SYRACUSE DEFEATED KINGSTON BY 3-0 IN BEST GAME OF THE SEASON

"Del" Cherry Pitched Splendid Game for Locals and Miner Was Great for Syracuse—Five of Seven Innings Game Were Scoreless—Bert Daley Made Two Splendid Catches—Locals Lost Good Big Chance to Score.

In what was easily the best ball game seen on the local field this season, the Syracuse Elks defeated the Kingston seniors here last evening in an exhibition game, the second of a two-game series, by the score of 3-0. The game by agreement went only seven innings, due to the lateness of the start, this being caused by the heavy downpour of rain which preceded the contest. Despite the heavy rain that had fallen, there was a fair-sized crowd on hand, and the field was in great shape.

The ball played was air-tight nearly all the way and was marked by clever work by the outfield of both teams. Bert Daley was the outstanding star of the whole game and contributed two beautiful catches, the second being a sensational one-hand dive affair, that seemed to be almost an impossibility. Daley made his first good catch in the second inning when he ran far down the track to grab Elsemann's drive. It was high over Daley's head but he picked it off the wire. The other was in the fifth when Pounce put one away but Daley speared it with one hand as he fell. He was also one of the four to hit safely and turned in good ball.

Burst, right fielder for the visitors, contributed something novel when he took Thompson's fly sitting down. He backed up for the long drive and in doing so backed against the little hill and sat down. He saw he could not get up in time to get the ball standing up and he sat there and caught the ball. It was a clever bit of work.

"Del" Cherry broke into the pitching game again and came through well until the seventh when he was relieved by "Bubs" Britton. Cherry did remarkably well and had five strikeouts to his credit. He fanned the first two men to face him and the first man in the second. He also got the first man in the third and with two men on bases in the third and two out, he retired the last batter on strikes. Cherry showed plenty of speed and control and proved that he has plenty of pitching ability.

There was not an extra-base hit in the game until the first of the seventh when Miner, the visiting pitcher came through. The pitching duel throughout the game kept the batters on edge and the work of the heavies was great when it is considered that Cherry was touched for only six hits and Miner four. There was not a stolen base all evening either and the two catchers kept their eyes open all the time.

Syracuse scored their first run in the sixth inning. Slake, the first man up, singled. Dear laid down a pretty bunt and sacrificed him to second.

Burns hit scored him. The next two men were easy outs at first. The other two runs were scored in the seventh when Kingston blew. With one out, Cherry walked the next man and Miner bled for two bags. Pounce lifted a long fly to left and Elsemann scored on the throw in. Slake reached first on Halbert's error and Miner passed through. Arnel threw wild to second but Cherry grabbed the ball and threw to Batstone to get Slake at third. Batstone dropped the throw but Slake slid over the bag and Batstone tagged him.

Kingston came close to scoring in the third inning. With two out, Thompson walked, Halbert singled and Batstone walked, filling the bases. Cherry closed by grounding to Burns at first. They looked to be away for a start in the ninth inning also but the rally was cut short and the game promptly ended. The box score:

Somerville Will Be Welcomed Back Home

London, Ont., July 7.—C. Ross (Sandy) Somerville, amateur golf champion of Canada, will likely be given a public reception by the City Council on his return to his home here next Saturday. The suggestion was considered by the council at a conference held last night. The consensus of opinion is that some steps should be taken to recognize Mr. Somerville's public service in the winning of the golf championship. This was the third year that "Sandy" as he is popularly known, reached the finals in the championship event, but in the two former years he has been eliminated. Ken Marsh, professional of London Hunt Club, with a number of members of the club, went to Toronto on Saturday to watch Mr. Somerville play the final [and Golf Club. He has already been voted an honorary membership in the High-gate. He has already been voted an honorary membership in the High-gate.

SPORTING NOTES AND COMMENT

The two splendid catches made by Bert Daley in yesterday's games were features of the contest. Daley's first catch was real good, but the second was a real thriller.

The financial condition of the Kingston Senior team is grave and unless some plan is devised whereby the difficulties can be overcome, it looks as though Kingston fans might have to forego the pleasure of seeing senior ball for the rest of the season.

The Circle-Six and Victorias crash into it again this evening, unless another squall comes up. This is the play-off of the tie game played some time ago. The game should attract a big crowd this evening.

"Bubs" Britton launched forth as a pitcher last evening and started off as though he might show something. His period in the box, however, was too short to give the fans a real oncover on his work as a mound-man. He has the appearance of a good finger anyway.

The Summer School students have lost no time in getting on the job at the new tennis courts at the university. Since the school opened on Monday the courts have been in constant use.

It is to be hoped that the Supremes and Treasures will not quit their game now for the rest of the season just because the championship has been decided. The interest in the girls' teams is still high. Exhibition games with a Toronto girls' team might be considered. Perhaps the George Richardson Memorial Stadium could be secured for such a series. There is little doubt that it would be a drawing card. If games with a Toronto girls' team were arranged, and held in the Stadium, some of these "ardent" supporters would have a chance to show how really enthusiastic they are when they would have to pay an admission fee.

Judging from the crowds that attended the softball games, that is, the girls' games, one would be led to believe that the teams were making well out of them. When some of the amounts that were received from the very large crowds that attended the games were learned it was figured that less than three in ten contributed anything. Surely if a game is worth going out to see, it is worth at least a dime or fifteen cents. What seems to be the matter anyway?

The Kingston Seniors were slated to play in Belleville against the Belleville Nationals today. The league leaders were confident of trimming Walter Gerow's outfit again.

Van Young, pitcher for the Kingston Seniors, has come along wonderfully well this season, and has turned in some good twirling. Young has had more chance to strut his stuff this year than he ever had before and he is showing that he has the goods to deliver. Young, in addition, is a popular favorite with his team-mates.

"Liz" Walker has developed into a mighty arbiter. He was one of the two umpires selected for the girls' softball final and handled the job well, according to reports.

Gunboat Smith is in the movies.

HELPFUL GOLF HINTS By Francis Outmet. Nothing is more deceptive than distance in golf the player is constantly moving about and trying various links, so he should be a good judge. Tournament players just have to be, else they crack at odd moments for no other reason than failure to know how far it is to the green. Too many golfers depend on the other fellow. That is the wrong theory. There is more to the game than copying the play of an opponent, especially if he is better than you. No two champions use the same weapons. They get home by different routes. Each is a star because he knows his limitations with his clubs. That is usually the way with the average golfer. He thinks he knows all about it. Golf holes are deceptive as to length, some more than others. No one can rely on guesswork as to distance. There is one sure plan to follow in judging the length of any hole—the distance in yards. By doing that you then know what you have to do. And you can figure it out with mathematical precision if you have made it a point to remember the distances of various holes you know well. Gannets are sociable birds. They nest in vast colonies. GROVER ALEXANDER. Veteran National League pitcher, who has been obtained by the St. Louis Cardinals from the Chicago Cubs. Alexander put in eight seasons with the Windy City club and previous to that served seven with the Phillies. Manager Hornsby figures on using Grover often.

Helen Wills, America's champion woman tennis player, convalescing from an operation performed in Paris which forced her to cancel engagements to meet Suzanne Lenglen, the French ace. This photo, the first shown since her illness, was taken the day she left the hospital. Miss Wills hopes to defend her honors in the fall tournaments in America.

FINE PROGRAMME OF RACES HELD

Girls and Boys Tied at Softball—Big Crowd at St. Paul's Sunday School Picnic.

The annual Sunday school picnic of St. Paul's Church was held at Brophy's Point, Tuesday. Despite the rain, it was a decided success. There were nearly three hundred present and all joined in the merry-making. The success of the picnic was largely due to the work of the following: Canoa W. F. Fitzgerald, Harry Hauts, Fred Crain; W. J. Monk, E. Doe, C. W. J. Adams, W. Lowry, who were in charge of the sports and general picnic, and to Mrs. W. F. Fitzgerald, Miss M. Thurston, Miss E. McCullagh, Mrs. K. N. H. McCullagh, Miss I. Wiley, Mrs. F. Black, Mrs. J. McDonald, Miss Mills, Miss I. Mitchell.

The softball game between the boys and the girls of the Sunday school provided plenty of fun for all. The game ended up a tie and it had to be called due to the rain. It is said that the boys were thankful for the rain: The results of the other sports were: Girls' Races. Ages 4, 5 and 6 years—M. Ryan, M. Lowing. Ages 8, 9 and 10 years—D. Mullholland, C. Ryan. Ages 11, 12 and 13 years—R. Thompson, A. Lowing. Ages 14, 15 years—G. Fleet, G. Wylie. Three-legged race—S. Steacy and P. Ellerton. Wheelbarrow race—C. Lee and R. Thompson. Horse-race—C. Lee and R. Thompson. Tug-of-war, married ladies vs. single ladies, won by married ladies. Married ladies' race—Mrs. Edwards. Balloon race—E. McCullagh, G. Fleet. Mrs. Fitzgerald's Bible class—Lily Mullholland, Edith McGill. Lady teachers' race—D. Henry, F. Ellerton. Consolation—F. Patterson. Boys' Races. Ages 4, 5 and 6 years—T. Ellerton, Ted Doe.
