**'KIKI' AT CAPITOL.**  
Norma Talmadge Stars in Picturiza-  
tion Stage Hit.  
"Kiki" came to town yesterday to  
delight audiences at the Capitol  
Theatre. "Kiki" means Norma Tal-  
madge, for the versatile star and  
perennial screen favorite has  
brought the famous Paris street girl  
to the silver sheet.  
Norma, surrounded by a bril-  
liant cast, enacts the role of a Par-  
is street gamine and the soul of a  
"great lady." She is a harmo-  
nious character, unused to the  
good things of life until she meets  
a theatre manager (Ronald Col-  
man), who, partly through sym-  
pathy and partly through love, takes  
the girl into his luxurious home.  
The devil-may-care miss, who is  
as nimble with her fists as she is  
with her tongue, has a love rival  
(Gertrude Astor). In fact, Miss  
Astor, in the picture, is Ronald's  
fiancee, and how Norma wins him  
away from the richly dressed  
stage favorite and falls the gentle-  
manly villain (Marc MacDermott)  
is highly diverting.  
"Kiki" is pictured on a lavish  
scale. A section of modern Paris  
including cafes, shops, theatres,  
etc., has been faithfully reproduced  
in Miss Talmadge's latest picture.

ARE COVERED**  
In the Agreement Now Signed  
Between Great Britain  
and France.

London, July 13.—The settlement  
signed in London yesterday by French  
Finance Minister Caillaux covers not  
only the French war debt, but virtual-  
ly all outstanding accounts between  
Great Britain and France. Announce-  
ment to this effect was made in the  
House of Commons to-day by Winston  
Churchill, Chancellor of the Exche-  
quer. The French payments, he  
said, would be \$4,000,000, \$6,000,  
\$8,000,000 and \$10,000,000,  
rising to \$12,500,000 annually, the  
last named figure being reached in  
1930. From 1930 to 1935 payment  
would be \$12,500,000 annually, ris-  
ing to \$14,000,000 for the final tri-  
ty-one years.

**OBITUARY**  
Mrs. Arthur Bishop.  
A death that has caused deep re-  
gret throughout the Howe Island  
district occurred on Saturday when  
Laura P. Driscoll, wife of Arthur  
Bishop of Gananoque, passed away  
at the home of her father, John Dris-  
coll, Howe Island. Mr. Bishop and  
his young wife, who was aged nine-  
teen years, had been married only  
since last fall.  
The funeral took place from the  
residence of her father on Monday  
morning to St. Philomena's Church,  
where a solemn requiem mass was  
sung by Rev. Father A. J. Hanley  
of Gananoque. Interment took place  
in St. Philomena's cemetery. Six  
cousins acted as pall-bearers. They  
were: Robert Foley, Wilfred Foley,  
John Pickett, Arthur Pickett, Rich-  
ard Pickett and William Murphy.  
The late Mrs. Bishop is survived  
by her husband, her father, three  
sisters, Mrs. W. O. Prior, Helen and  
Ruth, and four brothers, Michael,  
Leonard, Ernest and Eugene, all of  
Howe Island. The sympathy of the  
entire community is extended to the  
sorrowing relatives in the death of  
this popular young lady.

**Supremes' Team Won  
At Gananoque, 23-19**  
The Supremes stepped at a fast  
pace in Gananoque yesterday in an  
exhibition game of softball with the  
Garnocks and defeated the Island  
Town representatives by the score of  
23-19. The Supremes made their big  
stand in the fourth inning and clout-  
ed the ball hard, getting eleven runs  
before the frame was ended.  
Outside of that one bad inning, the  
play was very close and the large  
crowd in attendance found plenty to  
become enthusiastic about.

**Francis Thibault, Aged 19,  
Tried Vainly to Save Doris  
Daggart, Aged 10.**  
Francis Thibault, aged nineteen  
years, of Clayton, N.Y., a telephone  
lineman, lost his life in a futile at-  
tempt to save Doris Daggart, aged  
ten, who was overcome while swim-  
ming in the St. Lawrence River near  
Clayton yesterday. Both bodies were  
recovered within fifteen minutes,  
but all efforts to restore life were  
fruitless.  
The little girl was overcome by a  
sudden attack of cramps, and Thib-  
ault, hearing her cry for help,  
dived into the water at the spot  
where she had gone down. It is be-  
lieved that, as neither rose to the  
surface, the girl locked her arms  
about him so tightly that he was un-  
able to free himself.

**MR. F. J. HOAG TO BE  
RETURNING OFFICER**  
It is unofficially announced that  
Mr. F. J. Hoag will be the returning  
officer for Kingston riding in the  
coming election. "I am not giving  
this as official," said The British  
Whig's informant, "but I am quite  
sure that that's what will happen."  
On a previous occasion Mr. Hoag was  
the returning officer.

**Says "Liz" Walker Did  
Not Coach the Supremes**  
In connection with a statement  
made by Mr. Jack O'Neill, manager of  
the "Supremes" Softball Club, Mrs. T.  
Wilson, former president of the League,  
and president of the Supremes' Club,  
declared to-day that "Liz" Walker  
had not at any time coached the  
Supremes and denied that he had  
assisted the team the Saturday pre-  
vious to the final game, as Mr. O'-  
Neill had said he did. Mr. Walker  
had been asked to attend a picnic  
that was held by the Supremes, but  
he had not coached the team at any  
time.  
Mrs. Wilson, speaking of the un-  
pleasant incident, said it had been left  
entirely to the president of the League  
whom the umpires would be and there-  
fore it was not necessary to notify the  
team twenty-four hours ahead. Mrs.  
Wilson stated she did not know until  
the morning of the game who the  
umpires would definitely be anyway.  
There is a difference of only one  
run on the round between the Su-  
premes and the Treasures, and points  
out that although the Treasures did  
win three out of four games, the to-  
tal score was 34-23.

**THREE MORE HOME GAMES.**  
After to-morrow's game there will  
be just three more senior games to  
be played in Kingston before the  
schedule is completed. On Friday,  
July 23rd, the Belleville team plays  
here, on August 4th the Petes come  
here, and again on August 13th the  
Belleville Nationals finish up.

**WHITEHOUSE GOES WELL.**  
Peterboro, July 13.—Frank  
Whitehouse, the Peterboro southpaw,  
is going great guns with the Grand  
Rapids team of the Central League.  
On the recent road trip of the Grand  
Rapids outfit, when they only won  
five games out of fourteen, White-  
house captured three straight games,  
beating Flint 4 to 1, Saginaw 7 to 2  
and Kalamazoo 8 to 1. On the Sag-  
inaw line up was Les Nunamaker,  
former Cleveland catcher who comes  
to Rice Lake every fall and Calbert,  
the former manager of the Hamilton  
M. and O. team.  
Frankie has won nine games in  
eleven starts since making his "pro"  
debut and if he keeps up his present  
gait will undoubtedly be recalled by  
the Rochester International League  
Club.

Leeds, Eng. July 13.—The third  
test match between the Anglo-Aus-  
tralian cricket teams ended this af-  
ternoon in a draw. The scores: Aus-

first innings 394, second innings 264  
for three wickets.

**A Gruesome and  
Baffling Murder**  
**Body of Girl Found Mutilated  
and Disemboweled Packed  
in Boxes.**  
Boston, July 13.—The police to-  
day were faced with the most grue-  
some and baffling murder mystery  
they have encountered in recent  
years. The body of a girl, mutilated,  
disemboweled and unidentified, was  
discovered early to-day by a laborer  
on a lonely road that runs between  
two cemeteries in the Manhattan dis-  
trict. The police believe the young  
woman, attractive and apparently  
refined, had been dead a week and  
that her body had been cut up and  
packed into two boxes and a burlap  
bag in which it was found. The only  
clue left for the police to work on  
were knots in the cord which bound  
the boxes. These were evidently tied  
by some one familiar with marine  
knots.

**SUMMER SCHOOL NOTES**  
The registration figures for the  
Queen's Summer School the given  
out Tuesday morning by the regis-  
trator's office were 695. The students  
who will take the library science  
classes do not begin their studies at  
the school until near the end of  
July, however, and when they have  
all registered it is expected that the  
total enrollment will be considerably  
in excess of the present figures.  
The motion picture of Queen's  
University taken early this Spring  
in connection with Endowment Cam-  
paign will be shown for the bene-  
fit of the Summer School students  
in the near future.  
The first clash of the three game  
softball series between the Bachel-  
ors and Benedictites is to take place  
on the University grounds Tuesday  
night.  
Effort are being made to organiza-  
both a men's and ladies' softball  
league.  
The first general meeting of the  
Summer School Association will be  
held in Convocation Hall on Thurs-  
day evening.  
A street parade of the students is  
to be held next week.  
The annual Summer School ex-  
cursion has been planned for July  
26th.

**NOW SHORT OF MONEY  
FOR COUNTY ROADS**  
The budget of 1926 a certain  
amount was set aside for mainten-  
ance work on the County Highways  
System but owing to contingencies  
this amount was not sufficient, and  
there was a deficit of about \$1,000.  
The deficit was taken care of in the  
rate struck for this year, but again  
the committee finds that the amount  
raised is not sufficient for the work.  
It will be remembered that at  
the June session of County Council  
when the budget was struck, the  
Good Roads Committee recommend-  
ed that their rate be 6 mills. This  
report was amended in council how-  
ever, and the rate was reduced to 5  
mills. The years and ways were re-  
corded on the question of reducing  
the rate and were as follows:  
Yeas—McGregor, Barr, Cronk,  
Graham, Aylesworth, Pringle,  
Stinchcombe and Shanks.  
Nays—Sillis, Sibbitt, Freeman,  
Kennedy, Jamieson and Sprenkle.

**Received With Moderate  
Satisfaction in France**  
Paris, July 13.—Signing in Lon-  
don yesterday of the agreement on  
the French war debt to Great Britain  
caused only moderate satisfaction  
here today because of the fear that  
there had been important and un-  
pleasant omissions from the full  
terms in published summaries. The  
publication of the summaries was  
followed by a break of the franc to  
a new low record of forty to the dol-  
lar, but it recovered slightly at once.

**Waded Beyond His Depth.**  
Annapolis, July 13.—Wading out  
beyond his depth, John Aho, a Fin-  
lander, was drowned in the Mis-  
sissippi River, near Galesita, Sunday.  
He had gone in bathing with a num-  
ber of fellow-countrymen, all of  
whom are employed at the Kingston  
Mines. He was apparently unable to  
swim and sank before assistance  
could reach him. The body has been  
recovered.

**Canada Wins Kolapore Cup**  
Bisley Camp, July 13.—The Cana-  
dian won the Imperial Kolapore cup  
service match by six points today.  
The winners were leading at all  
stages of the three-stage match.

**Duncan Report Too Filthy  
To Ever Be Published**  
Calgary, Alta., July 13.—"Part of  
the Duncan report is so filthy and in-  
decent that it will never be publish-  
ed," Fred Davis, ex-M.P., East Cal-  
gary, said today. "The scandalous  
nature of the report will never be  
brought out on the platform. It re-  
flects upon the character of a former  
Minister of the Crown, upon several  
members of Parliament and upon of-  
ficials of the Government."

**TORONTO LIVE STOCK**  
Toronto, July 13.—Cattle trade  
was very dull, with few sales being  
made on the Toronto Live Stock Ex-

Calves were steady at \$11 to \$12 for  
choice with grassers at \$5 to \$7.  
Hogs were unsettled, with packers  
bidding \$14.75 off car. Lambs open-  
ed at 50c lower at \$14.50 for the  
best. Sheep were also easier at \$5  
to \$6 for the best.

**PRESENTS LOCOMOTIVE  
TO CITY OF EDMONTON**  
That Hauled First Train to  
That City Over C.N.R.  
in 1905.  
Edmonton, Alta., July 13.—A twenty-  
one year ago on November 24th,  
1905, the first train to Edmonton ar-  
rived over the lines of the newly-  
constructed Canadian Northern, and  
practically the whole population of  
the place crowded about the station  
to greet it yesterday afternoon at the  
fair grounds. Many of those who were  
present twenty-one years ago mingled  
with the crowd that cheered Mr.  
A. Wilcox, general superintendent of  
transportation of the Canadian Na-  
tional Railways at Winnipeg, as he  
presented in the first passenger train  
that hauled the first passenger train.  
A track had been built into the  
grounds and over this length of steel  
engine No. 103 moved under its own  
steam. The guiding hand at the  
throttle was that of Mike Dohn, the  
same man who drove No. 103 on its  
first trip into Edmonton twenty-one  
years ago.
