the sky on his magic dustpan, "the tin rooster was right. There isn't any doubt that the Maiden-All-Forlorn and the Tattered-Man have gone to housekeeping in the House-That-

"Oh, Look!" cried Nancy. "There is someone beckoning to us from that apple tree. Let's stop and see who it is."

So Daddy Gander said. "Whoa!" to his dust-pan and it stopped in the tip-topmost branch of the apple tree. "Why, hello!" said Nick. "It's the apple-tree fairy who runs the eleva-

tor up to the sky." "I'm glad you haven't forgotten

Do you know anything about it?" "Do I?" Well, I should say so," remarked the apple-tree fairy. "I used to live in an apple tree on Pippin Hall where Jack and Jill and Mrs. John live. Indeed, I was there eye." when Jack built his house. I know all about it. It's got the cutest porch

"Oh, I mean do you know where it's gone?" asked Daddy Gander. "It's lost."

"Ants wings and snalls horns!" oried the little fairy in surprise. "You don't say so!"

"Oh, yes," said Nancy. "It's gone and we're hunting for it. The tin rooster on the barn and Higgledy Piggledy, the black hen, said that they thought the Maiden-All-Forlorn and the Tattered-Man had gone Cuta, to housekeeping in it."

"I don't believe it," said the apple-tree fairy. "They wouldn't do
