

Lansdowne Fair Prize Awards

Lansdowne, Sept. 28. — Lansdowne's first three-day fair proved a great success in spite of the gloomy attitude of some of the people who prophesied a failure.

FAMOUS FEET
...how they're kept free from corns..

Question: "Guerra's Famous Darning Pen"

"I never have had a corn nor an accident. But if ever either comes—I want protection. That's why I always carry Blue-jay and an accident policy."

So writes winsome Queenie Smith, the star of the musical comedy, "Tip-Top."

Good old Blue-jay! For 26 years it has been vanquishing corns... The count of conquered toe-calluses runs into the hundreds of millions.

A cool and velvety cushion fits over the corn and ends the pain at once. Usually one darning pen cures the corn. But even up "old offenders" will seldom require more than a second Blue-jay plaster... At all drug stores.

Montreal Mother Finds Health in Tanlac

Lost Appetite and Weight, Couldn't Sleep, Suffered Terribly from Digestive Troubles. Famous Remedy Relieves and Rebuilds Her as it Has Thousands of Others.

If you feel your health slipping from you; if indigestion, nervousness, sleeplessness, loss of weight and appetite and falling strength are sapping your vitality and making you miserable, profit by the remarkable experience of Mrs. Emery Brassard, business woman and mother of eight children, whose address is St. Andre and Beaubien, Montreal.

She says: "For the past two years I had been a nervous wreck. I was unable to attend to my business and household duties properly. The odor of food sickened me. I would frequently have such pains in my side as though a knife were going through me.

"I couldn't sleep and lost weight and strength, while my complexion became sallow. Reading how Tanlac had relieved others, I tried it. After taking seven bottles, I feel as fit as I ever did. I have gained twelve pounds.

"I cannot express how grateful I am to Tanlac, and gladly recommend it to anyone who needs a tonic as I did."

Thousands of fortunate men and women are now enjoying good health and strength through Tanlac, the safe, effective remedy, made from herbs, roots and barks. Don't wait until good health leaves you, to try this medicine. Ask your druggist for Tanlac—today!
