## Rolls up 5,000,000 Miles

# on Marvelube MOTOR OIL

THE Diamond Taxicab Association's fleet represents a huge investment. Their choice of "the best oil obtainable" is, therefore, a matter of imperative importance.

The average daily mileage of each of their 424 taxicabs is 100 miles—or 42,400 miles per day. In the four months they have been using Marvelube the fleet has travelled approximately 5,000,000 miles—with "the very best results." They find Marvelube "entirely free from carbon" and that it gives "smoother operation."

Taxicab service puts unusually severe demands on any lubricating oil. No individual motorist can put Marvelube to such a gruelling test. But any motorist can get the same degree of satisfaction and economy from Marvelube as the Diamond Taxicab Association.

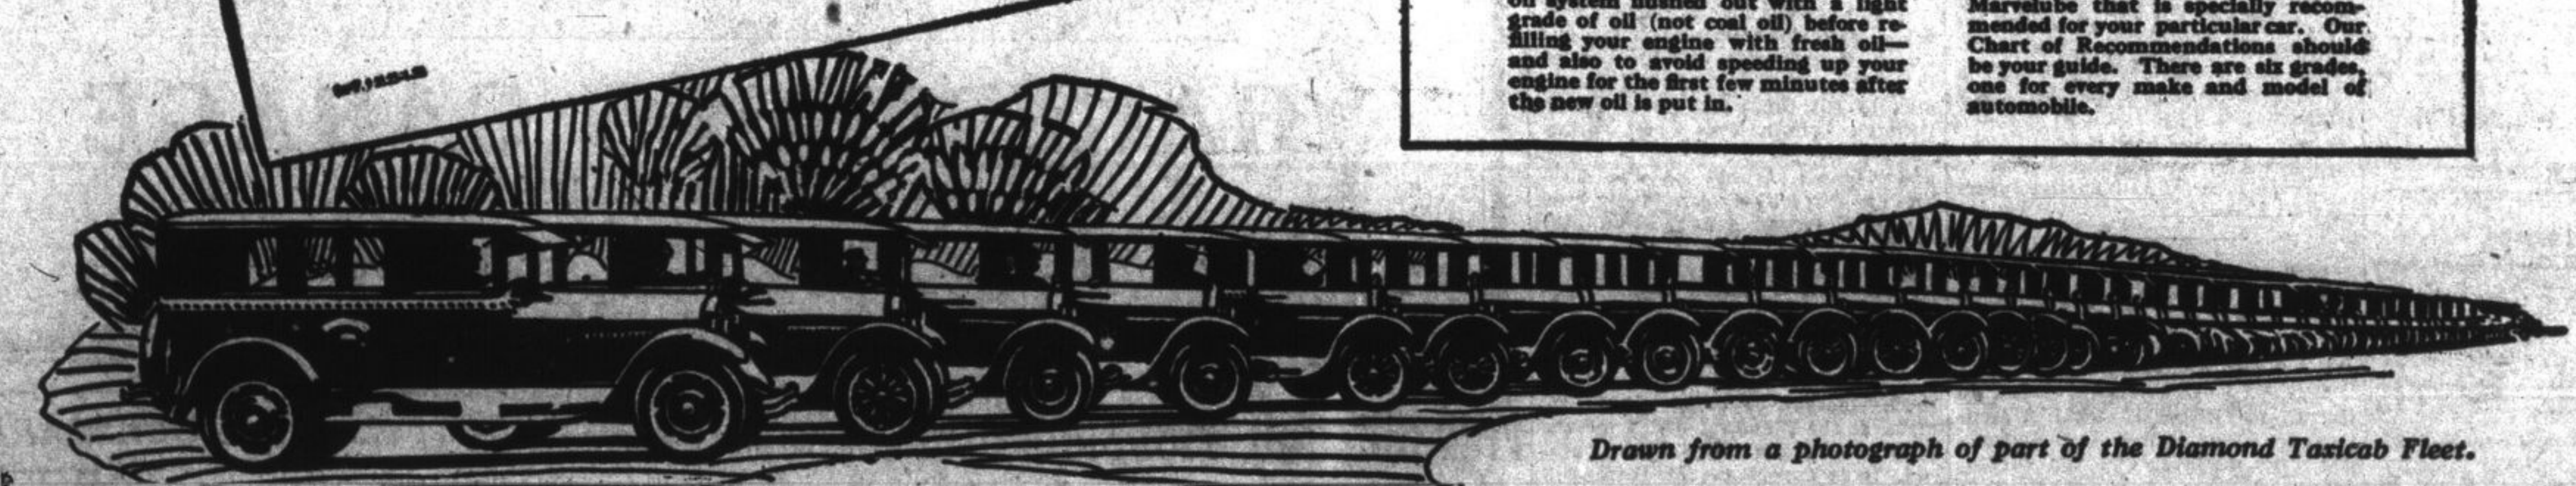

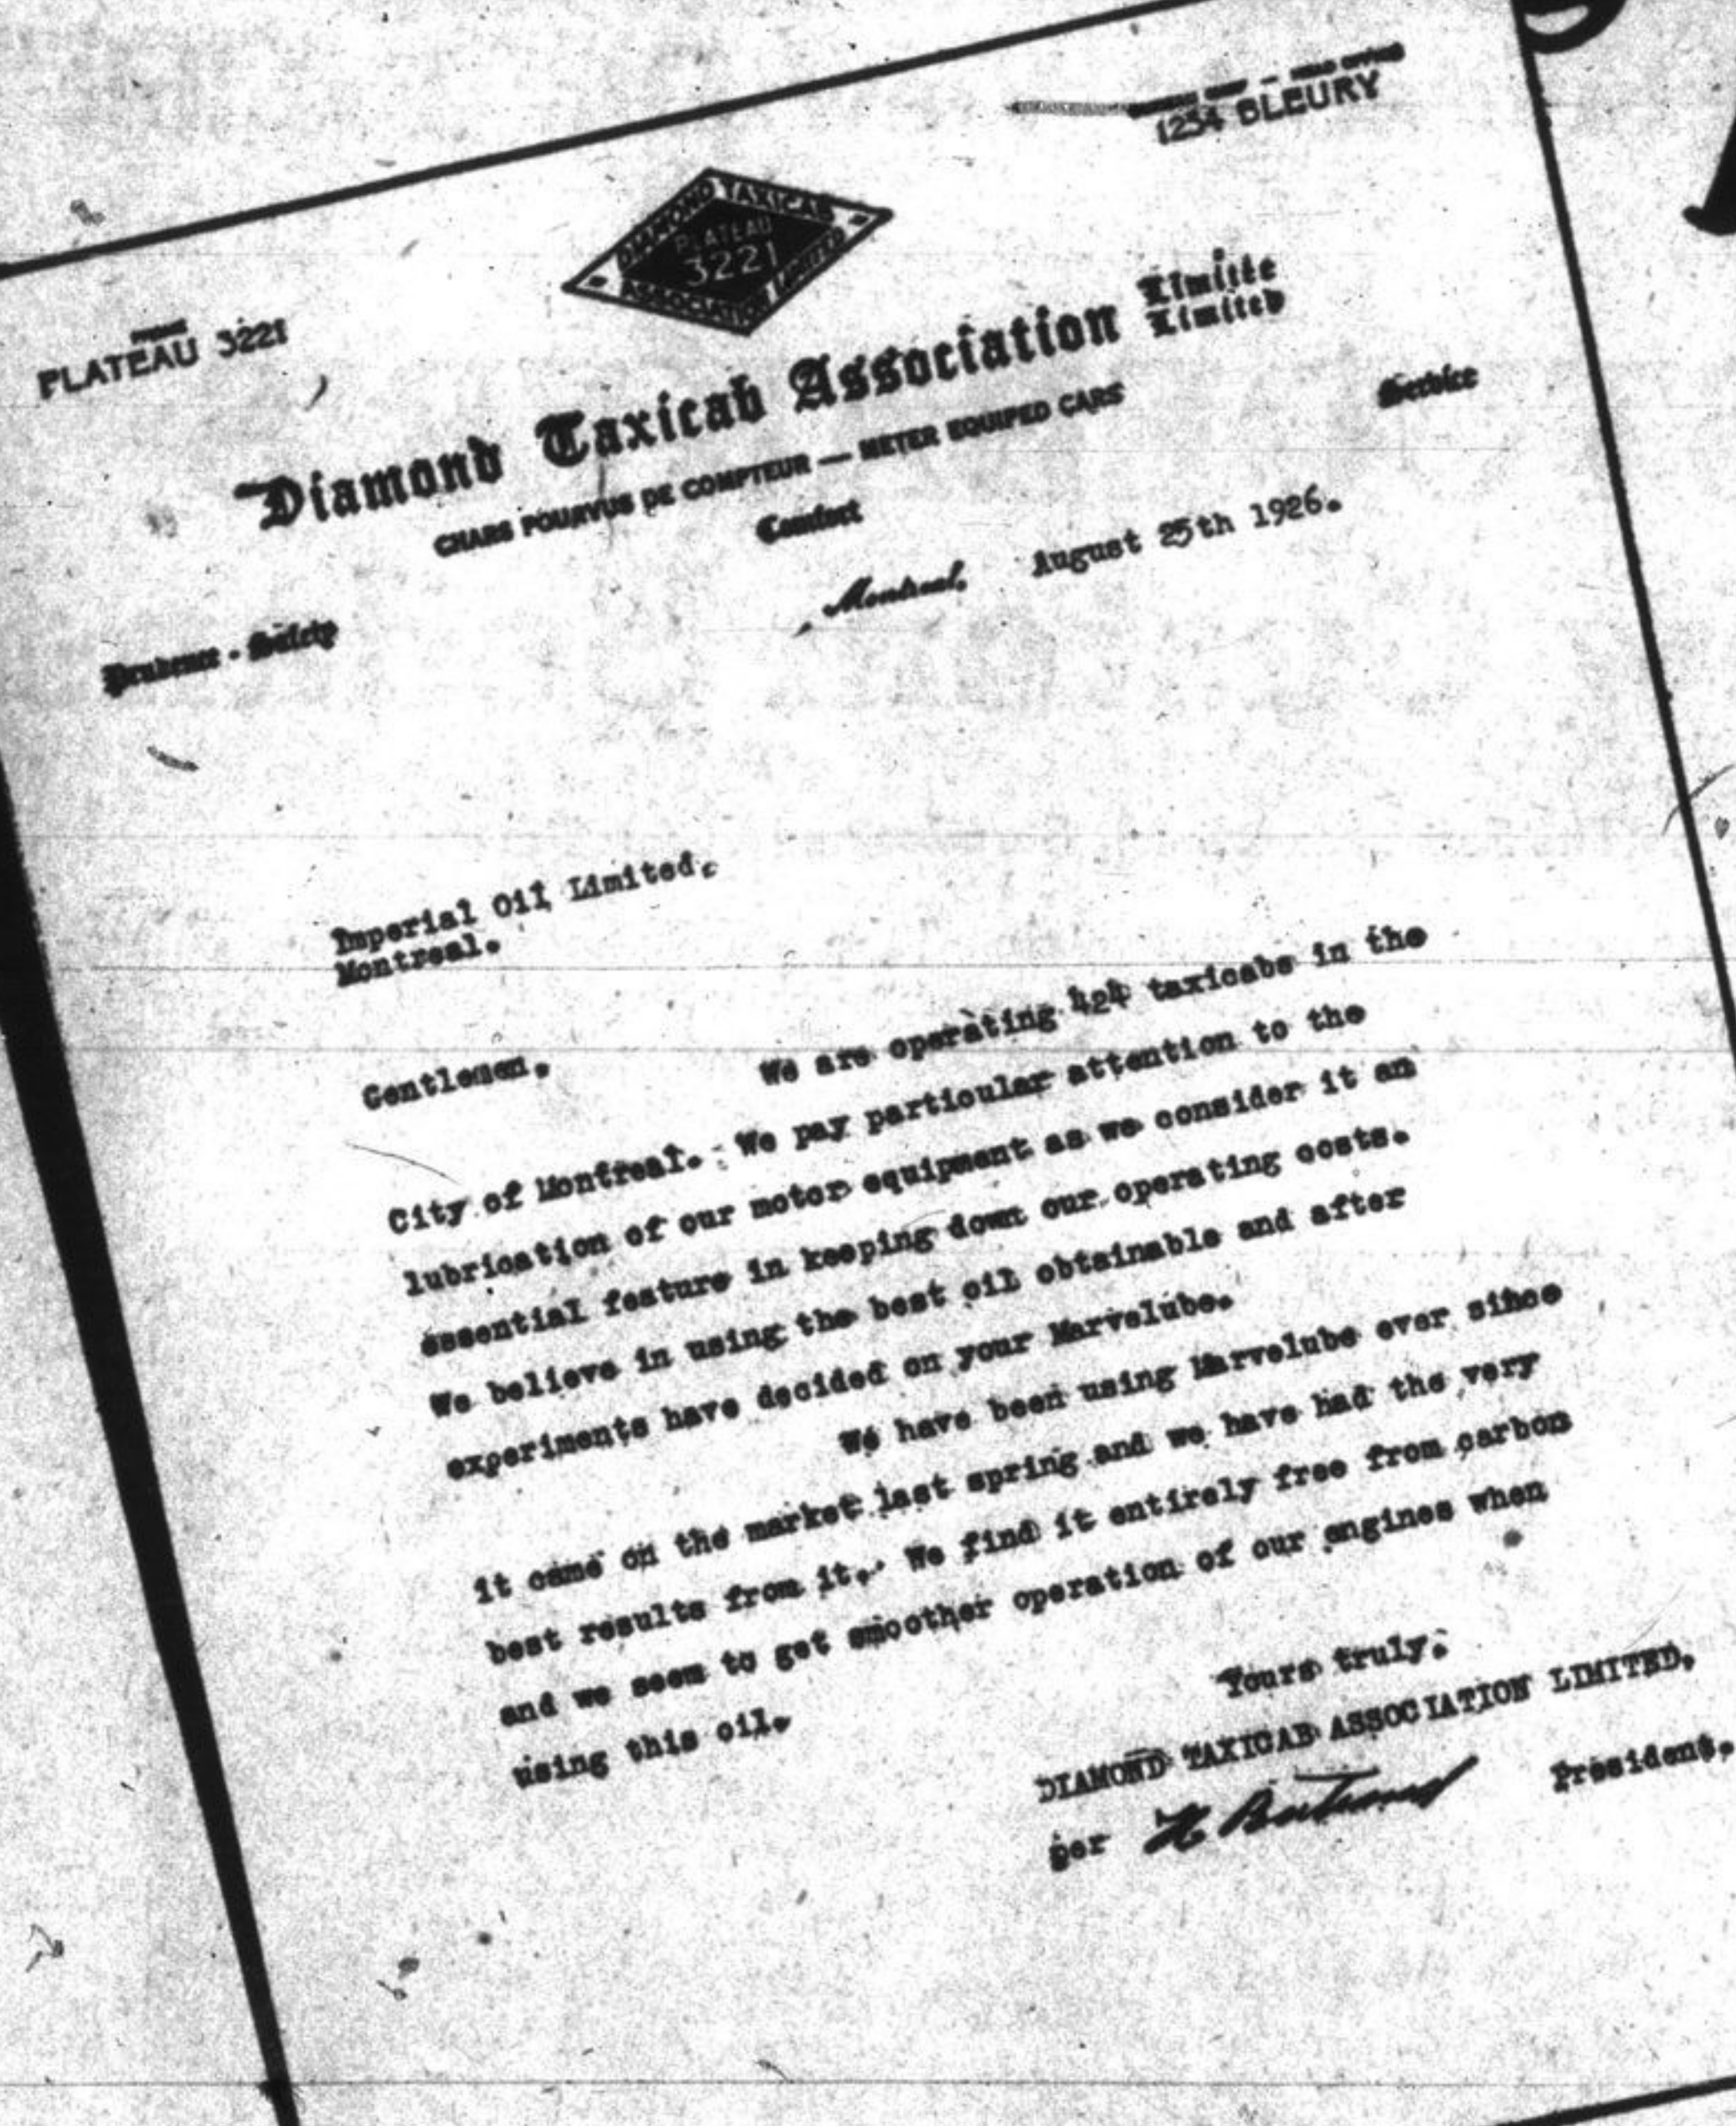

You can safely follow the motor oil selection of this organization, which is so fully qualified to judge lubricating oils and so vitally concerned in using the best as a matter of cold business practice.

#### Good Engineering Practice

All automotive engineers agree that it is important to always have the oil system flushed out with a light grade of oil (not coal oil) before re-filling your engine with fresh oil—and also to avoid speeding up your engine for the first few minutes after the new oil is put in.

Another important point is to always secure the exact grade of Marvelube that is specially recommended for your particular car. Our Chart of Recommendations should be your guide. There are six grades, one for every make and model of automobile.

### FIRE AT LANSDOWNE IN AN APARTMENT

The Chemical Fire Extinguisher Unfortunately Was Not in Readiness.

Lansdowne, Sept. 15.—On Tuesday afternoon about 5 o'clock smoke was discovered in the basement of the apartments owned by William Truesdell, and tenanted by

Mrs. Bella Griffin. The fire started from spontaneous combustion. The citizens in general responded promptly, but due to lack of organization, sometime was lost in discovering where the fire was located, and considerable unnecessary damage was done to the building by each one acting on his own initiative. It was decided to bring down the chemical fire extinguisher, which was purchased nearly two years ago, but it was found that this machine had not been charged since used last fall. This necessitated a loss of some twenty or twenty-five minutes, but fortunately the rubbish in which

this fire originated had not broken out into flames and the extinguisher was used to advantage. This is another instance of Lansdowne's unpreparedness, and is another hint to the residents to see that a proper brigade is formed and the apparatus in readiness for use when needed. Election day passed over very quietly here. Mr. Stewart at this poll secured a majority of 133. Mr. Marks, of the Bank of Toronto staff has been promoted to Ganoquoque, and is succeeded as teller by Mr. W. S. Dick, of Welland. Mrs. M. Newberry is visiting her son, Arthur Newberry, Quebec. Mr. and Mrs. Clare Nelson and Mr. Marvin Smith, of New York city, and Mrs. De Witte and daughter, of Bay Shore, Long Island, are returning to their respective homes this week going by motor. Mrs. Alexander Lawson, Sr., of Ottawa, is visiting Mr. and Mrs. William Senn. Arrangements are being made to hold the annual harvest thanksgiving service in St. John's church on the first Sunday in October. Rev. W. H. Towle, a former rector here, who has been visiting the Rev. Cecil and Mrs. Winter, returned to his home in Montreal on Saturday. Mr. and Mrs. Orne Earl, of Kingston, are spending a few days of their honeymoon with Mrs. Loney and her uncle, Mr. Herbert Leacock. Anniversary services are to be held in St. Andrew's United church, Fairfax, on Sunday, Sept. 26th, morning and evening. Rev. Mr. Mahaffie, of Brockville, is to preach at both services. Mr. and Mrs. Williamson and sons, of Kingston, and Mr. and Mrs. Murills, of Toronto, and Miss Eva Bigford, of Kingston, were week-end visitors of Mr. and Mrs. W. H. Bradley. Miss Jessie Doak is clerking in the drug store. All indications point to Lansdowne fair being better than ever. Good attractions for all three days have been provided.

### DELTA FAIR WAS A GREAT SUCCESS

Fourteen-Year-Old Boy Was the Victim of a Very Sad Accident.

Delta, Sept. 16.—Delta fair passed off with a record attendance, good horse races, and good music. Everyone was pleased with the fair, and the first class concert put on by the Ganoquoque orchestra. The midway attracted both old and young and the second and third days, the weather conditions were splendid. One mishap happened to Mr. and Mrs. Hilton Imerson's boy, aged about fourteen years, when he accidentally had his leg broken, while being too near a mixup of some of the race horses on the track. He is resting comfortably at his home near Chantry, from last reports. Miss Zelda Beadle is home from Muskoka Lake, where she has been for the last two months. Miss Elgin Irvin, of Lyn, is the guest of Mr. and Mrs. Lloyd Trapp.

The remains of Mrs. Mary Jane Whaley a former resident of Delta were interred in Sand Hill cemetery on Wednesday. The deceased died at the home of her daughter, Mrs. A. A. Orr, at New Dublin, after a lingering illness. She was born eighty-three years ago, at the Scotch line, near Perth, but was a resident of Soperion for many years, where she and her husband, the late Henry Whaley, followed farming. In the community where she lived at Soperion, she will always be remembered as a woman of sterling qualities and high principles, and was ever ready to lend a helping hand to the sick and needy. She leaves a family of four daughters and three sons, namely, Mrs. Thomas Watson, Brockville; Mrs. Elwood Jackson, of Plum Hollow, Mrs. A. A. Orr, New Dublin, and Mrs. Richard Trotter, of Chantry. Samuel of Delta, William of Charleston and Dr. Thos. Whaley of Alseack, Sask. and thirteen grand children. Her funeral was conducted by Rev. Mr. Payne, of Athens in Christ Church, Athens, and the pall bearers were old neighbors of the deceased, whom she wished to assist at her burial.

The remains of Miss Robinson, who once lived in Delta, and who owned a house here, arrived here on the evening train, Sept. 13th to be buried in the Robinson cemetery. Deceased died in Chicago and was about sixty years of age. She and her sister spent a few months here two years ago. A shower is being given to-night in honor of Miss Loren Phelps, whose approaching wedding will take place on the 18th of Sept. to Mr. Lawrence Taylor, Athens. Mrs. Sarah Horton is not improving in health. Mr. and Mrs. Arthur Slack were in Brockville on Thursday last. A number from here will attend the Kingston fair. Mr. and Mrs. H. M. Kilbourn and Mrs. Carl Kelsey and children were at Chaffey's Locks recently. A supper and concert is to be held in the town hall, Oct. 21st, under the auspices of the Ladies Institute. Mr. and Mrs. S. Stanley Black, motored from Pontiac, Mich., and William Burns and other friends. Mrs. Turland and family, are leaving Delta to reside in Brockville. A farewell tea is to be tendered Mrs. Turland, by the congregation of St. Paul's Church, where she has faithfully attended. Mrs. Cecelia Irving, of Vancouver, B.C., has been visiting her niece, Mrs. R. E. Green, also Mrs. Dr. Walkie and three sons of Pincher Creek, Alberta. Mrs. Walkie and sons, have left for their home, and Mrs. C. Irving has gone to St. Thomas, Ontario.
