MADE FINE RECORD

The Success of Miss Marian Fox, Bloomfield.

Bloomfield, Aug. 23—The primary room is being improved by a new hard wood floor, and the seats are being placed so as to give the children a better light for their work. The other rooms are having minor improvements made and all being thoroughly cleaned and made ready for school to open September 1st.

We are very proud of the record made by Miss Marian Fox, who completed her fourth year in the Collegiate, passing her examinations with first class honors in five subjects, and second class honors in two. Miss Fox walked nearly a mile morning and evening to take the school bus, and travelled the seven miles to Picton and back, daily, except in extreme weather, beside helping with the work of the home, and we think she deserves a great deal of credit and wish her every success.

A cheerful party of Toronto girls spent the week end at the home of C. W. Fraleigh. They have motored through the Adirondacks, New England States to Lake Placid, visited Montreal, Ottawa, etc., having splendid weather throughout the trip until Saturday and rather than attempt the bad detour on the Kingston road, made the stop over at Bloomfield.

Mr. and Mrs. Andrew Dorland motored to their home in Toronto Saturday, after a pleasant week's visit with their many old friends here. Mr. George Johnson left Thursday for Winnipeg to spend some time on his old ranch, now owned by his son, Mrs. Clinton and Miss Nell Clinton and Mr. and Mrs. C. Conneticut and other eastern points, and report a most enjoyable trip.

Mr. H. Y. Cooper left Thursday morning for Valley City, N.D., where Mrs. Cooper has been spending the summer with her mother and sisters. Mr. and Mrs. Fred Cooper gave a family dinner party Wednesday evening in honor of Mr. and Mrs. Elmer Noxon and daughter of St. Louis, Mo., who have been visiting relatives here and in Belleville.

WOMEN'S MEETINGS

Pittsburgh Mission Rally.

Members and friends of the three Women's Missionary Societies of the Pittsburgh Circuit held a Missionary rally on Aug. 19th at the home of Mrs. Richard Lloyd, president of the Pine Grove, W. M. S. After opening the meeting with a hymn and prayer by Mrs. William Atkinson, Mrs. Lloyd read the Scripture lesson. Mrs. Clinton Grice sang a solo, which all enjoyed. Mrs. Lloyd then introduced Mrs. Maybee, who has spent fourteen years in missionary work in China. Mrs. Maybee's address was full of interest, when by aid of various dolls, dressed to represent the customs of Chinese people, she told of the difficulties which these people encountered in their desire to become followers of Christ. Mrs. A. H. McAlpin and Miss Mildred McAlpin rendered several musical selections during the tea hour. About fifty persons were present. This is the first of a series of meetings planned by the missionary workers.

If the amount of tea drunk in England in one year were held in one teapot it would require a vessel as high as the cross on St. Paul's Cathedral, and in proportions of a teapot that high. Four trains could race abreast through its spout.
