WOMEN'S INSTITUTE. The regular monthly meeting of the Inverary branch of the Women's Institute was held at the home of Mrs. Ira Darlington, Aug. 19th. About thirty-five members and visitors were present. The roll-call was answered by the favorite proverb. Owing to it being an evening session the button-hole contest was postponed until a latter date. Other business was carried on as usual. The social part of the programme was much enjoyed. It consisted of a piano solo by Miss Margaret Arthur and a piano duet by the Misses Fern and Nettie Christy. These three

youthful musicians give great promise of future accomplishments. Refreshments were served by Mrs. J. Shepherd and Mrs. Ira Darlington brought this successful evening to a close.

Miss Martha Kountze, wearing a printed linen coat, tailored in cut and bound with red ribbon to match the huge figures that were spattered over the surface. With it she wore one of these inevitable large white hats.

The Editor Hears

That the soldier patients of Mowat Sanatorium have been most industrious in gathering raspberries from the woods and fields in the neighborhood. They bring them back to the hospital and give them to the soldiers in the infirmary, who greatly enjoy the wild fruit.

That the memorial to the warrior nurses of Canada will be unveiled in Ottawa on August 24th. The ceremony will take place in the Parliament Buildings in the evening, and there will be a great gathering of overseas nurses in uniform. Matron-in-chief Macdonald has obtained permission for the nurses to wear their service uniform, which will make the event much more imposing.

That sweet peas, the flowers we all admire, lose their fragrance rapidly. When you are buying them at the florists or on the market, smell them before you buy them and unless they are fragrant, leave them alone.

That the summer resorts among the Thousand Islands are filled with guests and many of these visitors come to Kingston during their holidays. Our shops profit by their visits.

See our 6-piece breakfast set—grey and blue finish, only \$50.00, on sale at James Reid's. Perth's new pavements will be christened shortly with a street dance in aid of the hospital. "I don't hardly ever notice gettin' old except when I take my teeth out an' see my face fold up."

REMEMBER AND FORGET.

Remember the good, forget the bad; Remember the man, forget the cad; Remember your ups, forget your downs; Remember folks' smiles, forget their frowns; Remember the calm, forget the storm; Forget cold hearts and remember the warm.

Remember the shine, forget the shade; Remember the debts of love unpaid; Remember the praise, forget the blame; Remember the rules when playing a game; Remember the kiss, forget the kick; Forget a grudge, and forget it quick!

Remember to bless, forget to curse; Remember the better, forget the worse; Remember the fair, forget the foul; Remember the cheer, forget the howl; Remember the love, forget the hate; Forget the crooked but remember the straight.

Paring a corn is dangerous . . . unless you're a chiropodist

There are two safe ways to remove a corn— (1) go to a good chiropodist and let him pare it. (2) get a package of Blue-jay at the drug store and remove the corn at home. There are other ways. But many are dangerous. Paring your own corns is especially so, since a slip of the blade may mean an ugly infection. But Blue-jay is absolutely safe, as well as sure. A cool and downy pad, soft as velvet, fits over the corn, relieving the pressure and pain at once. Soon the corn goes—unless unusually stubborn. But even the most obstinate corn seldom needs more than a second plaster.

Blue-jay has been standard for over 25 years. Such success tells its own story. At all drug stores.
