"first thing in the morning"

IT is a most refreshing and healthful practice to drink, first thing in the morning, a glass of water sparkling with a 'dash' of Eno's "Fruit Salt". There is no safer and surer way than this to clear the system of impurities and keep you fit and eager for the work and play which fill each day.

But it must be ENO! Eno—never varying in quality and purity. Eno—containing nothing that may possibly do you harm. Eno—with its fifty years' reputation. Eno—approved and used by doctors and nurses. So, for your health's sake, be sure you get

ENO'S "FRUIT SALT"

The words "Fruit Salt" and ENO, and the label shown on the package, are registered trade marks.
