Wednesday afternoon was Visitors' Day at the camp and there were five parties of visitors. The afternoon was spent in games for the boys, scouting games being the main thing. The swim also attracted a good deal of attention of the visitors.

A special inspection was held in the afternoon by Scoutmaster Miles, accompanied by Mr. Harry Wilder, who unofficially represented the Kiwanis Club. Mr. Wilder, who is greatly interested in boys' work, was surprised and delighted at the ingenuity and resourcefulness of the boys shown.

After the visitors left in the evening, a camp-fire was held. The boys all had a wonderful time at the fire, livened by the competitions for songs and stories. The boys are very sorry that the camp ends this Saturday.
