

CHECKER TAXI CABS PHONE 800

We wish to announce to the public that we will be in our new
Taxi Stand and Garage Building

TOMORROW, SEPT. 1st

Our business grew to such an extent we saw the need for more space to accommodate our added number of new cars. Now we have built a modern fire proof building at the corner of Brock and Bagot Streets and in addition to our Taxi business will have a large storage space to rent. We will have room for about 75 cars and will also do washing and greasing at reasonable prices.
