**USE IT**

A wholesale fish dealer who pays the Long Distance charges on customers' orders, sells 35,000 lbs. of fish in one week—over 3 times as much as he sold in the same period last year.

If it pays this merchant to spend an average of \$165. a month on Long Distance calls, by allowing customers to reverse charges on orders, it isn't necessarily because his goods are perishable. Our records show this policy is being adopted in many lines. Try it.

**AN UNUSUAL DEMONSTRATION.**

Church Army Crusaders to Visit Kingston, July 19th and 20th.

A party of 18 Church Army Crusaders, who are making their way from England, via Montreal, to Hamilton, will visit Kingston, July 19th and 20th.

These men, eleven in number, with their co-workers, seven ladies, are all commissioned worker members of the Church Army, the Church of England's own missionary society. The Church Army exists to preach the Gospel of Christ in church and in the open air, to visit the "down and out" section of society, as well as the respectable. The Archbishops and Bishops in England give it their warmest support, as also do Government Ministers, including the prime minister, Mr. Baldwin, for its many social activities. The Church Army, at the invitation of several Canadian bishops, has sent out this representative group to demonstrate more particularly the evangelistic methods of the society.

The Sisters in the Column are accommodated in houses, but as a rule the men sleep on Church House floors, with but four blankets and a groundsheet apiece. They have all dedicated their youth to this strikingly aggressive, and not lucrative labor, and are prepared to "rough it" for the sake of the cause which they espouse. Six of the eleven men fought in the Great War, one having been in the Royal Navy, another in the Air Force, another in the R.A.M.C., etc. The leader of the contingent, Captain A. G. Casey, who came over earlier in the time to prepare the route, is a prison missionary in the Church Army in England, taking special missions amongst men in the penal settlements of the home land.

Their coming to Canada on an altruistic mission, going from town to town and sleeping where they may, gipsy fashion, with the love of the outdoors, will make thousands of Canadians think. There is a varied evangel. There are teachers and preachers and prophets. These Crusaders are not prophets. They are sometimes called the Laughing Crusaders. John the Baptist was of another order. From time to time others will come with his sterner message.

**KAMP KOOCHPURWANI**

Wednesday is visitors day at Kamp Koochpurwani and friends and parents of the boys are especially invited to visit the camp. During the day there will be a field meet, all kinds of athletic tests. In the evening a return game will be played on the camp diamond between Parham and the Campers softball teams. Wednesday night Prof. Matheson will give a lecture on "The Stars."

The camp is reported to be a success to date. All the boys are well and healthy, no sickness or accidents have troubled anybody yet. There were four boys who could not swim when they went into camp, but now everyone can swim, at least a bit. During the swimming periods, a picket is placed on the wharf and one in the boat to watch for any trouble among the bathers. Once a day there is a health parade, inspection is made of teeth and health habits in general.

The competition between the four tribes is continuing to create great interest. At present the Pontiacs, under leadership of Harold Buck, is leading the camp. The most popular man in camp is Chef Hayes, who not only cooks all of the meals but also enters into all of the sports and games with the boys. He plays a good game of baseball too.

On Saturday evening the campers visited Parham where a ball game was staged between the men of Parham and a picked team representing Kamp Koochpurwani. The campers out-played their older opponents in every stage of the game, winning by the score of 3-3. The line up: Kamp Koochpurwani—Anglin, c; Buck, p; Brockel, 1b; Allan, 2b; Mathewson, ss; Hayes, 3b; Nash, rf; Ashby, lf; Newman, cf.

Parham—Wagar, c; T. Clow, p; Howes, 1b; E. Wagar, 2b; Smith, ss; Scott, ss; Geal, 3b; I. Wagar, rf; Bateman, cf; Cronk, lf; Umpires, A. Bateman and G. Smith.

On Sunday, a morning service was held at the camp when Mr. M. W. Harlow spoke to the boys on "The Cost of Character." In the evening a song service was held around the camp fire and a talk on the "Foreign Work of the Y.M.C.A. among the Boys of the World" was given. The boys spent a quiet day in camp and the change was appreciated after a strenuous week.

Monday morning after Bible Study led by Rev. J. K. Curtis, the boys were given instruction in camp craft. A group of older campers are taking up the Taxis badge work while the younger members are working hard on Trail Ranger work. Several badges will be carried back at the close of camp by nearly all the boys.
