JUNIOR GAME CARDED TO-DAY

Victorias and Circle Six Enter Second Half of Junior Schedule.

To-day at the Cricket Field at six o'clock the Circle Six and Victorias, Kingston's fast pair of junior teams, meet in the opening game of the second half of the junior series. The Circle Six won the first half honors after a hard uphill battle. It looked at times as though the Victorias might do the trick but when the punch was needed the Circle Six seemed to have it and it brought them to the first half championship. The Circle Six are determined too that there will be no playoff necessary and they will try their hardest to take the best three out of five games in the second half of the series. To-day's opener will give either team an advantage and both teams will be right on edge to pick it off.

The Victorias, while they lost the first half honors, have not lost any of their fighting spirit and to-day they will be right in there to trim the Circle Six if possible. It should be a sweet battle and fans who like good junior baseball that has thrills and excitement running through it all the time, should see to-day's fixture.

BASEBALL SCORES

INTERNATIONAL LEAGUE

New York, July 16.—The Maple Leafs thanked the willows of Miller and Carlyle and the whip of Clarence Fisher for their 4 to 3 victory over Baltimore yesterday in the final game of a five-game series. Toronto gave its best performance of the engagement to mark down two games against three for the victors.

At Rochester the Skeeters poured out at 12 to 9 victory over the Tribesmen. Twombly knocked a homer.

Reading made it three out of four against Syracuse by defeating the home team 5 to 4, despite Dyer's smart work. The local moundman fanned nine.

Newark started off well against the Bisons with three runs in the second inning and finished well on the long end of a 7 to 3 score. Mamaux sailed smoothly to victory except for a homer in the ninth. The Newark pitcher knocked out one himself.

SPORTING NOTES AND COMMENT

Dunc Munro, of Toronto, captain and defense player of the Montreal Maroons, world's professional hockey champions, was operated on for mastoids in Montreal this week. Munro was bothered greatly by these mastoids all last season and a successful operation should make a big improvement in his condition for hockey.

To-day's junior attraction looks pretty good. That there will be a large crowd out for the opening of the second half of the schedule goes without saying.

The Kingston seniors play in Peterboro on Saturday and another win for the local will give them the League championship by such a margin that there should be no doubt about it.

Swanston was speared in the game against Belleville last Saturday at Peterboro and was injured and "Hap" Harrison was unable to make the trip to Kingston on Wednesday, being in Western Ontario. That is the reason that these players were not here for the game between Peterboro and Kingston on Wednesday evening at the Fair Grounds.

The Kingston seniors this season look to be about the best combination that Manager Joe Daley has had in years. Their strength in every position. The outfield is the best in the Central Ontario League and the positions in the infield are in some places stronger than the other two teams. Britton is a far better short-stop than Blakley of Belleville or Johnston of Peterboro and Purvis can overshadow either Harry Mills of Belleville or "Hap" Harrison of Peterboro.

The sensational work of Britton this season in several games has been much commented upon by local fans. "Bubs" in addition to making himself one of the most popular players in the Club, has won his way to a high place in the fielding and batting records. He is playing great ball.

There promises to be plenty of excitement at the double-header game at Eignburg on Saturday. In the junior section Catarauqui and Eignburg Juniors meet and in the intermediate section Inverary and Eignburg meet. It is expected that a number of fans from the city will go out for this double bill.

BASEBALL PROBLEMS

By Billy Evans.

Umpire declares infield fly on ball that comes down at about the pitch-

er's box. Catcher makes a play on ball and muffs it. Does that make any difference in the play?

No doubt the wording of the rule, which says an infield fly is a fair fly ball other than a line drive that can be handled by an infield, is what raises the question as to whether the handling of the ball by the catcher affects the play.

It does not. It matters not who makes the play, provided the umpire is of the opinion that said ball could be handled by an infielder. The fact that the catcher dropped the ball near the pitcher's box is evidence that anybody on the infield could have probably played the ball better than he did.

CANADIAN NATIONALS LOSING SOME STARS

Strong Rugby Team May Be Disorganized Somewhat This Season.

Montreal, July 16.—Possibilities in the Quebec Football Union for the coming season seem to be in a state of uncertainty. It appears that some of the teams which have been regular competitors in the series may be missing from the list of entries. It is even possible that the Canadian National team, for three years champions, may be non-starters in the intermediate campaign.

Much has been said concerning the entrance of the Dominion Intermediate titleholders in the Ontario Football Union. But chances that they will enter the Western group with the long train journeys thus necessitated are so small that there is little or no likelihood that they will make the jump.

With many of the C.N.R. players ready to join the Montreal Amateur Athletic seniors in the Interprovincial Union it may mean that the strong railroaders will not be able to field a regular squad in the Quebec Union series.

It is known that the football club and the Canadian National Recreation Club held a meeting recently in regard to where the team will play this season, but just what resulted at the gathering has not been made known. It is thought, however, that the football club will place a team of youngsters on the gridiron to defend the title.

Incidentally officials of the Montreal Amateur Athletic Association Club are expressing no doubt whatever as to securing at least five of the Canadian National stars. Rumor has it that Cornwall will be represented in the Quebec Union and that they are negotiating for a Montreal man to coach their players.

Mack Believes in the Jinx Too

EVEN THE SHREWD OLD CONNIE MACK HAS HIS OWN PET BASEBALL SUPERSTITIONS

Most baseball managers are just as superstitious as the ball players and superstition runs riot among the athletes.

As one watches Connie Mack methodically directing his ball club from the bench, he would never suppose the tall leader of the Athletics believed there was such a thing as a jinx.

Yet only recently, Connie, by deciding that "Lefty" Grove should never again be used as the opening pitcher in a three or four-game series, proved he did.

And thereby hangs a very interesting tale of how superstition often causes smart baseball men to suffer an entire change of opinion.

When a ball club has a big defensive menace like Babe Ruth, the manager of the club has two lines of ac-

ROCKWOOD BOWLERS DEFEAT DESERONTO

Scored 106 Points Against 89 By the Deseronto Bowling Rinks.

Three rinks of bowlers from Rockwood Bowling Club visited the Deseronto Bowling Club on Wednesday and in addition to having a very pleasant outing they won the series by a score of 106 against 89 points. The weather was perfect and the greens were in splendid condition. Refreshments were served and also an excellent supper was provided, so that nothing was lacking to make a good holiday.

Each rink played two games in the afternoon and one game in the evening, Rockwood taking five and Deseronto four of these. The following are the results, the names of skips only being given in each case:

FROM ATLANTIC TO THE SEA OR JONES' GREAT 10-YEAR MARCH

From a mere kid to winner of three of the four major golf championships of the universe in 10 years is the marvelous record hung up by Robert Tyre Jones of Atlanta.

In 1922 he finished in a tie with Black for second at Skokie, one stroke behind Gene Sarazen. In 1924 he was runner-up to Cyril Walker at Oakland Hills.

In national amateur play, Jones, besides winning the title in 1924 and 1925, came in second in 1919, losing to S. Davidson Herron at Oakmont, 5 and 4.

Jones needs but one more conquest—the British amateur—to complete his string of major championships. He hopes to put that over next year.

In the above layout, Jones is shown at the age of 14, just starting to gain home-town recognition, and as he looks to-day at 24. Note the marked resemblance in golfing form—position of feet, swing and all.
