VARSITY SQUAD IS DOWN TO WORK

Toronto, Sept. 16.—If initial workouts count for anything then Varsity will be the team to beat for the Canadian senior championship this fall as fifty-nine were in uniform Tuesday afternoon on the back campus and practically one hundred registered at the Athletic office in Hart House.

There is a decided optimistic feeling around Queen's Park already and this is due partially to the appointment of Ronnie McPherson, the former R.M.C., Varsity and Hamilton Tiger back-field player, as coach and McPherson's appointment yields partly to the demand of many of the supporters of the pro. coach idea that a young man was appointed and he was given a two years' trial.

Seven members of last year's team answered the first call. Captain Warren Snyder and Frank Trimble being the half-backs, while the others were linemen, Bill Woods and Lou Carroll, outside; M. Master, snap, and Freddie Dundas and T. Long, middles. The 1925 O.R.F.U. squad was represented by Burns, Morgan, Stuart, Roos, Robinson, Beal, Evans and Granatstein, while the intermediates were Ellis, Burgess, MacKinley, Lind and Follis.

Queen's University opened the practice season on Monday, University of Toronto yesterday, and McGill will make their debut this afternoon. This might indicate that Queen's will finish the season first, U. of T. second, and McGill last, but fortunately, students as a general rule are not superstitious. McGill having started last, may decide to finish first, but this will be decided later in the season, and indications are that the college union will furnish one of the closest races in history. Judging by the material, they are well matched, although again it must be admitted that McGill appears to be the weakest of the trio.

Here's another comparison stunt on Jack and Gene—their "istic records."

It shows Dempsey started his pro career in 1915, or four years earlier than the challenger. It shows Dempsey has participated in 77 bouts against 60 for Tunney. It also shows Tunney has averaged about nine battles a year, while Jack's been in but seven. (Before Dempsey went on his three-year vacation he, too, had averaged about nine contests yearly, however.)

In the matter of knockouts,

Dempsey leads with 47, against 30 for Gene. A good portion of Jack's came in the first round. The late Bill Brennan was the toughest fellow for Dempsey to put out. Brennan stayed 12 rounds. Tunney found Georges Carpentier equally hard to bowl over, whipping the one-time idol of France on a technical keto in 15 sessions.

Dempsey has won 11 decisions on Tunney's 14. Jack has been in but two no-decision bouts to 14 for the challenger. Dempsey has taken part in four draws, Tunney none.

Twice Jack has lost the decision on points, once to Jack Downay and the other time to William Mesnan. Both were four-round skirmishes. Gene has dropped but one decision, that to Harry Greb in 15 round in 1922. Incidentally, Greb is the only one to whip Tunney since Gene started his pro career.

Dempsey is charged with one knockout defeat—Jim Flynn did it in 1917 in one round. Tunney has been in one "no contest," the Jack Remault clash in 1923 which was stopped in the fourth.

Jack Bentley Sold.
Philadelphia, Sept. 16.—Manager Fletcher of the Philadelphia Nationals has announced that pitcher Jack Bentley has been sold to the New York Giants at the waiver price of \$4,000. Bentley came to the Phillies from the Giants at the start of the season with Wayland Dean in a trade for Jimmy Ring.

"Smut" Veale Named as A Tiger Quarter-Back

Fred "Smut" Veale may be found at quarter-back for the Bengals when they step into action at Montreal on Saturday, October 2nd. Sam. Manson has been trying to convince the former outside wing and rover that quarter is his proper position, and starting tonight "Smut" will be in charge of the signals. At the present time Joe Nolan, last year's intermediate star, and Dunkerly, who played with the Technical school in the interscholastic loop, have been working out for the position, but Manson wants to play with the O.R.F.U. team. Manson is also in search of McKelvey, who played quarter for the Bengals last season, and if he succeeds in getting him out it is a safe bet that "Mac" will split the work on the Big Four team with Veale.—Hamilton Herald.

Get "Shorty" Horne.

Stafford fans are looking forward to having "Shorty" Horne, former flash of the Grimsby Peach Kings, on the Classic city team this winter with the new Canadian league team. "Scotty" Reid and Jerry Carson, also former members of the Peach Kings, are in Brantford. Wentworth is back in Grimsby and is expected to play with the Jordan intermediates. Windsor fans won't go into ecstasies over this; for they grow to like Wentworth a lot last winter.

GAME WAS CALLED.

The game scheduled yesterday between the Osters and Kingston here went only two innings owing to the fact that it was called in the second inning owing to rain. There was a large crowd in attendance and there was some feeling shown by the crowd when the game was called. The locals were on for a big day and had already scored seven runs in the first two innings and they still had three men on base. The first game will be played in Toronto Saturday and the second game here next week some time.
