THE GOLDEN WEDDING OF KINGSTON COUPLE

Mr. and Mrs. Armour Lett Observe Event at Brewer's Mills.

A very pleasant event took place at Brewer's Mills on July 6th, when Mr. and Mrs. Armour Lett celebrated the fiftieth anniversary of their marriage, at the home of their daughter, Mrs. W. G. Anglin. Some of the members of the family residing in the West were not able to attend. Those present were Mr. and Mrs. Ross and son Garvin (who arrived Monday evening having motored in twelve days from Washington on the Pacific Coast); Mr. and Mrs. Clifton Lett, of Kingston; also Rev. S. Blanchard, of Kingston and other friends. The bride and groom were the recipients of a number of useful gifts. That from the family was a beautiful purse containing six gold pieces. Letters and telegrams of congratulation were received from other relatives who were not able to be present.

Messrs. George Duggan, Belleville, and Charles Bonisteel, Bayside, 81 and 84 years of age respectively, took part in the Orange celebration in Belleville on July 12th. Sometimes a man fails to accomplish anything worth while because he is too busy criticizing some other fellow's work.

1ST KINGSTON TROOP OF THE BOY SCOUTS

The meeting of the 1st Kingston Boy Scouts, Monday evening, went right through the programme with a flourish. The flag breaking and lowering, has become almost a tradition with the boys already.

The flag was broken by the second of the Wolves, who won the competition last week. Patrol corners, for a few minutes were rushed with the patrol business. Now and then a boy likes to have a rough and tumble, and the scouts had it last night in the "skirmish" which the boys enjoyed, though their clothes didn't. Again in patrol corners, the boys reviewed their knots for the patrol competition. The bowline knot was the test and a few boys found that they did not know it, much to their surprise. The Rooks won the knot race, though they are all new boys and are still minus a patrol-leader. A new game, "Rabbits and Burrows," was interesting and snappy.

An observation test, in the form of a mimic street car, in which each boy had to note the dress of the boy opposite him and then after a change had been made, must note what the change was. Before flag-lowering a few announcements were made. The most important one was with regard to the circus. The boys have undertaken the task of selling two hundred and forty tickets for the Kiwanis circus, and they say that they will do it this week.

The marks for the night were announced, being as follows: Wolves, 134; Rooks, 131; Muskrats, 130; Beavers, 128; Eagles, 122. The Wolves, who are still in the lead, again lowered the flag and took charge of it for the week.

There were several visitors at the meeting, Rev. A. E. U. Smart, Scoutmaster of the 1st Portsmouth, with the troop-leader and two patrol-leaders of the Portsmouth troop, who came to make arrangements for the camp to be held in the latter part of August, spoke a few words to the boys. Mr. V. H. Shephard, Scoutmaster of the 3rd Kingston troop, accompanied by the Scoutmaster and the Cubmaster of the 52nd Toronto, who are in the city for the week, all brought greetings from their own boys.

Hikes were planned for the week, and the Court of Honor decided to hold their meeting Friday evening, seven-thirty, at the market square.

Woman Painfully Burned
Belleville, July 13.—Mrs. Seymour of New York, a cottager at Twelve O'Clock Point, near here, saved her cottage from being consumed by fire yesterday but in so doing received painful burns about her face and arms. She had left paraffin for use in canning fruit, melting on the stove and had gone to another room, returning to the kitchen she found it ablaze, but prevented a bad fire by throwing the little stove out of the window and calling for help.

Brady was one of a party of six traveling upon freight trains westward.

The contract for the new Belleville agricultural building was awarded to R. P. White. The fair board is paying for the construction, about \$5,000.
