Ontario Commission
Meets on Saturday
The Ontario Athletic Commission school track and field meet is being held on Saturday afternoon at the George Richardson Memorial Stadium commencing at one o'clock and there is every indication that there will be a large entry for the various events during the afternoon.

Great interest has been shown by the boys in the different schools and there is every reason to believe that there will be some tight contests at Saturday's meet. The winners of events will take part in the final meet at Toronto with all expenses paid. The runners-up will be allowed to compete at their own expense. The first prize of a trip to Toronto with expenses paid is urging some of the boys on and they have put in many hours of hard training. The public is cordially invited to attend the meet.
