TO BRING CHAUTAUQUA BACK TO NAPANEE

Dominion Bank Renovating In Severe Electric Storm Building Formerly Occupied by Wilson Store.

Napanee, July 23.—The Napanee golf team went to Belleville on Wednesday to play the Belleville team who defeated them by the score of 20-1.

The Napanee Chautauqua Committee decided on Thursday afternoon to bring the Chautauqua back to town another year. The programme thus far have been excellent. The great comedy "Applesauce" was presented on Wednesday night. On Thursday night Private Peat in his lecture "The Inexhaustible Lie" told his audience of about four hundred that the reason of it was that the school texts told only of the glories of war and not of its horrors. On Friday evening Solis' Marimba band brings the Chautauqua to a close.

Thomas Moffat left on Thursday for Galt, Stratford and other western points.

Mrs. Missap left on Thursday to visit in Galt. Miss Margaret Walters, daughter of Mr. Charles Walters, the manager of the local H. E. P. C. office, was operated on in the Kingston General Hospital on Thursday for appendicitis.

Miss Laughlin of the staff of the Ottawa Collegiate is visiting Mrs. Alpine Woods.

Repairs are being made to one of the towers on the public library. The Wilson store is occupying its new building opposite the Royal Hotel, and the Dominion Bank is starting to renovate by the Wilson formerly occupied by the Wilson store on the corner of John and Dundas streets. Mr. Wilson intends opening his new store on Friday.

A BUGGY OVERTURNED BY AN AUTOMOBILE

Occupants of Latter Dashed Right Ahead—Shocking Incident at Mallorytown.

Mallorytown, July 23.—A com- temptible act was witnessed by some residents on Sunday evening. As James McAvoy was taking a friend for an after-church drive in his buggy, and he was rounding the corner from the village on to the highway, a large car driving west dashed into the buggy, overturning and smashing it and throwing the passengers onto the road. Fortunately the passengers were not seriously hurt. The occupants of the car never stopped, but dashed on with their lights out. At the moment no car was at hand to follow and get the number of the owner of the guilty car. It is an unfortunate thing that we are helpless in a dastardly case like this. The buggy passengers might both have been killed, but the unfeeling wretches in the car stopped to make no enquiries. From where the buggy was struck and thrown on to the sidewalk, the car must have been in the middle of the road with no regard to the rights of others.

A number from here have visited and enjoyed the splendid programme of the "Old Boys' Re-union" at Brockville.

At a meeting of the session of the Caintown United church on Sunday immediately after the service, it was arranged to have the ordination and induction of elder at the service on Sunday afternoon, July 25th. Rev. Frederick W. Mahaffie, B.A., of St. John's United church, Brockville, is to address the congregation and assist in the ordination.

Mrs. Fred Graham was taken seriously ill on returning from Brockville on Tuesday evening and had to be left at the house of her sister, Mrs. Carl Burnham. Mrs. Frank Blanchard is still in the General Hospital at Brockville.

Mrs. Lee, of Stevensville, is visiting at the home of her brother, Eugene Hagerman, and calling on her old neighbors. Mrs. Elizabeth Gibson has moved into the house next to the Telephone Central.

Miss Marian Mallory has returned home from visiting her sister, Mrs. (Dr.) Hamilton, of Brinston's.

REVISITING VERONA.

After an Absence of About Thirty Years.

Verona, July 23.—The young ladies have organized a ball club. R. Bertram has installed a new gas tank. Reggie Hellwell is still very ill.

There are many campers and the cottages are about all occupied. Mrs. Esther Brown and son, George, left on Wednesday for their home in Washington. Manford Bursleigh, E. Freeman and F. Ayles are working on Wolfe Island.

Mr. and Mrs. Eugene Percy have returned from visiting friends in Rochester and Watertown, N.Y. Miss Pansy Percy, White River, is spending the holidays at home. Miss Edith Dixon, Watertown, is spending the summer at her home here. Miss Edith Shane, Regina, is visiting her aunt, Mrs. J. A. Wells. Gerald Campbell is spending a few days among the boys.

Mrs. Nelson Drader, of Inverary, is renewing acquaintances after an absence of about thirty years, and as Mr. and Mrs. Drader were among the first settlers at Verona, she finds many changes and misses many old friends. Dr. Hellwell and E. Trudale have purchased new cars.

BARN WAS DESTROYED AND HORSE BURNED

In Severe Electric Storm Which Passed Over Cloyne.

Cloyne, July 23.—A very heavy electric storm occurred here Saturday night. A telephone post was struck just north of Wheeler's store, and a barn owned by Mr. Aubrey Benn, who lives a little South of here, was burned and a very valuable horse was also burned. Mr. Benn lost his house about a month ago.

Cloyne is filled with tourists now. Some have cottages at Loon Lake. It means a busy summer for merchants and keeps nearly everyone busy. We welcome them to this community.

A number from Cloyne attended the quarterly meeting at Perry Road school, Sunday, held by Rev. Bosko and Rev. Lee. A large crowd attended and all enjoyed the service.

Mr. Murton Cummings is now working at Arden, where he is employed driving for W. W. Pringle. A great improvement is being made on the Perry Road and a large gang is employed under the management of William Head.

Strawberries, both wild and tame, are real plentiful these days, and are real cheap. Huckleberries are also getting real plentiful now, and we hope for a good crop of blackberries too.

Mr. Albert Spencer, who has been employed at Perth Road, has returned to his home here for a while. A wedding dance was held at Edward Cummings' Friday night, for Mr. and Mrs. Percy Levere. A good crowd attended, and a pleasant evening was spent. The bride and groom received many useful presents from the friends who gathered to wish them much joy.

Mrs. J. Miller was a guest at Stanley Wheeler's over the week-end. Mrs. F. Wheeler, of New Ontario, is visiting friends and relatives around here for a short while. Mr. C. Rutland and family arrived at Loon Lake, Saturday, for the summer. Everyone was sorry to hear of Mrs. J. Spencer's illness and hope that she will soon recover.

Friends of Mr. B. Wickware, of Toronto, visited at his place last week and friends of Iner Wickware were guests at his place last week. Mr. and Mrs. Clayton Cole and May Levere are visiting at Harry Levere's.

Very warm weather here after the rain. Gardens are making great progress now.

GANANOQUE

Gananoque, July 23.—A very exciting game of ladies softball was played at the Park on Wednesday evening when the St. Paul's team of Kingston and the Independents met. The score resulted in a tie. It was one of the best games seen here for a long time, and as these teams are very evenly matched a future combat will be anticipated with interest. There was a large attendance.

Miss Margaret Chapman, Miss Alma Sinclair and Miss Nellie Kidd were among those who motored to Brockville for Wednesday's Old Home Week programme.

Mrs. Alex M. Brown, (formerly Nellie Bews) and little son who have been visiting friends here, have returned home.

The garden party and dance under the auspices of the A.Y.P.A., on Blinkbonnie grounds Wednesday afternoon and evening, attracted a large attendance, notwithstanding several counter attractions. The weather was perfect, and the net proceeds will add a nice little sum to the treasury.

A. C. Hardy's splendid pleasure yacht, with a party of Brockville friends, was in port last night for the Canoe Club dance.

Big growth of tourist trade is evident these days in the large number of cars going east and west through the town. Cities and towns on the border particularly cannot overdo catering to this sort of trade. Going a bit out of one's way to proffer little courtesies may not appear to carry much weight to the individual who offers it; but these are the things which are remembered at the vanishing point where the signs extend the invitation to 'call again!'

F. P. Jones, president of Canada Cement Company, Montreal, is spending a few days with Mr. and Mrs. W. T. Sampson at 'The Nest.'

One Drop

of "Gets-It" stops most painful corn in 3 seconds

WORKS like magic on any kind of corn, no matter how old, where it is, how bad it hurts. One touch and the pain goes. Almost unbelievable. Then the corn shrivels up and goes. A scientific way that dancers, walkers, actors, doctors and millions use. Beware of imitators. Get the real "Gets-It" at all drug stores.
