

Queen's University Summer School

Classes at the Queen's Summer School are underway today but they are not nearly complete yet as students are still registering.

The present session promises to be a most successful one and already the executive of the Summer School Association has completed plans for a number of activities. The elections for the new executive will be held in about three weeks time, but owing to the shortness of the term they will not be accompanied with any of the spectacular campaigning of the Alma Mater Society elections. Last year it was arranged that the executive should be appointed one year in advance so that those elected last year will carry on till the end of this term and the executive elected this summer will not assume office until 1927.

A good programme of athletics has been planned and it is expected that a tennis tournament will soon be held. Soft ball is another of the Summer students participate.

The usual Sunday evening services will be held in Grant Hall this summer and it is the aim of the association to get outstanding speakers to address these gatherings.

Greetings Extended.

In the first edition of the Queen's Journal for the Summer School term which was issued Wednesday both Dean W. T. MacClement on behalf of the faculty and Mayor T. B. Angrove on behalf of the city extended greetings.

Dean MacClement advises the students to spend a reasonable time on both work and play with a view to the years which are to follow and if this is carried out he believes that both the student and the University will be glad to have come in contact.

Mayor Angrove in his welcome says that Queen's students have a large bearing on the life of the city and he heartily welcomes the summer students. He also extends thanks to them for the support they gave to the Old Boys' Re-union last summer.

The following is a partial list of those registered.

- Mrs. Mary Abernethy, Actinofite.
- R. J. Aitchison, Toronto.
- J. M. Allison, Toronto.
- H. O. Banks, London, Ont.
- Dorothy Bellman, Bowmanville, Ont.

as a Tuxis Square or a Trail Ranger camp. Badge work is being emphasized, and a few of the boys will be able to wear new badges before the end of the camp.

Wednesday and Saturdays are set aside for visitors and parents, and friends of the boys will be particularly welcome on either of these days.

A special programme is being arranged for next Saturday afternoon. Those motoring in, should go to Parham as the camp is located about a mile from there.

EASTERN ONTARIO IS UNFAIRLY TREATED

Regarding Power Supply—Ontario Government's Attention Directed to It.

Belleville, July 7.—That Eastern Ontario is being treated unfairly in the matter of power development in the province and that the attention of the Ontario Government should be called to the situation existing in this part of the province, were opinions voiced at an executive meeting of the recently organized Eastern Ontario Chamber of Commerce held here today.

It was stated at the meeting that this section is being unfairly dealt with in the proposed Gattineau power project and that it would be all in favor of Toronto and western Ontario. It was also stated that the excessive cost of water-developed electric energy was driving manufacturers in Eastern Ontario back to steam-generated power.

A resolution was passed that the Government of Ontario be asked to see that "all power in this division or procured by lease from the Gattineau river or other surrounding sources be developed at 60 cycle frequency and transmitted at 44,000 voltage."

Kingstonians Qualify.

The names of Marian Lake Kendall, and Harold William Harper, both of Kingston appear in the Canadian Gazette, as being established on the eligible list for typists, Grade 2.

Ordered to Remove Flags. Ottawa, July 7.—A police constable here caused a stir to-day by ordering United States tourists to remove American flags on their cars when not accompanied by the Union Jack.

CANADIAN LEGION MET FOR FIRST TIME

The Association is Clear of Debt and in Splendid Condition.

The first meeting of the Canadian Legion of the British Empire Service League, Kingston Branch, since installation of officers, was held Tuesday night at their headquarters on Princess street. The newly-elected President, C. Hicks, occupied the chair. There was a full attendance at the meeting, which is a very good start.

The financial statement was read, showing that the Legion was entirely out of debt and on a sound, financial basis. There was a lengthy discussion with regard to Decoration Day. It was finally decided to make arrangements for the decoration of the soldiers' graves at Cataract and St. Mary's cemeteries. The date for decoration day this year was set for the Sunday before the civic holiday. Comrades are supplying cars for transportation to the cemeteries, and they are to leave the city at two o'clock in the afternoon. The graves to be decorated will be marked with small Union Jacks. It was requested that old members be present to assist on this day. The feeling of the entire meeting was that a permanent date should be set and that the public and the city officials should cooperate to make this day the success it deserves to be.

The meeting decided to leave the entire matter of forming a scheme of rules with regard to the new billiard table for members only. It was announced that the arrangements were well under way for the formation of a ladies' auxiliary to the Canadian Legion, and the membership of the auxiliary will be open only to the wives or blood relatives of veterans. An announcement was also made to the effect that a large banner had been ordered for the front of the headquarters with the name "Canadian Legion" on it.

The members of the Legion feel that the Diamond Jubilee of the Dominion of Canada should be fittingly celebrated here in Kingston and they decided to do all in their power to assist in making the celebration worth while.

The next regular meeting of the Legion will be held Monday, July 19th.

Vessel Runs Ashore And Rapidly Filling

Halifax, July 7.—A radio message to C. H. Harvey, local agent of the Marine and Fisheries Department, stated that the steamer Ballenas was ashore on the north tip of Seal Island, near Race Point, and badly in need of assistance. The steamer grounded at 6:05 eastern standard time, this morning. The message said the steamer was rapidly filling. The Government steamer Bollard was standing by at Yarmouth.

Boy's Eye Injured By an Air Rifle

Ross Burrige, of Gananoque, a young man who is visiting relatives in Portsmouth, was taken to the General Hospital about 1 o'clock to-day suffering from injuries to his eyes caused by an air rifle. The injuries are believed to be quite serious, and are being attended by Dr. H. C. Connell.

RECITAL BY PUPILS OF MRS. TELGMANN

In the City Hall Tuesday Evening—The Performers Did Well.

A large and interested audience heard with pleasure the dramatic recital given in the city hall on Tuesday evening by the pupils of Mrs. O. F. Telgmann. A great deal of dramatic ability lies hidden in the young people of Kingston, and Mrs. Telgmann has the power to bring it out.

The programme also included violin music, and the young musicians covered themselves with glory. The pantomime, "The Raven," which concluded the entertainment, was much enjoyed.

The String Quartette, "War March" (Mendelssohn), Masters F. Grimshaw, H. Davis, W. Gummer, J. Telgmann.
