Few Speeders.
Although the summer is not over yet, mention has been made repeatedly by residents of the city on the great decrease in the number of speeders in the city. In other years complaints have flowed in rapidly about speeders on Wellington, King, Albert, Montreal streets, and certain other sections of the city, but the car drivers are evidently using the proper precautions this year.

Preached in Toronto.
The Right Rev. C. A. Seager, D.D., Bishop of Ontario, was the special preacher in St. James' Cathedral, Toronto, on Sunday. The sermon was the last of a series. Bishop Seager will preach for the first time since his consecration in his diocese on Sunday next, when, in St. George's Cathedral, he will ordain to the diaconate Mr. William Wright, a son of Rev. J. de Pencier Wright, rector of St. Luke's Church, Kingston.

A Nasty Dog.
Residents of the block bordered by Wellington, William, King and Earl streets are up in arms over a barking dog which persists in keeping the residents of that section awake during the late hours of the night.
