

Cabinet to Make Appointments—Nickle's Interview With Coolidge

PREMIER KING TO WELCOME THE GOVERNOR

Upon the Arrival of Lord Willington at Quebec.

LONDON TIMES REVIEW

Of King Cabinet Is Most Favorable—Comments Upon Canada's Representative to U.S.

Ottawa, Sept. 23.—The Cabinet has been called to meet again this afternoon. Yesterday's meeting was short, but it is probable that the one to-day will be longer and that some of the matters which are pending will be disposed of. The appointment of two more judges to the customs inquiry commission, the appointment of counsel for the commission and the enlargement of the scope of the inquiry are among those things which the Prime Minister indicated would have the first attention of the cabinet. It is understood that the Government has already approached certain judges with a view to their serving on the commission with Sir Francois Lemieux.

Other appointments, which will probably be made before the Prime Minister goes abroad, include three to vacancies in the Senate. Two of these vacancies are in Quebec and one in Nova Scotia. There may be appointments to the post of Lieutenant-Governor in both provinces of Ontario and Manitoba.

Premier King will go to Quebec to welcome Canada's new Governor-General, Lord Willington.

KIWANIS CLUB PAYS A VISIT TO GANANOQUE

Entertained by the Canadian Club of That Town.

THE AIMS AND IDEALS

Of Kiwanis Are Aply Presented by Lieutenant-Governor William Y. Mills, Kingston.

(By Staff Reporter)
 Kiwanis was introduced into Gananoque last night in rousing fashion on the occasion of the first official visit of the Kingston Kiwanis Club to that place.

That the mission of the local club was carried out with good results goes without saying. An impression was made that was pleasant one indeed and there is little doubt that the time and energy expended by the local Kiwanians in going to Gananoque last night was well spent.

Of course, the chief item of the event was the message of Kiwanis delivered to the Gananoque members of the Canadian Club, who held a joint meeting with the local Kiwanis Club, by the newly-elected Lieutenant-Governor of the district, Lieutenant-W. Y. Mills. But apart from this, there never was a jollier time ever spent by a Kiwanis gathering than the one last night.

For half an hour the hand-shaking continued. Then Their Excellencies stepped upon the platform of their train, the guard of honor which fringed the crowd with scarlet came to attention and the trainshed rang with repeated cheers. The crowd had closed in until tracks and platforms, buffers, baggage trucks and ice-wagons were covered with the cheering throng.

Mayor Wilson, President of the Gananoque Canadian Club, was the chairman of the meeting at the start, later handing over his duties to Kiwanian Columbus Hanley, president of the Kiwanis Club. Following the dinner, Mayor Wilson extended a cordial welcome to the Kiwanians to Gananoque. He referred to the joint meeting of the Canadian Club and Kiwanis and stated that meetings of this kind were good for everybody.

The response to the welcome by Mayor Wilson was made by Kiwanian Murdoch Johnston who stated that the Kingston Club appreciated the words of welcome of Mayor Wilson and deemed it a pleasure and an honor to be present.

The boost at this meeting was conducted by Kiwanian Hugh Nickle, who explained to the Gananoque people the reason of this particular part of a Kiwanis meeting.

The chief feature of the evening was the address delivered by Kiwanian Mills to the meeting, in which he told of the aims and ideals of Kiwanis, summing up in a highly interesting and instructive manner. The newly-elected Lieutenant-Governor showed a splendid knowledge of his subject and his address was an excellent one indeed.

The speaker was introduced by President Columbus Hanley, who praised the splendid work of the speaker in Kiwanis. He declared that he did Kingston Kiwanis proud at the Ontario-Quebec District meeting at Toronto and stated that the honor conferred on him was richly deserved.
