Wash Dishes with GILLEX Best also for Laundering and all Cleaning. No Grit - No Odor - No Sediment - No Waste. Your Grocer Sells it. E. W. GILLETT CO. LTD. TORONTO, CANADA

The Editor Hears. That citizens who use the street cars much say the motormen should receive medals from the city for saving the lives of stupid, careless and over-venturesome drivers of motor cars and trucks. The street cars have to stop frequently for motorists who are not obeying the rules of the road. The other evening two cars tried to pass each other, one almost getting on the track. A passenger said to the conductor: "They seem to want to get killed." He shook his head and said: "That is the fourth time this evening we have had to stop to save an accident." Is there any reason that the street cars should be held up, the motor men put to the strain of stopping the car suddenly and the passengers delayed in reaching their destination by the constant carelessness of drivers?

WOMEN'S INSTITUTE. An enjoyable entertainment was held Thursday evening, Sept. 2nd, in the community hall under the auspices of the Sunbury Women's Institute consisting of a very educational lecture given by Mr. Paul Moreland, B.A., on his travels abroad during the summer. Mr. Moreland touched on many interesting items in his lecture beginning with the pleasures of boat-life and from there to sunny France, Belgium, Holland, England and Scotland. The whole lecture was listened to with rapt attention by an appreciative audience.

INVERARY. The regular meeting of the Women's Institute of Inverary met at the home of Mrs. Tex Darling, on Thursday afternoon, Sept. 2nd. A goodly number of members were present as well as several visitors. All were very pleased to have four members of the Sunbury branch of the Institute come over for the afternoon. The president, Mrs. T. S. Ferguson, was in the chair and called the meeting to order by staging the "Ode." The roll call was answered by "Flapper Fancies" Sayings. The regular business was gone through with, after which Mrs. Ferguson moved a hearty vote of thanks to Miss Gwen Sleeth, who did so ably at the judging contest in Ottawa. Although only twelve years of age, she secured third place. Miss Kella, Sunbury, was called to address the ladies, which she did in a few short, pithy remarks. Miss Mildred Lake delighted all with a vocal solo, accompanied by Mrs. C. H. Arthur. Mrs. Frank Loney gave a short reading, after which the judging of floral centrepieces took

place. There was a most beautiful display of flowers of several kinds and in great quantities, which Miss Mary McCallum was asked to judge. She showed the members the difference between a choice of coloring and a jumble of any colors and gave many more valuable hints which were much appreciated, after which she awarded first place to Mrs. J. Sleeth. Miss Agnes McCallum gave a piano solo which was thoroughly enjoyed by every one. The button-hole contest had to be postponed until the November meeting. God Save the King closed a very successful session after which a dainty lunch was served by Mrs. C. Loney and Mrs. T. Bushall.

AUNT NET. I like to see men shaved. The only thing I ever liked about Pa's beard was that it kept his vest clean. Fewer Beads. The scintillating dress of beads is not in evidence for fall, though a few jeweled models are still being shown.

THOMAS GOPELY Carpenter Phone 987. See us for all kinds of Carpentry work. Estimates given on new houses laid. Have your hardwood floors cleaned with our new floor cleaning machine.

STRATFORD WOMAN. Restored to Health by Lydia E. Pinkham's Vegetable Compound. Stratford, Ontario. "After my first baby was born I started to work on the tenth day and did a big washing on the twelfth day. Being so young I was married at 19, I did not know what was the matter, so let it go until I was all run-down, weak and nervous, and had a bad displacement. For nearly two years I could not sleep and I would always complain of having 'not a head-ache, but a brain-ache.' My mother is taking Lydia E. Pinkham's Vegetable Compound and during the Change of Life and she recommended it to me. After taking two bottles I began to get a little sleep and to feel better and I have never left off since then, except for about three months. I can safely say I have taken thirty bottles since my second baby was born. I think it makes child-birth easier as I had terrible pains with my first three children and very few with my fourth as I was so much stronger. I am now able to do my work alone, but I am still taking the Vegetable Compound as I am nursing baby."—Mrs. OMER PAUL, 48 Cherry Street, Stratford, Ontario.
