STORRINGTON FAIR HELD AT INVERARY

A Large Attendance—Three Horse Races—Girls' Softball Game.

Inverary Fair, which is always one of the feature events for Storrington township, was held on Wednesday afternoon with a very large number of people in attendance. The fair is looked forward to with a great deal of interest as it is the one time each year that many people from the surrounding country gather and have an opportunity of "comparing notes" as it were.

The programme which was arranged by the directors was very good and consisted of trials of speed, two baseball games, military sports and a tug of war.

The judging was commenced shortly after dinner and by three o'clock the large building which is used for the vegetables, ladies' work, domestic science, etc., was thrown open to the public. The number of the entries was about the same as last year, but in some classes they were a great deal better. The Inverary ladies who have always been noted for being good cooks certainly lived up to their past reputations, judging from the display of pies, cakes, etc., which were on exhibition.

A Very Strong Team.
The drawing contest which had been expected to be one of the features of the fair did not turn out as well as expected, on account of there being only one entry. Two stone boats were loaded with granite boulders, which weighed in the neighborhood of five tons and the team owned by Robert Dixon, Sunbury, the only entry, moved them along the ground. He was given the prize of \$8.

Three Races Held.
During the afternoon three trials of speed were held and there was keen competition in each class. The Classified race was won by Charles Stokes, Glenburnie, who carried off three heats. In the third and final the winner got a very bad start but Mr. Stokes showed good judgment in the handling of his horse and made up lost ground and passed under the wire first. The race was as follows:

Forest Queen, Charles Stokes, Glenburnie	1 1 1
Nellie Murphy, Charles Perry, Inverary	2 2 2
Jerry Wilkes, Joseph Eves, Kingston	3 3 3
Paddy, Harold Kiell, Joyceville	4 x x
Time for half mile—1.19 1-2.	

Running Race.
At the request of many in attendance the committee in charge of the races arranged for a running race, which was won by Farmer Girl, owned by E. C. Cumpson, Inverary.

The heats finished:
Farmer Girl, E. C. Cumpson
Inverary
Happy Mack, Elmer Smith, Inverary
Black Dan, Ross Vanluven, Inverary
Mrs. Howard Arthur, Inverary
The winner of the race which was open to lady drivers, Mrs. Harold Hafner, who drove the horse owned by Harold Kiell, Joyceville, was second.

The officials were: Starter, T. K. Nicholson, Kingston; Judges, Major C. V. Bishop and Carlton Hart, Kingston, and Alfred Franklin, Joyceville.

Perth Road Won.
The Perth Road girls were the winners of a very closely contested game of soft ball by a score of 11 to 10. Lillian Stoeness, Perth Road, was credited with a home run. The game was one of the features of the afternoon.

The teams were:
Perth Road—Eleanor Stoeness, c; Lillian Stoeness, p; Mildred Slack, 1b; Luella Slack, 2b; Carmel Roushorn, 3b; Doris Guthrie, lf; Bessie Brewer, ss; Annie Putsnam, cf; Thelma Ennis, rf.

Sunbury—Eileen Marshall, ss; Margaret Sharpe, cf; Lillian McDonald, 1b; Doris Gordon, p; Elsie Dixon, c; Amanda Campbell, rf; Amanda Gibson, 1b; Dorothy Dixon, 3b; Madeline Campbell, lf.

Umpires—E. Babcock and W. Cooper.

Inverary Won the Game.
It had been expected that the "Tanners" of Kingston would have played Inverary an exhibition game but the visiting team did not arrive and a picked team known as the "Kingston Auto Club" donned their baseball togs and went down to defeat by a score of 6 to 2.

The teams were:
Inverary—G. Foxton, p; E. Foxton, c; R. Foxton, rf; V. Leeman, 1b; W. Noble, 3b; W. Arsur, cf; V. Johnson, lf; E. Babcock, p.
Kingston Auto Club—R. Gerald, c; R. Knapp, p; R. Gardiner, 2b; T.

Blacklock, 1b; A. Gardiner, 2b; T. Halbert, ss; C. H. McGowan, 3b; Brock Hodgins, lf; B. Craig, rf; H. Perry, cf.

Tent Pegging Contest.
The tent pegging contest which was put on by a number of the men of the R.C.H.A., Kingston, was very much appreciated. In addition to the pegging the men all did individual acts of horsemanship.

The directors and officials of the fair were: President, Robert Dixon; 1st vice-president, Gibson; 2nd vice-president, William Leatherland; secretary-treasurer, Cliff Barr; directors, F. S. Ferguson, J. E. Dixon, G. Leatherland, C. Loney, S. McCallum, A. J. Garrett, Roy Ewing, F. Holmes, T. Arthur, T. O'Neil, M. Stover, Charles Sleeth, Phil Edwards, S. Knight, C. O. Drader and H. Lyon.

The judges were: J. L. McGowan, Alex. B. Wilson, Henry Allen, E. L. Vickers, Mrs. James Bates, Mrs. Walter Mind.

The directors in charge of the different classes were: Horses, Charles Sleeth; cattle, F. Holmes; sheep and swine, T. Arthur; grain and vegetables, F. S. Ferguson; ladies' work, Roy Ewing; poultry, William Leatherland.

WOLFE ISLAND POTATO CROP SHOWING ROT

Norman Conley Has Exciting Experience When Auto Hung Over Bridge.

Wolfe Island, Sept. 29.—The threshing is nearly completed and the very wet weather made it extremely bad for stook threshing. The few farmers who drew their grain into the barns had reason to congratulate themselves this season. Corn is a wonderful crop standing ten and twelve feet tall. The potato crop, though a good yield, shows sign of rot.

Carl Laughlin is disposing of his farm stock and implements by public auction to-day. Carl's many friends though sorry to lose him are glad to know he has secured a lucrative position in the U.S.A.

At 8 o'clock Wednesday morning, Miss Gertrude McGlynn and Edward Bugger, Rochester, N.Y., were quietly married in the Sacred Heart church here and left immediately on a trip through northern New York before taking up residence in Rochester.

Mrs. Fred Wright leaves this week for Erie, Pa., after spending some time with her aged parents, Mr. and Mrs. James Lyons. They are both over ninety years and are our oldest residents and still quite active.

Norman Conley met with quite an exciting experience one evening this week while crossing the bridge at Reed's Creek, the Chevrolet sedan which he was driving skidded and hung on a balance over the edge of the bridge. Neighbors worked for several hours trying to right the car and it was marvellous that both driver and car escaped without serious injury. This bridge is in a very unsafe condition and entirely unprotected without a railing of any kind.

GANANOQUE

Gananoque, Sept. 30.—The Anglican young people gave a shower for Miss Rhea Haynes in the parish house last evening. A large number attended, and Miss Haynes received a lovely lot of gifts. Miss Haynes has always been one of the best workers among the young people of Christ Church, and as she will make her home in Oshawa after her marriage on the 9th prox., she will be much missed. Miss Haynes has also been closely identified with the musical activities here, and has lent her services frequently to worthy causes in the community.

Mr. and Mrs. R. Brocklesby Davis, of Hamilton, announce the engagement of her elder daughter Rosa Brocklesby to Mr. J. Ronald McMurray, Gananoque, only son of Dean and Mrs. J. Playfair McMurray, Toronto. The wedding will take place in Hamilton on October 16th.

John Hargratt brought his mother down from Cobourg on Tuesday last, and they will occupy the DeFencer residence on Market street for the winter.

Miss Forbes Allen, who has been visiting friends in Napawa, for the past couple of weeks, is expected home today.

Quite a number from here attended the dance at Collin's Bay on Tuesday evening.

A pretty September wedding was that of Miss May Leakey, eldest daughter of Mr. and Mrs. Ernest Leakey, Victoria avenue, and George, eldest son of Mr. and Mrs. George Grice, Wellington street. The ceremony took place at the home of the bride's parents and was performed by the Rev. C. E. Kidd. The bride who was dressed away by her father looked very lovely in a gown of white crepe de chene, with rhinestone trimmings. Little Lillian Leakey, sister of the bride made a very charming flower girl. After the ceremony a dainty luncheon was served after which the happy couple left for Toronto and Popsy to spend their honeymoon. The bride travelled in a becoming gown of green satin with coat and hat to match. Upon their return they will be at home to their friends on First street. The groom's gift to the bride was a pearl necklace and to the flower girl a ring.

A magnificent Rolls Royce arrived in Gananoque last evening from Montreal en route to Toronto, the party being registered at The Provincial. The car is owned by Mrs. Patterson (Toronto Hardware Company), who has been touring the continent since last April.

Miss Martha Nalon, who has been visiting friends in Watertown, N.Y., arrived home on Monday, called here by the illness of her brother Michael, who is now convalescing nicely.

Joseph Amo, Ottawa, who has been away from Gananoque for upwards of thirty years, arrived here recently and will probably remain for the winter at least. He is at present staying with his sister, Mrs. W. J. McDonald.

Eat plentifully of nourishing foods, take regular but not tireome exercise and from Jax. E. McLeod obtain a plain sealed package of Double Strength Erbas Tablets. The package will contain a 14 day supply, more than enough to convince you of the great value of this special private formula.
No matter about your age or how many treatments you have tried without success—if you now want results you should start this 14 day home test at once. If not well pleased with the outcome—the drugstore which supplied you with Erbas is authorized to return your money.

The condor, of which a baby specimen, measuring 10 feet from wing to wing has recently been brought to England, is not only the world's largest bird but is the highest flier. Naturalists have discovered it flies sometimes at a height greater than 20,000 feet.
