing street car and was fined \$10 and costs and another faced a charge of driving in a manner dangerous to public safety. The latter paid a \$5 fine.

May Hear News Soon. "It is exceedingly pleasing to read about the number of Kingston Liberals who are mentioned as probable candidates for the election," said a veteran campaigner to-day. "But it is invidious to mention the few; there are scores yet unnamed who are of parliamentary timber. The Tories are wondrously solicitous about the Liberal candidate. Probably they will hear news later on."

At the Motor Camp. The Citizens' Motor Camp at Lake Ontario Park is proving very popular with the tourists and no less than sixteen cars, or almost eighty people, stayed at the camp Monday night. The water and toilets and electric lights are all in good order and it is expected that a record number of tourists will avail themselves of this camp's advantages during the season.

Conservative Club Met. The monthly meeting of the Kingston and Frontenac County Conservative Association was held in the Conservative Club rooms on Monday evening, there being a fair attendance. An address on the political situation was given to the gathering by Dr. A. E. Ross. Dr. Ross reviewed the situation of the past few weeks at Ottawa and expressed confidence that the Conservative Party would be elected to power.

At Eastview Park. The few days of hot weather took several new families to Eastview, who, with the earlier people, make now over twenty families. Several Queen's Summer School families are going down this week, so

that within a short time all the available homes will be occupied at this popular resort. Tennis, baseball and boating are already in full swing; and the place is rapidly taking on its usually lively appearance.

Camp Frontenac Is Open. Camp Frontenac at Grindstone Island has opened for its twenty-second season. About seventy boys from New York, Pittsburgh, St. Louis and other western cities, representing such schools as Andover, Exeter, Taft, Peddie, Blair Academy and Franklin, are at the camp.

Held for Federal Court. Charles O'Brien, Alexandria Bay, is being held under bail of \$10,000 for federal court at Watertown, N.Y., charged with violating the Volstead Act and the customs laws, following the seizure of the defendant's houseboat on Saturday night last. Officers who made the raid found a small quantity of Kingston beer on the boat and also caught two men in the act of purchasing liquid refreshments. O'Brien and his houseboat figured in an O.T.A. case last summer following his arrest at Larue Island.

FIXES POWER RATE OF .75C FOR RAILWAY

(Continued from Page 1.) The Commission to the effect that it had been established that the cost of delivering power to Kingston was \$36 per h.p. per year. The Commission said that they would be in a position to supply Kingston with an additional 1,000 h.p. about December next and that the cost of it would be about \$36 per h.p. The commission suggested that Kingston enter into a new contract with them. Mayor Angrove suggested that the city get the extra power at \$36.

Chairman McFarlane remarked however that Kingston was as yet not using up its full amount of 4,000 h.p. and he suggested that no immediate action be taken toward securing new power.

Mr. J. M. Campbell moved that the letter be referred to the city solicitor for an opinion as to the authority of the Public Utilities Commission to make new contracts with the Hydro Electric Commission.

Reducing the Rates. Chairman McFarlane brought up the matter of reducing the rates to the consumers of electrical energy. The Commission did not want to have another big surplus such as it had last year, he said.

Mr. Campbell said that he agreed with Mr. Halliday that no doubt the reduction in rates was being held up waiting to see what new agreement the Commission would make with the Hydro. If under a new contract the city had to pay \$11 per h.p. additional for power the rates would have to stay where they were.

Mr. Halliday thought the commission should put away more toward depreciation. Mayor Angrove thought some of the surplus could be wiped out by charging the city less for the street lights. Mr. Campbell and Mr. Folger were of a like opinion but they suggested that more lights be added for the same money rather than that the city should pay less for the lights it already had. They considered that a well-lighted street was an asset.

New Schedule. Mr. Halliday brought the matter to a head when he moved that the general manager go into the whole matter and prepare a new schedule of rates to be presented and discussed at a special meeting of the Utilities Commission. This was agreed to.

Mr. Harris moved that the surplus on hand at the present time be invested in city or Dominion bonds. The motion carried.

A letter was read from McKelvey & Birch Ltd., asking as a condition of their deal for the John Litton factory on Rideau street that the city guarantee them \$0 h.p. to be increased later. Mr. Folger also stated that this firm had approached him with regard to using a considerable quantity of gas. Favorable action was taken on both of these matters.

This store extends you a glad hand

Friendship is the greatest asset in the world. The store without its friends is indeed rare, for such a store cannot last very long.

We like to meet our friends — like to greet them with an old fashioned handshake that sends the blood tingling to the toes. We like to have our friends feel that we are not in business merely to make money for there are other things which are decidedly more important than money.

We want to know more people and want more people to know us. It has always been the main policy of this store to give real, honest value in merchandise at a reasonable price.

If you are a stranger in town, make yourself known to us. If you are an old resident we welcome you to the store. Let us meet you personally and in this way we will become better known to each other.
