## Winter Outdoors— Summer in the Home

SNOWS may drift and wintry storms may fill the air with frost but in the home warmed and humidified by a McClary's Sunshine Furnace the kiddies romp and play in summer comfort.

Winter comfort in the home is possible only with the right kind of heat generated in the right kind of warm air furnace.

McClary's Sunshine Furnace humidifies the warm air in the furnace and when installed by McClary's accredited agents delivers it soft as a summer zephyr uniformly to every room in the house.

McClary's Sunshine Furnace with its patented exclusive Air Blast Ring and Cast Iron Construction, burns any kind of fuel equally well—hard or soft coal or coke.

Write your nearest McClary's Branch for free booklet: "Winter Comfort in Canadian Homes," that will give you much interesting information about heating, fuel and the proper installation of furnaces so necessary in solving the problem of comfort in winter.

### GANANOQUE

Gananoque, Sept. 11.—Mrs. A. F. Webster, Charles street, was hostess of a miscellaneous shower on Wednesday evening last in honor of Miss Blanche Webster, a popular bride-elect, whose marriage will take place this month. A very large number of Miss Webster's friends were present, and the beautiful array of gifts demonstrated the high regard in which she is held.

Several members of the Gananoque Golf and Country Club motored to Potadam this morning to play a regular match on the links there. One noticeable feature of the procession was a string of about eight Buick cars.

Mr. W. T. Sampson entertained a few tables of bridge at his home, Thursday evening, in honor of R. W. Franklin, Houston, Texas, who, with his family, have been spending the past several weeks at Blinkbonnie, and Mr. Hyde, brother-in-law of Mr. F. A. Bulloch, who arrived from Toronto a few days ago to enjoy a holiday on the river, and who is the guest of Mr. and Mrs. J. A. Bulloch.

Frank LaQue, who has spent the past couple of months with the Dowley Spring and Azle Company, Chatham, arrived home on Thursday and will spend the next couple of weeks at "Idylwyld" before resuming his duties at Queen's.

Miss Julia O'Brien, R.N., Brooklyn, is the guest of Miss Molly Phillips, "Idylwyld."

W. J. Wing is in Toronto for a few days.

The Burns Shoe Store has moved into their new quarters in the Nuttall building, which has been reconstructed for the above firm. In this store they have one that would do big credit to a large city in appearance, and adds greatly to the business section in that part of the town.

When all the people who want paved streets have their requests granted, it will be hard to find a street that hasn't been covered.

Misses Jiel and Betty Sampson entertained a number of their friends at dinner at "The Nest" last evening.

### FACTS REGARDING CUSTOMS ENQUIRY

(Continued from Page 7.)  
The difficult task of routing the smugglers. Then Mr. Stevens made the charges in the House. Mr. Bolvin's work was interrupted.

**Jury on Case.**  
Such is the stated case regarding the Customs probe. Now let us look at some of the jury men who heard the evidence in the House.

There is Mr. Hanson, a New Brunswick member, who was suspended for a year by the New Brunswick Law Society for professional misconduct.

There is DeWitt Foster, a Nova Scotia M.P.; read out of the Tory party by Sir Robert Borden after a war time horse deal.

There is also Gerald of Carleton who figured in the drug scandal during the war and who was also read out of the Tory party by Sir Robert Borden.

There is Jones of New Brunswick, now a member of Mr. Meighen's cabinet, who was censured by the Legislature of his own province, over the potato scandal there.

There is ex-Prime Minister Fleming of New Brunswick, of whom more another time.

There is Bob Rogers from Winnipeg, and, last but not least, there is Eccles Gott from Essex.

These are some jury men who would try to fasten the verdict of guilt on Hon. George H. Bolvin and other leaders of the Liberal party who were doing all in their power to curb the smuggling evil.

"My trouble began with pimples breaking out all over my face. They were hard, large and red, and festered and scalded over. The pimples used to burn, causing me to scratch, and my face looked so badly that I was ashamed to go anywhere. The trouble lasted three years. I read an advertisement for Cuticura Soap and Ointment and sent for a free sample. I purchased more and I was healed after using three cakes of Cuticura Soap and four boxes of Cuticura Ointment."
