NEARLY 2,000 PEOPLE AT ST. MARY'S PICNIC

Big Event Held at Brophy's Point on Wednesday—Results of the Sports.

With fine weather for the programme of baseball games, races, swimming and other contests, the annual separate schools' picnic was held to Brophy's Point, Wednesday. The steamer Brockville was carrying picnicers all day, the total number of passengers being one thousand, nine hundred and eighty-one. With such a large crowd it was remarkable that everything was managed so perfectly, especially as the greater part of this large crowd were children. The credit for this good management is mostly due to the members of the School Board, who are Dr. J. T. Davis (chairman), J. Melville, T. Wilkinson, T. Doolan, John Sullivan, W. G. Bailey (treasurer), J. Lawrence E. Cochrane, James Rigney, James Sowards, Dr. W. Gibson, J. Hughes and M. Kennedy. One cannot say too much of the fine work of either Rev. Father Lacey, who helped out with everything, or of the ladies who worked so unceasingly at the counter, and supplying lunches for the apparently ever-hungry crowd. These ladies were: Mesdames A. Carey, E. O'Neill, J. Donoghue, E. Venous and Miss P. Fay, at the lunch counter, making and dispensing tea, Mesdames E. Clarke, D. McCormick, A. Sampson; soft drinks, Miss M. Donoghue, Mrs. W. Robertson, Mrs. W. McParland; candy, Mesdames J. E. Marcoux, C. Murphy, H. Paus, J. Taucher, W. Liddell; ice-cream, Mesdames W. G. Bailey, W. Woods, J. Gow. The care of tickets, an all important charge, was ably handled by James Sowards, J. Hughes and T. Stanford. Without a sports committee, there would be no picnic, therefore a large share of additional credit should be bestowed upon that committee consisting of Dr. J. T. Davis, T. Wilkinson, J. Melville, T. Doolan. The large crowds were handled splendidly with the aid of Provincial Police Constable Clabbe.

The baseball game in the morning, between the Senior Fourth and the Junior Fourth of St. Mary's school resulted in a decided victory for the Senior Fourth by the score of 22-11. The little boys put up a strong battle but were not strong enough for the older team. The results of the races and contests was as follows:

Girls 8 years—Anna Lents, Norah Bramah, Edith Peacock.

SUCCESSFUL SOCIAL WAS HELD AT ELGIN

Over 1,500 Persons Attended Event on Wednesday—Big Sum Realized.

A very delightful and well attended social was held by the Catholic church parish, at Elgin on Wednesday, being over fifteen hundred people in attendance from the surrounding countryside, during the day. A very pleasant time was enjoyed in the spacious grounds where visitors from the surrounding countryside met and renewed friendships. The chief feature of the social was the chicken supper served on the grounds. The large crowd was served and a considerable sum was made as a result of the supper. The different tables were well patronized and the affair was voted the most successful held in that section of the country in years. Delightful weather attended the social. Rev. Father Carey is the parish priest at Elgin.

QUEEN'S GRADUATE TELLS OF TROUBLE

Dr. W. Harmon Cole Was to Have Been Expelled From Mexico.

An interesting letter has been received by Ottawa friends from Dr. W. Harmon Cole, who during the recent political strife, was ordered deported from Mexico where he had a hospital at Torreon. Dr. Cole, who formerly lived here, placed his case before the Mexican Government, and the order was cancelled. He will continue his work there. The letter from Mexico City, in part, says:

"You may have heard that I got into a pretty mess in Torreon owing to some low intrigues by some local people, and they brought the matter to the head Government officials in Mexico City, and I was to have been expelled from the country as an undesirable foreigner. But I got to the City of Mexico and place the matter before the ministers of the various Government departments. Before my arrival in Mexico City, the whole country rose in a body. All the various organizations, the governor of the state of Coahuila and Durango, and others,—I should say all the prominent people — merchants, ranchers, and industrial — and even the poor people of the entire district sent telegrams and petitions of all kinds to the President and the different ministers of departments.

"When I left Torreon, the whole city turned out to say good-bye, and on arrival in Mexico City, there was a large crowd there to meet me and escort me in every way. The British vice-consul was on hand and autos were placed at my disposal. All of the papers were full of the news. When I appeared at the various Government departments, I was treated by all in the kindest way possible. I did not even have a police escort, which is customary in such cases. Then when I made my defence and proved my innocence, the President revoked the order, and the whole matter was settled at once. All this was done in the kindest way possible. But oh! what a five days I went through!"
