County School Fairs.
On account of the federal election some of the dates set for Frontenac County School Fairs had to be changed. Portmouth Fair, which was to have been on Sept. 11th, is changed to Sept. 2nd; Joyceville Fair, which was to have been held on Sept. 13th, has been changed to Sept. 11th, and Inverary Fair, which was to have been held on Sept. 14th, has been changed to Sept. 13th.

Space at the Fair.
Space in the main building at the Kingston Industrial Exhibition is pretty well all taken up, only a few stands being left. Work at the fair office is being pushed forward, and it is expected that by the last week of August, the entries will begin coming in. Those interested in the fair believe that if they are blessed with favorable weather this fall, they will be able to eclipse any of their former efforts.

This had been Mrs. Ward's home for about forty-three years, as her father was keeper of the light before her husband. About a year ago an automatic light was installed in the tower replacing the fixed light.
