THE FAIR AT DELTA

Was Pronounced the Most Successful in Years.

PhiPhiville, Sept. 13.—Miss Helen Elliott, of the continuation school, Elgin, and Miss Anna Myers of St. Edward's school, Westport, spent the week-end at their homes here. Mrs. Haskins was a Sunday visitor here. Several from here attended the fair at Delta on Monday, Tuesday and Wednesday of last week. It was the most successful fair Delta has ever held. The exhibits were good and the mid-way added much to the enjoyment of the young and old.

Miss Audrey Kenny, Lyndhurst, is the guest of Miss Iva Elliott, Nelson Fodey, Lansdowne, was in town on Sunday. Miss Marie Danaherty, R.N., who spent a few days of Mrs. T. H. Myers' left for Athens, where she will spend the remainder of her holidays before returning to work at Kingston hospital.

Misses Elva and Doris Chant have returned after spending a couple of weeks in Toronto. Mrs. Mae Moore, Miss Anna Moore and Miss Mitilda White, Elgin, were in the village on Sunday. Mrs. M. O'Brien, Elgin, was a recent caller on friends. Mrs. Robert Greenham, who has been quite ill with the grippe, is feeling better. Miss K. Myers, R.N., has returned after nursing at St. Francis General Hospital, Smith's Falls.

A HEAVY MEAL ACUTE INDIGESTION SUDDEN DEATH!

Doctors May Say "Heart Failure" But the Most Common Cause is Stomach Acidity—Gastric

Thousands of folks think they have Heart Trouble and live in constant fear of a sudden end, when, as a matter of fact, the cause of their trouble is probably caused by a Sour, Heavy, Unsettled Stomach!

When the stomach is too acid and the slightest bit of food sets up a fermentation causing bloating and gas, then the stomach distends and crowds the heart, and palpitation, shortness of breath, difficult breathing, pressure, dizziness and a feeling of exhaustion and oppression follow—a highly uncomfortable and often really dangerous condition but not Heart Trouble!

So don't get excited and don't waste valuable time doctoring "the wrong heart" in bad, you'll probably find the cause of all your trouble in your stomach—and here's a simple little test to help you prove it.

From any good druggist obtain a couple ounces of pure Bismarck Magnesia (either powder or tablets) and begin with 10 grains, or 1 tablet, 3 or 4 times a day, after each meal—and what happens or rather what does not happen.

This is a pleasant, inexpensive test that seldom fails to relieve or send off most stomach distress. Gas Sourness, water's trial proves its value. Be sure and get Bismarck Magnesia, safe and inexpensive.

According to insurance tables there are 93 persons in the United States between the ages of 100 and 107.
