**HIS FINGERS CRUSHED IN HORSE FORK PULLEY**

An Accident That Befel Frank Hart at Adolphustown Farm.

Adolphustown, July 13—The damp weather is delaying the hay harvest but is what other crops needed. The vicinity was visited by a heavy down pour of rain accompanied by very brilliant lightning on Friday evening which rather interfered with the social under the auspices of the United Church Sunday school. The illustrated lecture given by J. McCallum, Kingston, was a real treat.

**WONDERFUL WESTERN RESORTS.**

No more thrilling holiday could be imagined than a vacation spent viewing the inimitable scenery of the wonderful resorts and special tours of the Canadian Rocky Mountains and Pacific Coast.

Jasper National Park with its 4,400 square miles of Alpine scenery, its golf course, tennis courts, facilities for riding, climbing, hiking, camping, bathing, boating and dancing and Jasper Park Lodge on Lac Beauvert offering the visitor all the comforts of home, is without an equal.

For scenic thrills there is the Triangle Tour from Jasper Park along the Mystic Skenna to Prince Rupert. By boat to Vancouver and back to Jasper by train through the roaring gorges of the Thompson and Fraser Rivers.

Different again is the call through the sheltered scenic seas on palatial ships on the trip from Vancouver to Alaska. Nowhere else can such exotic scenes be viewed.

Canadian National Railways have special low tourist fares now in effect, which allow a stop over at Minaki the wonder resort of North Ontario. These special fares are good on the Continental Limited, the famous all-steel radio-equipped luxury train that gives a daily service from Montreal to Jasper and Vancouver via Winnipeg, Jasper National Park, Prince Rupert and Victoria.

**Bunker's Hill Notes.**

Bunker's Hill, July 14.—It has been very rainy lately but it has helped the corn, potatoes and gardens in general. The late rains made the roads quite muddy. There is plenty of water in the wells now everywhere. The potato bugs are getting very thick on the potatoes. Farmers will soon be cutting their hay, and they report it as being a good crop. The berries this year are very plentiful. There are a number of visitors at the lakes. James Wilson made a trip to Godfrey this week. Martha Wilson and family have been visiting at her father's, Biram Hopkins.
