The Broken Bank

Only a child's saving bank—a toy—and how little he realizes what it
might mean for him in later life; how it might be used to accumulate a fund
for a Manufacturers Life Endowment Policy, which at maturity would provide
for a college education or a start in business. Do not let the Bank be broken
to satisfy passing fancies, but rather train your child to have a definite purpose
in saving—an objective in life.

WOMEN OF MIDDLE AGE
Need Rich, Red Blood to Maintain
Good Health.
After passing the age of forty
every woman has reason to grow anx-
ious about her health. This time of
trial, with its attacks of faintness and
fits of depression, its often violent
headaches and back pains is rightly
dreaded by women; but if reasonable
steps are taken to safeguard the
health, no serious ill-effects will arise.
At this turning point in life Dr. Wil-
liams' Pink Pills have given a help-
ing hand to thousands of suffering
women who were fighting a hopeless
battle against poor health and wan-
ing strength.
The very best help for any woman
of middle age is the health help given
by Dr. Williams' Pink Pills. These
pills reinforce the blood supply, en-
riching and purifying it. In doing
this they nourish the starved and
overtaxed nerves and give new
strength and vitality to the whole
system. By this natural process Dr.
Williams' Pink Pills completely dis-
pel all pains and weakness, and a bet-
ter, happier condition of health and
spirits arises.
Every woman of middle age should
take advantage now of the wonder-
ful health-help of Dr. Williams' Pink
Pills. They are sold by all medicine
dealers or will be sent by mail at 50
cents a box, by The Dr. Williams
Medicine Co., Brockville, Ont.

**KINGSTON MOTOR CAMP
HAS HAD BIG CROWDS**
It is Regarded as the Best
Conducted Camp in Prov-
ince of Ontario.
The tourist camp at Lake Ontario
Park has proved a wonderful success
this year. Visitors to it from all
parts of Canada and the United
States report that it is one of the
best conducted camps to be found.
Its equipment is better kept than
that of any other place. The charges,
too, come in for a good deal of favor-
able comment. They say that the
charges here are only half that of
any other place. Tourists think
Kingston does not charge enough for
the accommodation provided. The
Kingston camp charges 50c, and
other camps charge one dollar.
Wednesday night last there were
thirty-two cars, and over one hun-
dred and thirty persons, taken care
of at the camp. This is a record
for the Kingston Motor camp. On
Thursday there were twenty-four
cars taken care of.
It is expected that July will close

**MEN IN A MOTOR CAR
RAID MILK BOTTLES**
Making Rounds Early in Morn-
ing Before Milkmen Arrive
and Steal Money.
If you have been in the habit of
leaving money in a bottle for the
milkman in the morning, do not do
it in the future, for it is known that
a couple of men have been making
the rounds of the city in the early
morning hours to steal the milk
money.
"Stealing money from the milk
bottles is like taking candy from a
kid," remarked a citizen on Satur-
day morning, when he told about a
couple of men going around the city
inspecting the milk bottles for the
odd change.
It is stated that the men who are
making the raid on the milk bottles
are travelling in a car, while a third
man remains in the car and operates
it. Early Saturday morning they
were noticed by a citizen inspecting
all the milk bottles out in a row on
a certain street. As the car came
along, the two men were noticed
standing on the running board. The
auto was travelling at a very slow
rate of speed, and as they reached
the houses, where the bottles had
been left out, the men jumped off
the car and made a bee line for the
bottles and after making their rounds
jumped into the car again and made
off at a lively rate of speed.

**WOLFE ISLAND HAY
CLASSED EXTRA GOOD**
The Farmers Are About Half
Through in Handling
the Crop.
Wolfe Island, July 30—The island-
ers are about half through with their
haying for this season. They report
a very fine crop. The hay is of an ex-
tra good quality. Mr. Mallow and
Capt. George Sudds are at the island
dock with a cargo of coal, the first
this season. Henry Hinchley has
installed a new radio of latest make
in his home. Two of our young ladies,
Misses Kathleen Hulton and Marg-
aret Halliday have passed the normal
examination, and have taken two of
the island schools.
Archie McDonald erected a very
fine piece of cobbles in the line
of fancy fencing on the main street
for Mrs. Dan LaRush. Louise,
little daughter of Mr. and Mrs. Ray-
mond Conley, was taken to Hotel
Dieu on Thursday at noon, for treat-
ment. Mr. and Mrs. Henry Yatt,
Syracuse, N.Y., have recently re-
turned home from spending a couple
of weeks with latter's parents. Mrs.
LaRush has had her fine home in vil-
lage newly painted.
Rev. Father Terrian spent a cop-
ple of weeks with his aunt here.
George Whitmarsh, Jr., has left on
a visit to Watertown, N.Y. Miss
Gertrude Brown, Watertown, N.Y.,
spent the week-end at home here.
Jack Brice and men have finish-
ed a fine job of painting for Hiram
Calvin. He is one of the many ex-
M.P.'s that enjoy home life and com-
fort with his own family around
him and down to the fourth genera-
tion.
The islanders are certainly very
proud to know that in a case of
emergency that Capt. McDonald and
his ever-obliging crew can bring
them to a hospital in the city in
three-quarters of an hour; that is
when they are called in the night.
Mrs. Fryner and her daughter, Mrs.
Carl Conley, and two children, have
returned from Bath. Miss K. Ken-
ny has returned from Watertown,
N.Y. Mrs. Fred Salzer and little
daughter, Rochester, N.Y., spent a
couple of weeks with her mother,
Mrs. James Davis.
Mr. Forester and family, of the
city, are spending the summer on
the island in their cottage here. Hiram
Calvin spent an afternoon with
Sheriff Dawson one day last week,
the latter enjoyed it very much.
On Thursday afternoon there was
an exciting time at the ferry wharf.
When unloading coal the team and
wagon of Lloyd Hough, while stand-
ing alone, backed a little too far, and
all went into the river. When Mr.
Hough got to them, as he is an
expert swimmer, he was not long in
getting them loose from the wagon.
